In the opinion of Orrick, Herrington & Sutcliffe LLP, Special Counsel to the District, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, and subject to the satisfaction of certain conditions and to the occurrence of certain events described herein under the heading "PLAN OF REFUNDING – Forward Delivery of the Certificates," the portion of each Base Rental Payment designated as and constituting interest paid by the District under the Lease Agreement and received by the Owners of the Certificates is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Special Counsel, subject to satisfaction of certain conditions and to the occurrence of certain events described herein under the heading "PLAN OF REFUNDING – Forward Delivery of the Certificates," interest evidenced by the Certificates is not a specific preference item for purposes of the federal alternative minimum tax. Special Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of the Certificates, or the amount, accrual or receipt of the portion of each Base Rental Payment constituting interest. See "TAX MATTERS."

The San Jacinto Unified School District Certificates of Participation (2020 Refunding), in the aggregate principal amount of \$30,120,000* (the "Certificates") will, subject to the satisfaction of certain conditions and to the occurrence of certain events described herein under the heading "PLAN OF REFUNDING – Forward Delivery of the Certificates," be executed and delivered pursuant to a Trust Agreement, dated as of June 1, 2020 (the "Trust Agreement"), by and among U.S. Bank National Association, as trustee (the "Trustee"), the San Jacinto Unified School District School Facilities Corporation (the "Corporation") and the San Jacinto Unified School District (the "District"), and will evidence direct, fractional undivided interests of the Owners thereof in certain Base Rental Payments (which include principal components and interest components) to be made by the District for the use of certain real property (the "Property") pursuant to a Lease Agreement, dated as of June 1, 2020 (the "Lease Agreement"), by and between the District, as lessee, and the Corporation, as lessor. The proceeds of the Certificates, together with other available funds, will be used to (i) refund all of the District's outstanding San Jacinto Unified School District Certificates of Participation (2010 Refunding), (ii) purchase a debt service reserve policy to satisfy the reserve requirement for the Certificates, and (iii) pay the costs incurred in connection with the execution and delivery of the Certificates.

The District has covenanted under the Lease Agreement to make all Base Rental Payments and Additional Rental Payments (collectively, the "Rental Payments") provided for therein, to include all such Rental Payments as a separate line item in its annual budgets, and to make the necessary annual appropriations for all such Rental Payments. The District's obligation to make Base Rental Payments is subject to abatement during any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the District's right to use and occupy any portion of the Property. See "RISK FACTORS – Abatement."

Interest evidenced by the Certificates will be payable semiannually on March 1 and September 1 of each year, commencing on September 1, 2020. See "THE CERTIFICATES" herein.

The Certificates will be initially delivered only in book-entry form and will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Certificates. Individual purchases of the Certificates will be made in book-entry form only. Purchasers of Certificates will not receive certificates representing their ownership interests in the Certificates purchased. The Certificates will be delivered in denominations of \$5,000 or any integral multiple thereof. Principal and interest payments evidenced by the Certificates are payable directly to DTC by U.S. Bank National Association, as trustee. Upon receipt of payments of principal and interest, DTC will in turn distribute such payments to DTC Participants for subsequent disbursement to the Beneficial Owners of the Certificates. See "THE CERTIFICATES – Book-Entry Only System" herein.

The Certificates are subject to prepayment prior to maturity as described herein. See "THE CERTIFICATES – Prepayment."

The obligation of the District to make the Base Rental Payments does not constitute a debt of the District or of the State of California or of any political subdivision thereof within the meaning of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the District or the State of California is obligated to levy or pledge any form of taxation or for which the District or the State of California has levied or pledged any form of taxation.

The scheduled payment of principal of and interest evidenced by the Certificates when due will be guaranteed under an insurance policy to be issued concurrently with the execution and delivery of the Certificates by ASSURED GUARANTY MUNICIPAL CORP.

See "RISK FACTORS" for a discussion of factors that should be considered, in addition to the other matters set forth herein, in evaluating the investment quality of the Certificates.

SAN JACINTO UNIFIED SCHOOL DISTRICT CERTIFICATES OF PARTICIPATION (2020 REFUNDING)

(FORWARD DELIVERY)

INTRODUCTION

This Official Statement (which includes the cover page, inside cover page, and Appendices hereto) (this “Official Statement”), provides certain information concerning the sale and delivery of San Jacinto Unified School District Certificates of Participation (2020 Refunding), in the aggregate principal amount of \$30,120,000* (the “Certificates”). The Certificates will, subject to the satisfaction of certain conditions and to the occurrence of certain events described herein under the heading “PLAN OF REFUNDING – Forward Delivery of the Certificates,” be executed and delivered pursuant to a Trust Agreement, dated as of June 1, 2020 (the “Trust Agreement”), by and among U.S. Bank National Association, as trustee (the “Trustee”), the San Jacinto Unified School District School Facilities Corporation (the “Corporation”) and the San Jacinto Unified School District (the “District”), and will evidence direct, fractional undivided interests of the registered owners (the “Owners”) thereof in certain base rental payments (the “Base Rental Payments”) to be made by the District for the use of the real properties on which the Jose Antonio Estudillo Elementary School and the North Mountain Middle School are located (the “Property”), as more fully described herein. The Property will be leased by the District from the Corporation pursuant to a Lease Agreement, dated as of June 1, 2020 (the “Lease Agreement”), by and between the District and the Corporation.

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the cover page, inside cover page, and appendices hereto, and the documents summarized or described herein. A full review should be made of the entire Official Statement. The sale and delivery of Certificates to potential investors is made only by means of this Official Statement.

The District

The District was established in 1868 and unified in 1944. The District encompasses an area of approximately 100 square miles in the County of Riverside, California (the “County”), and provides educational services to residents in nearly all of the City of San Jacinto and portions of the cities of Hemet, Beaumont and Moreno Valley, as well as certain unincorporated areas of the County.

The District provides public education services for grades kindergarten through 12 (“K-12”). The District currently operates seven kindergarten through fifth grade elementary schools, three sixth through eighth grade middle schools, one comprehensive ninth through twelfth grade high school, one alternative education ninth through twelfth grade high school, one home education program, one adult education school, five State of California preschools and one head start preschool. Total enrollment for the 2018-19 school year is 10,132 students and total enrollment for the 2019-20 school year is projected to be 10,132 students.

The District is governed by a Board of Trustees consisting of five members, each of which is elected to a four-year term. Elections for positions to the Board of Trustees are held every two years, alternating

* Preliminary, subject to change.

between two and three available positions. The day-to-day operations are managed by a board-appointed Superintendent of Schools. Diane Perez has served in this position since July 2013.

The District has budgeted general fund expenditures for fiscal year 2018-19 of approximately \$135.81 million. As of February 2019, the District employed 1,042.1 full-time equivalent (“FTE”) employees, consisting of approximately 551.4 FTE certificated employees, 406.8 FTE classified employees, 67 FTE management employees and 8.5 FTE confidential employees.

For more complete information concerning the District, including certain financial information, see “DISTRICT HISTORY, OPERATION AND FINANCIAL INFORMATION” herein. The District’s audited financial statements for the fiscal year ended June 30, 2018 are included as Appendix B and should be read in their entirety.

Security and Sources of Payment for the Certificates

Subject to the satisfaction of certain conditions and to the occurrence of certain events described herein under the heading “PLAN OF REFUNDING – Forward Delivery of the Certificates,” the Certificates will be executed and delivered pursuant to a Trust Agreement, dated as of June 1, 2020 (the “Trust Agreement”), by and among U.S. Bank National Association, as trustee (the “Trustee”), the Corporation and the District, and evidence direct, fractional undivided interests in the Base Rental Payments to be made by the District under the Lease Agreement for the use of the Property. See “THE PROPERTY.”

The District will enter into a Ground Lease, dated as of June 1, 2020 (the “Ground Lease”) pursuant to which the District will lease the Property to the Corporation. The Corporation will then sublease the Property back to the District pursuant to the Lease Agreement. The Lease Agreement will obligate the District to make Base Rental Payments and Additional Rental Payments (which include taxes and assessments affecting the Property, reasonable administrative costs of the Corporation relating to the Property, fees and expenses of the Trustee, insurance premiums and other amounts payable under the Lease Agreement and the Trust Agreement as further described herein). Base Rental Payment and Additional Rental Payments are collectively referred to as “Rental Payments.”

The Trustee and the Corporation will enter into an Assignment Agreement, dated as of June 1, 2020 (the “Assignment Agreement”), pursuant to which the Corporation will assign to the Trustee for the benefit of the Certificate Owners substantially all of the Corporation’s right, title and interest in and to the Ground Lease and the Lease Agreement, including its right to receive the Base Rental Payments due under the Lease Agreement, provided that the Corporation will retain the right to indemnification under the Lease Agreement.

The District covenants under the Lease Agreement to take such action as may be necessary to include all Base Rental Payments and Additional Rental Payments due under the Lease Agreement as a separate line item in its annual budgets and to make the necessary annual appropriations therefor.

Base Rental Payments are subject to complete or partial abatement during any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the District’s right to use and occupy any portion of the Property. See “RISK FACTORS – Abatement.” Abatement of Base Rental Payments under the Lease Agreement, to the extent payment is not made from alternative sources as set forth below, could result in all Certificate Owners receiving less than the full amount of principal and interest evidenced by the Certificates. To the extent proceeds of insurance are available or there are amounts available in the Reserve Fund or other funds established under the Trust Agreement (as described below), Base Rental Payments (or a portion thereof) may be made during periods of abatement.

THE OBLIGATION OF THE DISTRICT TO MAKE THE BASE RENTAL PAYMENTS DOES NOT CONSTITUTE A DEBT OF THE DISTRICT OR OF THE STATE OF CALIFORNIA OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMIT OR RESTRICTION, AND DOES NOT CONSTITUTE AN OBLIGATION FOR WHICH THE DISTRICT OR THE STATE IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE DISTRICT OR THE STATE HAS LEVIED OR PLEDGED ANY FORM OF TAXATION.

For more complete and detailed information, see “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES.” For a discussion of certain risks associated with the District’s ability to make Base Rental Payments for the Property, see “RISK FACTORS.”

Certificate Insurance Policy

As more fully described herein, the scheduled payment of principal of and interest evidenced by the Certificates when due will be guaranteed under an insurance policy (the “Insurance Policy”) to be issued concurrently with the delivery of the Certificates by Assured Guaranty Municipal Corp. (the “Insurer”). See “CERTIFICATE INSURANCE” herein.

The Insurer does not guarantee the market price or liquidity of the Certificates, nor does it guarantee that the rating on the Certificates will not be revised or withdrawn. In addition, in the event the Insurer becomes obligated to make payments with respect to the Certificates, no assurance is given by the District, the Corporation or the Underwriter (as defined herein) that such event will not adversely affect the market price or marketability of the Certificates. See “CERTIFICATE INSURANCE” and “RATINGS” herein.

Reserve Fund; Reserve Policy

The Reserve Fund has been established for the benefit of the Certificate Owners. Upon the execution and delivery of the Certificates, a municipal bond debt service reserve insurance policy (the “Reserve Policy”), in an amount equal to the initial Reserve Requirement, issued by Assured Guaranty Municipal Corp. (the “Reserve Insurer”), will be deposited in the Reserve Fund for the Certificates. See “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Reserve Fund.”

Purpose of the Certificates

The proceeds of the Certificates, together with other available funds, will be used to (i) refund all of the District’s outstanding San Jacinto Unified School District Certificates of Participation (2010 Refunding) (the “Series 2010 Certificates”), (ii) purchase a debt service reserve policy to satisfy the Reserve Requirement for the Certificates and (iii) pay the costs incurred in connection with the execution and delivery of the Certificates. See “ESTIMATED SOURCES AND USES OF FUNDS.”

Description of the Certificates

The Certificates will be executed and delivered in book-entry form only and, when delivered, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”), which will act as securities depository for the Certificates. Individual purchases of the Certificates will be made in book-entry form only. Purchasers of the Certificates will not receive certificates representing their ownership interests in the Certificates purchased. The Certificates will be delivered in denominations of \$5,000 or any integral multiple thereof. Principal and interest payments evidenced by the Certificates are payable directly to DTC by the Trustee. Upon receipt of payments of principal and interest, DTC will in turn distribute such payments to DTC Participants for subsequent disbursement to the Beneficial Owners of the Certificates. See “THE CERTIFICATES – General” and APPENDIX G – “BOOK-ENTRY ONLY SYSTEM.”

Interest evidenced by the Certificates will be payable semiannually on March 1 and September 1 of each year, commencing on September 1, 2020. See “THE CERTIFICATES – General.”

The Certificates are subject to prepayment prior to maturity as described herein. See “THE CERTIFICATES – Prepayment.”

For a more complete description of the Certificates and the basic documentation pursuant to which they are being sold and delivered, see “THE CERTIFICATES,” “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES” and APPENDIX A – “SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.” The summaries and descriptions in this Official Statement of the Trust Agreement, the Lease Agreement, the Ground Lease, the Assignment Agreement, the Continuing Disclosure Agreement and other agreements relating to the Certificates are qualified in their entirety by the respective form thereof and the information with respect thereto included in such documents. All capitalized terms used in this Official Statement (unless otherwise defined herein) which are defined in the Trust Agreement or the Lease Agreement shall have the same meanings assigned to such terms as set forth therein. See APPENDIX A – “SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – DEFINITIONS.”

Offering and Delivery of the Certificates

The Certificates will be offered when, as and if executed, delivered and received by the Underwriter, subject to the approval of legality by Orrick, Herrington & Sutcliffe LLP, Special Counsel to the District, and the satisfaction of certain other conditions. It is anticipated that the Certificates will be available in book-entry form for delivery through the facilities of DTC on or about June 4, 2020 (the “Delivery Date”). See “PLAN OF REFUNDING – Forward Delivery of the Certificates” herein.

Certificate Owners’ Risks

Certain events could affect the ability of the District to make the Base Rental Payments when due. See “RISK FACTORS” for a discussion of certain factors that should be considered, in addition to other matters set forth herein, in evaluating an investment in the Certificates.

Continuing Disclosure

Pursuant to the Continuing Disclosure Agreement, dated as of June 1, 2020 (the “Continuing Disclosure Agreement”), executed by and between the District and the Trustee, the District will covenant for the benefit of holders and Beneficial Owners of the Certificates to provide, or to cause to be provided, to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access system or such other electronic system designated by the Municipal Securities Rulemaking Board (the “EMMA System”) certain annual financial information and operating data relating to the District (the “Annual Report”) by not later than nine months following the end of the District’s fiscal year (currently ending June 30), commencing with the report for the 2019-20 fiscal year (which is due no later than April 1, 2021) and notice of the occurrence of certain enumerated events (“Notice Events”) in a timely manner not in excess of ten business days after the occurrence of such a Notice Event. The specific nature of the information to be contained in the Annual Report and the notices of Notice Events is set forth in APPENDIX D – “FORM OF CONTINUING DISCLOSURE AGREEMENT.” These covenants have been made in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the “Rule”).

The District, for itself, for the San Jacinto Unified School District Financing Authority, a joint exercise of powers authority of which it is a member, and for the several community facilities districts which the District has formed, as to each of which the District provides staff support and coordinates continuing disclosure, have previously entered into a number of undertakings to provide continuing disclosure (the “Previous Undertakings”). During the five-year period preceding the offering of the

Certificates, none of the District or its related entities failed in any material respect to comply with the Previous Undertakings.

Fieldman, Rolapp & Associates, Inc., doing business as Applied Best Practices, currently serves as the District's dissemination agent in connection with Previous Undertakings, except for the District's Previous Undertakings with respect to the bonds of the CFDs for which Willdan Financial Services serves as the dissemination agent, and Applied Best Practices will serve as the District's dissemination agent in connection with the Certificates.

Forward-Looking Statements

Certain statements included or incorporated by reference in this Official Statement constitute "forward-looking statements." Such statements are generally identifiable by the terminology used, such as "plan," "expect," "estimate," "budget," "intend" or other similar words. The achievement of certain results or other expectations contained in such forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements described to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. The District does not plan to issue any updates or revisions to those forward-looking statements if or when their expectations, or events, conditions or circumstances on which such statements are based, occur.

Other Information

This Official Statement is current only as of its date, and the information contained herein is subject to change. Copies of the Ground Lease, the Lease Agreement, the Assignment Agreement, the Trust Agreement, the Escrow Agreement and the Continuing Disclosure Agreement are available for inspection at the District and, following delivery of the Certificates, will be on file at the offices of the Trustee in Los Angeles, California.

THE CERTIFICATES

General

The Certificates evidence and represent direct, fractional undivided interests of the Owners thereof in the principal and interest components of Base Rental Payments to be made by the District pursuant to the Lease Agreement.

The Certificates are dated the date of original delivery thereof and will be executed and delivered in denominations of \$5,000 or any integral multiple thereof ("Authorized Denominations"). The interest components evidenced by the Certificates will be due and payable semiannually on March 1 and September 1 of each year, commencing September 1, 2020 (each an "Interest Payment Date"). The interest evidenced by the Certificates will be payable on each Interest Payment Date to and including their respective Principal Payment Dates or prepayment prior thereto, and shall represent the sum of the portions of the Base Rental Payments evidenced thereby designated as interest components coming due on the Interest Payment Dates in each year.

The interest evidenced by the Certificates will be computed on the basis of a 360-day year consisting of twelve, 30-day months. Each Certificate shall evidence interest from the Interest Payment Date next preceding its date of execution to which interest has been paid in full, unless such date of execution shall be after the 15th day of the calendar month immediately preceding such Interest Payment Date, whether or not such day is a Business Day (a "Record Date") and on or prior to the following Interest Payment Date, in which case such Certificate shall evidence interest from such Interest Payment Date, or unless such date of execution shall be on or prior to August 15, 2020, in which case such Certificate shall

represent interest from the Delivery Date. Notwithstanding the foregoing, if, as shown by the records of the Trustee, interest evidenced by the Certificates shall be in default, each Certificate shall evidence interest from the last Interest Payment Date to which such interest has been paid in full or duly provided for.

The Base Rental Payments evidenced by the Certificates will be payable by the District and deposited with the Trustee no later than the 15th day next preceding each Interest Payment Date (each a “Base Rental Deposit Date”). The interest evidenced by the Certificates represent the sum of the portions of the Base Rental Payments evidenced thereby designated as interest components coming due on the Interest Payment Dates in each year, calculated at the rates per annum, all as set forth on the front inside cover page of this Official Statement. The principal evidenced by the Certificates will be payable on their respective Principal Payment Dates and Mandatory Sinking Account Payment Dates in each year and shall represent the sum of the portions of the Base Rental Payments designated as principal components coming due on the Principal Payment Dates and Mandatory Sinking Account Payment Dates in each year.

The Certificates will be subject to the Book-Entry System of registration, transfer and payment, and each Certificate will initially be registered in the name of Cede & Co., as nominee of DTC. As part of such Book-Entry System, DTC has been appointed securities depository for the Certificates, and registered ownership may not thereafter be transferred except as provided in the Trust Agreement. The Certificates are being delivered in book-entry form only. Purchasers will not receive securities certificates representing their interests in the Certificates. Rather, in accordance with the Book-Entry System, purchasers of each Certificates will have beneficial ownership interests in the purchased Certificates through DTC Participants. For more information concerning the Book-Entry System, see “THE CERTIFICATES – Book-Entry Only System.”

While the Certificates are subject to the Book-Entry System, payments of principal and interest with respect to the Certificates will be made by the Trustee to DTC, which in turn is obligated to remit such principal and interest to its DTC Participants for subsequent disbursement to Beneficial Owners of the Certificates as described herein. See “THE CERTIFICATES – Book-Entry Only System” and APPENDIX G – “BOOK-ENTRY ONLY SYSTEM.”

Prepayment

Optional Prepayment. The Certificates maturing on or before September 1, 2030, are not subject to optional prepayment prior to their respective stated Principal Payment Dates. The Certificates maturing on or after September 1, 2031, are subject to optional prepayment prior to their respective stated Principal Payment Dates, on any date on or after September 1, 2030, in whole or in part, in Authorized Denominations, from and to the extent of prepaid Base Rental Payments paid pursuant to the Lease Agreement from any source of available funds, any such prepayment to be at a price equal to the principal evidenced by the Certificates to be prepaid, plus unpaid accrued interest evidenced thereby to the date fixed for prepayment, without premium.

Extraordinary Prepayment. The Certificates are subject to extraordinary prepayment prior to their stated Principal Payment Dates, on any date, in whole or in part, in Authorized Denominations, from and to the extent of any insurance proceeds or condemnation awards in excess of \$50,000 paid with respect to all or a portion of the Property remaining after payment therefrom of all reasonable expenses incurred in the collection thereof (the “Net Proceeds”), deposited by the Trustee in the Prepayment Fund, at a prepayment price equal to the principal evidenced by the Certificates to be prepaid, plus unpaid accrued interest, if any, evidenced thereby to the date fixed for prepayment, without premium.

Mandatory Sinking Account Prepayment. The Certificates with a stated Principal Payment Date of September 1, 20__ are subject to prepayment prior to such stated Principal Payment Date, in part, from Mandatory Sinking Account Payments, on each September 1 specified below, at a prepayment price equal to the principal evidenced thereby, plus accrued interest evidenced thereby to the date fixed for prepayment, without premium. The principal evidenced by such Certificates to be so prepaid and the dates therefor will be as follows:

Prepayment Date (September 1)	Principal To Be Prepaid
--	------------------------------------

*Stated Principal Payment Date

If some but not all of the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ is prepaid from Net Proceeds deposited by the Trustee in the Prepayment Fund, the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ to be prepaid from Mandatory Sinking Account Payments on any subsequent September 1 will be reduced by the aggregate principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ so prepaid from Net Proceeds deposited by the Trustee in the Prepayment Fund, such reduction to be allocated among prepayment dates in proportion to the amount by which the principal components of the Base Rental Payments evidenced by such Certificates payable on such prepayment dates are abated pursuant to the Lease Agreement as a result of the event that caused such Certificates to be prepaid from Net Proceeds deposited by the Trustee in the Prepayment Fund in amounts of Authorized Denominations. If some but not all of the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ is optionally prepaid from Base Rental Payments, the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ to be prepaid from Mandatory Sinking Account Payments on any subsequent September 1 will be reduced by the aggregate principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ so prepaid, such reduction to be allocated among prepayment dates in amounts of Authorized Denominations to correspond to the prepaid Base Rental Payments elected by the District pursuant to the Lease Agreement.

Selection of Certificates for Prepayment. Whenever less than all the Outstanding Certificates are to be prepaid on any one date, the Trustee will select the Certificates to be prepaid (i) with respect to any prepayment as described above under the caption “– Extraordinary Prepayment,” among Certificates with different stated Principal Payment Dates in proportion to the amount by which the principal components of the Base Rental Payments evidenced by such Certificates are abated pursuant to the Lease Agreement; and (ii) with respect to any prepayment described above under the caption “– Optional Prepayment,” as directed in a Written Request of the District, and by lot among Certificates with the same stated Principal Payment Date in any manner that the Trustee deems fair and appropriate, which decision will be final and binding upon the District and the Certificate Owners. For purposes of such selection, any Certificate may be prepaid in part in Authorized Denominations.

Notice of Prepayment. So long as DTC is acting as securities depository for Certificates, notice of redemption, containing the information required by the Indenture, will be mailed by first-class mail, postage prepaid, by the Trustee to DTC (not to the Beneficial Owners of any Certificates designated for redemption) at least 30 but not more than 60 days prior to the date fixed for prepayment. Such notice will state the date of the notice, the prepayment date, the prepayment place and the prepayment price and will designate the CUSIP numbers, if any, the Certificate numbers and the stated Principal Payment Date or Principal Payment Dates of the Certificates to be prepaid (except in the event of prepayment of all of the Certificates in whole),

and will require that such Certificates be then surrendered at the Principal Office of the Trustee for prepayment at the prepayment price, giving notice also that further interest evidenced by such Certificates will not accrue from and after the date fixed for prepayment. Neither the failure to receive any notice so mailed, nor any defect in such notice, will affect the validity of the proceedings for the prepayment of the Certificates or the cessation of accrual of interest evidenced thereby from and after the date fixed for prepayment.

With respect to any notice of any optional prepayment of Certificates, unless at the time such notice is given the Certificates to be prepaid will be deemed to have been paid within the meaning of the Trust Agreement, such notice will state that such prepayment is conditional upon receipt by the Trustee, on or prior to the date fixed for such prepayment, of moneys that, together with other available amounts held by the Trustee, are sufficient to pay the prepayment price of, and accrued interest evidenced by, the Certificates to be prepaid, and that if such moneys are not received said notice will be of no force and effect and such Certificates will not be required to be prepaid. In the event a notice of prepayment of Certificates contains such a condition and such moneys are not so received, the prepayment of Certificates as described in the conditional notice of prepayment will not be made and the Trustee will, within a reasonable time after the date on which such prepayment was to occur, give notice to the Certificate Owners and in the manner in which the notice of prepayment was given, that such moneys were not so received and that there will be no prepayment of Certificates pursuant to such notice of prepayment.

While the Certificates are subject to the Book-Entry System, the Trustee will not be required to give any notice of prepayment to any person or entity other than DTC and as required by the Continuing Disclosure Agreement. DTC and the DTC Participants shall have sole responsibility for providing any such notice of prepayment to the Beneficial Owners of the Certificates to be prepaid. Any failure at DTC to notify any DTC Participant, or any failure of a DTC Participant to notify the beneficial owner of any Certificates to be prepaid, of a notice of prepayment or its content or effect will not affect the validity of the notice of prepayment, or alter the effect of prepayment described below under “Effect of Prepayment.”

Effect of Prepayment. When notice of prepayment has been duly given as provided in the Trust Agreement and moneys for the payment of the prepayment price of the Certificates to be prepaid are held by the Trustee, then on the prepayment date designated in such notice, the Certificates so called for prepayment will become payable at the prepayment price specified in such notice; and from and after the date so designated, interest evidenced by such Certificates will cease to accrue and such Certificates will cease to be entitled to any benefit or security under the Trust Agreement except for the right of the Owners of such Certificates to receive payment of the prepayment price thereof.

Book-Entry Only System

DTC will act as securities depository for the Certificates. The Certificates will be executed and delivered as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Certificate will be executed and delivered for each stated Principal Payment Date of the Certificates, each in the aggregate amount of the principal evidenced by Certificates with such stated Principal Payment Date, and will be deposited with DTC. See APPENDIX G – “BOOK-ENTRY ONLY SYSTEM.”

Discontinuance of DTC Service. In the event that (a) DTC determines not to continue to act as securities depository for the Certificates or (b) the District determines to remove DTC from its functions as a depository, DTC’s role as securities depository for the Certificates and use of the book-entry system will be discontinued. If the District fails to select a qualified securities depository to replace DTC, the District will cause the Trustee to execute and deliver new Certificates in fully registered form in such denominations numbered in the manner determined by the Trustee and registered in the names of such persons as are requested by the Beneficial Owners thereof. Upon such registration, such persons in whose names the Certificates are registered will become the registered Owners of the Certificates for all purposes.

The following provisions regarding the exchange and transfer of the Certificates apply only during any period in which the Certificates are not subject to DTC's book-entry system. While the Certificates are subject to DTC's book-entry system, their exchange and transfer will be effected through DTC and the Participants and will be subject to the procedures, rules and requirements established by DTC.

All Certificates are transferable by the Owner thereof, in person or by his or her attorney duly authorized in writing, at the principal corporate trust office of the Trustee on the registration books maintained by the Trustee pursuant to the provisions of the Trust Agreement, upon surrender of such Certificates for cancellation accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee. The Trustee may treat the Owner of any Certificate as the absolute owner of such Certificate for all purposes, whether or not the principal or interest evidenced by such Certificate is overdue, and the Trustee will not be affected by any knowledge or notice to the contrary; and payment of the interest and principal evidenced by such Certificate will be made only to such Owner, which payments will be valid and effectual to satisfy and discharge the liability evidenced by such Certificate to the extent of the sum or sums so paid.

Whenever any Certificate or Certificates shall be surrendered for transfer, the Trustee will execute and deliver a new Certificate or Certificates evidencing principal in the same aggregate amount and having the same stated Principal Payment Date. The Trustee will require the payment by any Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

Certificates may be exchanged at the principal corporate trust office of the Trustee for Certificates evidencing principal in a like aggregate amount having the same stated Principal Payment Date in such Authorized Denominations as the Owner may request. The Trustee will require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Trustee will not be required to transfer or exchange any Certificate during the period commencing five days before the date of selection of the Certificates for prepayment and ending on the date of mailing notice of such prepayment, nor will the Trustee be required to transfer or exchange any Certificate or portion thereof selected for prepayment from and after the date of mailing the notice of prepayment thereof.

SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES

Nature of the Certificates

Each Certificate evidences a direct, fractional undivided interest in the principal component of the Base Rental Payment due under the Lease Agreement on the payment date or prepayment date of such Certificate, and the interest component of all Base Rental Payments (based on the stated interest rate with respect to such Certificate) to accrue from the date of delivery to its payment date or prepayment date, as the case may be.

The Corporation, pursuant to the Assignment Agreement, will assign to the Trustee for the benefit of the Certificate Owners all of the Corporation's right, title and interest in and to the Ground Lease and the Lease Agreement, including, without limitation, its right to receive Base Rental Payments to be paid by the District under and pursuant to the Lease Agreement; provided that the Corporation will retain the rights to indemnification and to payment or reimbursement of its reasonable costs and expenses under the Lease Agreement. The District will pay Base Rental Payments directly to the Trustee, as assignee of the Corporation. See "-- Base Rental Payments" below.

Base Rental Payments

For the use and possession of the Property, the Lease Agreement requires the District to make Base Rental Payments. The Base Rental Payments evidenced by the Certificates will be payable no later than the 15th day next preceding each Interest Payment Date. To secure the payment of the Base Rental Payments, the District is required to pay to the Trustee, for deposit into the Base Rental Payment Fund, on the fifteenth day before each Interest Payment Date, an amount sufficient to pay the Base Rental Payment then due.

Pursuant to the Trust Agreement, the Trustee will on each Interest Payment Date, deposit in the Interest Fund that amount of moneys representing the portion of the Base Rental Payments designated as the interest component coming due on such Interest Payment Date. On each Interest Payment Date, the Trustee will withdraw from the Interest Fund, for payment to the Certificate Owners, the interest evidenced by the Certificates coming due on such Interest Payment Date.

Pursuant to the Trust Agreement, the Trustee will on each Principal Payment Date and on each Mandatory Sinking Account Payment Date, deposit in the Principal Fund that amount of moneys representing the portion of the Base Rental Payments designated as the principal component coming due on such Principal Payment Date or on each Mandatory Sinking Account Payment Date. On each Principal Payment Date and on each Mandatory Sinking Account Payment Date, the Trustee will withdraw from the Principal Fund, for payment to the Certificate Owners, the principal evidenced by the Certificates due and payable on such Principal Payment Date or upon earlier prepayment from Mandatory Sinking Account Payments.

THE OBLIGATION OF THE DISTRICT TO MAKE THE BASE RENTAL PAYMENTS DOES NOT CONSTITUTE A DEBT OF THE DISTRICT OR OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY DEBT LIMIT OR RESTRICTION, AND DOES NOT CONSTITUTE AN OBLIGATION FOR WHICH THE DISTRICT OR THE STATE IS OBLIGATED TO LEVY OR PLEDGE ANY FORM OF TAXATION OR FOR WHICH THE DISTRICT OR THE STATE HAS LEVIED OR PLEDGED ANY FORM OF TAXATION.

Base Rental Payments Schedule

The Lease Agreement requires that Base Rental Payments be made on or before each Base Rental Deposit Date, assuming no early prepayment by the District, which is 15 days prior to each of the following Interest Payment Dates:

Additional Rental Payments

The Lease Agreement requires the District to pay, as Additional Rental Payments thereunder in addition to the Base Rental Payments, such amounts as shall be required for the payment of all taxes, assessments of any type or nature charged to the Corporation or the District or affecting the Property or the respective interests or estates of the Corporation or the District in the Property, all reasonable administrative costs of the Corporation relating to the Property, the Certificates or the Trust Agreement, including without limitation all expenses, compensation and indemnification of the Trustee payable by the District under the Trust Agreement, insurance premiums payable under the Lease Agreement, any amounts with respect to the Lease Agreement or the Certificates required to be rebated to the federal government, and all other payments not constituting Base Rental Payments required to be paid by the District under the Lease Agreement or the Trust Agreement.

Covenant to Appropriate Funds

The District covenants under the Lease Agreement to take such action as may be necessary to include all Base Rental Payments and Additional Rental Payments due under the Lease Agreement as a separate line item in its annual budgets and to make the necessary annual appropriations therefor.

Abatement

Base Rental Payments are paid by the District in each Rental Period for the District's right to use and occupy the Property for such Rental Period. The obligation of the District to pay Rental Payments will be abated during any period in which by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the District's right to use and occupy any portion of the Property. The Rental Payments shall be abated proportionately. The District and the Corporation shall, in a reasonable manner and in good faith, determine the amount of such abatement; provided, however, that the Rental Payments due for any Rental Period may not exceed the annual fair rental value of that portion of the Property available for use and occupancy by the District during such Rental Period. Such abatement will continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation or title defect and, with respect to damage or destruction of the Property, ending with the substantial completion of the work of repair or replacement of the Property, or the portion thereof so damaged or destroyed, and to the extent necessary to pay unpaid Rental Payments, the term of the Lease Agreement will be extended as provided in the Lease Agreement, except that the term will in no event be extended more than 10 years beyond the Scheduled Termination Date; provided, however, that during abatement, to the extent that moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Trust Agreement, Rental Payments will not be abated as provided above but, instead, will be payable by the District as a special obligation payable solely from said funds and accounts. For information regarding rental interruption insurance, see “- Insurance” below.

Abatement of Rental Payments is not an event of default under the Lease Agreement and does not permit the Trustee to take any action or avail itself of any remedy against the District. For a description of abatement resulting from condemnation of all or part of the Property, see APPENDIX A – “SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – THE LEASE AGREEMENT – Rental Payments – Rental Abatement.”

Reserve Fund

A reserve fund (the “Reserve Fund”) is established by the Trust Agreement and is required to be funded in an amount equal to, as of the date of calculation, an amount equal to the least of (a) “10% of the proceeds of the issue,” within the meaning of Section 148 of the Code, (b) the maximum amount of principal and interest evidenced by the Certificates coming due in any Certificate Year, and (c) 125% of the average

amount of principal and interest evidenced by the Certificates coming due in each Certificate Year (the “Reserve Requirement”).

Upon the execution and delivery of the Certificates, the Reserve Policy in the stated amount of \$_____, an amount equal to the initial Reserve Requirement, issued by the Reserve Insurer will be deposited in the Reserve Fund for the Certificates. The Reserve Fund is required to be maintained until all Base Rental Payments are paid in full pursuant to the Lease Agreement and until the first date upon which the Certificates are no longer Outstanding. See APPENDIX A – “SUMMARY OF PRINCIPAL LEGAL DOCUMENTS.”

Amounts available in the Reserve Fund are to be used to make delinquent Base Rental Payments to the extent that the moneys available in the Interest Fund and Principal Fund do not equal the amount of the principal and interest evidenced by the Certificates coming due on any Interest Payment Date. If a Reserve Facility (such as the Reserve Policy) is credited to the Reserve Fund to satisfy a portion of the Reserve Requirement, the Trustee shall make a claim for payment under such Reserve Facility, in accordance with the provisions thereof, in an amount which, together with other available moneys in the Reserve Fund, will be sufficient to make said deposit in the Interest Fund and Principal Fund. In addition, moneys, if any, on deposit in the Reserve Fund will be withdrawn and applied by the Trustee for the final Base Rental Payment. See APPENDIX A – “SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – THE TRUST AGREEMENT – Reserve Fund.”

The District may substitute a line of credit, letter of credit, insurance policy, surety bond or other credit source (each, a “Reserve Facility”) for all or a part of the Reserve Policy or Reserve Facility then on deposit in the Reserve Fund by depositing such substitute Reserve Facility with the Trustee so long as, at the time of such substitution, the amount on deposit in the Reserve Fund, together with the amount available under such Reserve Facility and any previously substituted Reserve Facilities, shall be at least equal to the Reserve Requirement; provided, however, that, prior to any such substitution, the Trustee shall have received the written consent of the Insurer (so long as the Insurer is not in default on its payment obligations under the insurance policy).

If at any time the balance in the Reserve Fund is reduced below the Reserve Requirement, and there are no amounts then due to the Reserve Insurer under the Reserve Policy or to the provider of any other Reserve Facility under such Reserve Facility, the first Base Rental Payments thereafter received from the District under the Lease Agreement and not needed to pay the interest or principal evidenced by Certificates payable to the Owners on the next Interest Payment Date, Principal Payment Date or Mandatory Sinking Account Payment Date will be used to reinstate the amounts available under the Reserve Facilities that have been drawn upon and, second, to increase the balance in the Reserve Fund so that the amount available under the Reserve Facilities, when added to the amount on deposit in the Reserve Fund equals the Reserve Requirement.

Insurance

The Lease Agreement requires the District to maintain or cause to be maintained, throughout the term of the Lease Agreement, casualty insurance insuring the Property against fire and all other risks covered by an extended coverage endorsement (excluding earthquake and flood), subject to a \$100,000 loss deductible provision (unless some other deductible is acceptable to the Insurer), in an amount equal to the full insurable value of the Property. The full insurable value of the Property will not be less than the principal evidenced by the outstanding Certificates.

The casualty insurance required by the Lease Agreement may be maintained in the form of self-insurance by the District, in compliance with the terms of the Lease Agreement.

The Lease Agreement requires the District to maintain or cause to be maintained, throughout the term of the Lease Agreement, rental interruption insurance to cover the Corporation's loss, total or partial, of Base Rental Payments caused by perils covered by the casualty insurance described above, in an amount equal to the lesser of (i) the amount sufficient at all times to pay an amount not less than the product of two times the maximum amount of Base Rental Payments scheduled to be paid during any Rental Period, or (ii) such lesser amount as may be agreed to by the Insurer. The District may not self-insure for rental interruption insurance.

The District is also required to obtain certain public liability and property damage insurance coverage in protection of the Corporation and the District and worker's compensation insurance as described under APPENDIX A – "SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – THE LEASE AGREEMENT – Insurance – Property Casualty Insurance; Rental Interruption Insurance."

The District is required under the Lease Agreement to obtain title insurance on the Property, in the aggregate amount of not less than the initial aggregate amount of principal evidenced by the Certificates, subject only to Permitted Encumbrances, as defined in the Lease Agreement.

Action on Default

Should the District default under the Lease Agreement, the Trustee, as assignee of the Corporation under the Assignment Agreement, has the option to (subject to the restrictions described below) terminate the Lease Agreement. In the event of such termination, the District agrees to surrender immediately possession of the Property, without let or hindrance, and to pay to the Trustee, as assignee of the Corporation, all damages recoverable at law that the Corporation may incur by reason of default by the District, including, without limitation, any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon the Property and removal and storage of such property by the Corporation or its duly authorized agents in accordance with the provisions contained in the Lease Agreement.

Without terminating the Lease Agreement, the Trustee shall be permitted (x) to collect each installment of Base Rental Payments as the same become due and enforce any other terms or provisions of the Lease Agreement to be kept or performed by the District, regardless of whether or not the District has abandoned the Property, or (y) to exercise any and all rights of entry and re-entry upon the Property. In the event the Corporation does not elect to terminate the Lease Agreement in the manner provided for therein, the District remains liable and agrees to keep or perform all covenants and conditions contained in the Lease Agreement to be kept or performed by the District and, if the Property is not relet, to pay the full amount of the Rental Payments to the end of the term of the Lease Agreement or, in the event that the Property is relet, to pay any deficiency in Rental Payments that results therefrom; and further agrees to pay said Rental Payments and/or Rental Payment deficiency punctually at the same time and in the same manner as provided for the payment of Rental Payments under the Lease Agreement, notwithstanding the fact that the Corporation may have received in previous years or may receive thereafter in subsequent years Rental Payments in excess of the Rental Payments specified in the Lease Agreement, and notwithstanding any entry or re-entry by the Corporation or suit in unlawful detainer, or otherwise, brought by the Corporation for the purpose of effecting such re-entry or obtaining possession of the Property. See "RISK FACTORS."

The Lease Agreement provides that, so long as the Insurer is not in default under the Insurance Policy, no remedy will be exercised under the Lease Agreement without the prior written consent of the Insurer and the Insurer will have the right to direct the exercise of any remedy under the Lease Agreement. For a description of the events of default and permitted remedies of the Trustee (as assignee of the Corporation) contained in the Lease Agreement and the Trust Agreement, see APPENDIX A – "SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – THE LEASE AGREEMENT – Defaults and Remedies" and "– THE TRUST AGREEMENT – Default and Limitations of Liability – Action on Default."

Miscellaneous Matters

The Insurer makes no representation regarding the Certificates or the advisability of investing in the Certificates. In addition, the Insurer has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the information regarding the Insurer supplied by the Insurer and presented under the heading "CERTIFICATE INSURANCE."

THE PROPERTY

General

The Property leased pursuant to the Lease Agreement consists of the real property on which the Jose Antonio Estudillo Elementary School, at 900 Las Rosas Drive, San Jacinto, California, is located, and the real property on which the North Mountain Middle School, at 1202 East Seventh Street, San Jacinto, California, is located, together with the buildings and improvements located on each site.

Jose Antonio Estudillo Elementary School was originally constructed in 2004. The school currently serves 675 students in grades K through 5. The Jose Antonio Estudillo Elementary School facilities contain approximately 53,202 square feet of space, including 24 permanent classrooms, 6 portables, an auditorium, administrative facilities, 4.5 acres of play field and 2.56 acres of parking. The school is located on an approximate 10.11-acre site.

North Mountain Middle School was originally constructed in 1998. The school currently serves 1,056 students in grades 6 through 8. The North Mountain Middle School facilities contain approximately 85,593 square feet of space, including 36 permanent classrooms, 10 portable classrooms, a gymnasium/multipurpose room, administrative facilities, 14.47 acres of play field and 2.18 acres of parking. The school is located on an approximate 22.47-acre site.

Substitution or Release

The Lease Agreement provides that, with the consent of the Insurer and compliance with the other conditions specified therein, the District may release from the Lease Agreement any portion of the Property or substitute alternate real property for all or any portion of the Property. Any such substitution or release of any portion of the Property shall be subject to certain specific conditions set forth in the Lease Agreement, among which are that an independent certified real estate appraiser selected by the District shall have found that the Property, as constituted after such substitution or release, has an annual fair rental value greater than or equal to 105% of the maximum amount of Base Rental Payments payable by the District in any Rental Period. Thus, a portion of the property comprising the Property could be replaced with less valuable property, or could be released altogether, so long as, among other things, the Property, as constituted after such substitution or release, has an annual fair rental value greater than or equal to 105% of the maximum amount of Base Rental Payments payable by the District in any Rental Period. See "RISK FACTORS – Substitution or Release of Property" and APPENDIX A – "SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – THE LEASE AGREEMENT – No Consequential Damages; Use of the Property; Substitution or Release – Substitution or Release of the Property."

PLAN OF REFUNDING

General

Subject to the terms of the Forward Delivery Certificate Purchase Agreement (as defined below), the Corporation and the District expect that the Certificates will be executed and delivered for sale to and purchase by the Underwriter (the "Settlement") on or about June 4, 2020, or at such later date as is mutually

agreed upon by the Corporation, the District and the Underwriter (the “Settlement Date”). The Certificates are being executed and delivered to provide funds to (i) refund the Series 2010 Certificates, (ii) purchase a debt service reserve policy to satisfy the reserve requirement for the Certificates, and (iii) pay the costs incurred in connection with the execution and delivery of the Certificates. The District intends to apply a portion of the net proceeds of the sale of the Certificates to currently refund the Series 2010 Certificates within ninety days following the Settlement Date. This Official Statement does not constitute notice nor an advance notice of redemption of the Series 2010 Certificates. The refunding of the Series 2010 Certificates is conditioned upon the receipt of proceeds of the Certificates, which is subject to the conditions of the Forward Delivery Certificate Purchase Agreement. See “Forward Delivery of the Certificates” below.

The Series 2010 Certificates were executed and delivered on February 11, 2010, pursuant to a trust agreement, dated as of February 1, 2010 (the “2010 Trust Agreement”), by and among U.S. Bank National Association, as trustee, the District and the Corporation, payable from base rental payments received by the Corporation from the District under a lease agreement, dated as of February 1, 2010 (the “2010 Lease Agreement”), by and between the District, as lessee, and the Corporation, as lessor. The Corporation and U.S. Bank National Association, as escrow bank (the “Escrow Bank”) will enter into an Escrow Agreement, dated as of June 1, 2020 (the “Escrow Agreement”), with respect to the Series 2010 Certificates being refunded, pursuant to which the Corporation will deposit a portion of the proceeds from the sale of the Certificates into a special fund to be held by the Escrow Bank. The amounts deposited with the Escrow Bank with respect to the Series 2010 Certificates, which will be held pursuant to the Escrow Agreement, will be used to purchase certain United States governmental obligations or other non-callable obligations (the “Escrow Securities”) the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, the principal of and interest on which (together with any uninvested amount) will be sufficient to enable the Escrow Bank to pay the principal and interest evidenced by the Series 2010 Certificates to their first optional prepayment date (September 1, 2020), and to prepay such Series 2010 Certificates at a prepayment price equal to 100% of the principal amount of such Series 2010 Certificates being refunded on the prepayment date in accordance with the schedule set forth in the Escrow Agreement. The amounts to be deposited under the Escrow Agreement will be verified as sufficient by Causey Demgen & Moore P.C. See “VERIFICATION OF MATHEMATICAL COMPUTATIONS.”

The Escrow Securities and other moneys held under the Escrow Agreement are pledged to the payment of the Series 2010 Certificates to be refunded. As a result, the lien of the Series 2010 Certificates under the 2010 Trust Agreement will be defeased and discharged.

None of the amounts on deposit with the Escrow Bank, the principal of the Escrow Securities nor the interest thereon will be available for the payment of the Certificates.

Forward Delivery of the Certificates

The District and the Corporation anticipate that the Certificates will be executed and delivered by the Trustee for sale to and purchase by the Underwriter on the Settlement Date. The following is a description of certain provisions of the Forward Delivery Certificate Purchase Agreement, dated July __, 2019, between the Underwriter and the District, with respect to the Certificates (the “Forward Delivery Certificate Purchase Agreement”). This description is not to be considered a full statement of the terms of the Forward Delivery Certificate Purchase Agreement and accordingly is qualified by reference thereto and is subject to the full text thereof.

Conditions of Settlement. The execution and delivery and purchase of the Certificates on the Settlement Date are subject to the satisfaction of certain conditions set forth in the Forward Delivery Certificate Purchase Agreement, including, among other things, the delivery to the Underwriter of certain documents and legal opinions in connection with the execution and delivery of the Forward Delivery

Certificate Purchase Agreement and this Official Statement on and as of a nominal closing date as specified in the Forward Delivery Certificate Purchase Agreement (the “Closing Date”), and thereafter the delivery to the Underwriter of certain additional documents and legal opinions, and the satisfaction of other conditions, on and as of the Settlement Date, including the delivery of (i) each of the Insurance Policy and the Reserve Policy in an amount equal to the initial Reserve Requirement, by the Insurer, and (ii) the policy of title insurance on the Property in the aggregate amount of not less than the initial aggregate amount of principal evidenced by the Certificates, and the delivery to the Underwriter of: (i) the opinion of Special Counsel, substantially in the form and to the effect set forth in Appendix C relating to the Certificates, (ii) the Updated Official Statement (as defined below), and (iii) written evidence satisfactory to the Underwriter that, as of the Settlement Date, S&P has rated the Certificates and Moody’s Investors Service has provided its underlying rating on the District (see “RATINGS” herein). Changes or proposed changes in federal or state laws, court decisions, regulations or proposed regulations or rulings of administrative agencies occurring or in effect prior to the Settlement Date or the failure by the District or the Corporation to provide closing documents of the type customarily required in connection with the issuance of state and local government tax-exempt bonds could prevent those conditions from being satisfied. None of the Certificates will be executed and delivered unless all of the Certificates are executed and delivered on the Settlement Date.

The Settlement and the execution and delivery of the Certificates will not require further approval of the Board of Trustees. The Settlement documents include, among other items, the opinion of Special Counsel in substantially the form set forth as Appendix C hereto and certain opinions of Special Counsel (see “Additional Risks Relating to Forward Delivery Period - Tax Law Risks” below), Disclosure Counsel and Underwriter’s Counsel, and certificates of the Corporation and the District as to the completeness and accuracy of the updated Official Statement (the “Updated Official Statement”) relating to the Certificates, which the Forward Delivery Certificate Purchase Agreement requires the District to prepare and furnish to the Underwriter, as such Updated Official Statement may have been supplemented and amended to the Settlement Date.

Official Statement and Updated Official Statement. During the period of time between the date of this Official Statement for the Certificates (the “Official Statement”) and the execution and delivery and delivery of the Certificates (the “Delayed Delivery Period”), certain information contained in this Official Statement could change in a material respect. The District has agreed (i) to provide an Updated Official Statement to purchasers of the Certificates, which shall be dated a date not more than two weeks prior to the Settlement Date, unless the Underwriter requests the District to prepare such document earlier, and gives the District at least 10 business days’ advance written notice of such request, and (ii) that the Updated Official Statement will not contain any untrue statement of a material fact or omit to state a material fact that is necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. Any changes in such information will not permit the Underwriter to terminate the Forward Delivery Certificate Purchase Agreement unless the change is an event described under “Termination of Forward Delivery Certificate Purchase Agreement” below. In addition to the risks set forth above, purchasers of the Certificates are subject to certain additional risks, some of which are described below.

Termination of Forward Delivery Certificate Purchase Agreement. The Underwriter has the right, between the date of the Forward Delivery Certificate Purchase Agreement and the Settlement Date, by written notice to the District, to cancel the Underwriter’s obligation to purchase the Certificates if, for any reason Special Counsel cannot deliver the opinion referenced above, or in the Underwriter’s sole and reasonable judgment, any of the following events occur during that time and cause the market price or marketability of the Certificates, or the ability of the Underwriter to enforce contracts for the sale of the Certificates, to be materially adversely affected:

- There shall have been a Change in Law. A “Change in Law” means (i) any change in or addition to applicable federal or state law, whether statutory or as interpreted by the courts

or by federal or state agencies, including any changes in or new rules, regulations or other pronouncements or interpretations by federal or state agencies; (ii) any legislation enacted by the Congress of the United States (if such enacted legislation has an effective date which is on or before the Settlement Date), (iii) any law, rule or regulation enacted by any governmental body, department or agency (if such enacted law, rule or regulation has an effective date which is on or before the Settlement Date) or (iv) any judgment, ruling or order issued by any court or administrative body, which in any such case would, (A) as to the Underwriter, prohibit the Underwriter from completing the underwriting of the Certificates or selling the Certificates or beneficial ownership interests therein to the public, or (B) as to the District and the Corporation, would make the completion of the execution, delivery, or sale of the Certificates illegal.

- As a result of any legislation, regulation, ruling, order, release, court decision or judgment or action by the U.S. Department of the Treasury, the Internal Revenue Service, or any agency of the State either enacted, issued, effective, adopted or proposed (but only with respect to any such proposed legislation, regulation, ruling, order, release, court decision or judgment or action that continues to be proposed as of the Settlement Date), or for any other reason Special Counsel cannot issue an opinion substantially in the form of Appendix C to this Official Statement as to the tax-exempt status of the Certificates.
- There shall have occurred (A) an outbreak or escalation of hostilities or the declaration by the United States of a national emergency or war or (B) any other calamity or crisis in the financial markets of the United States or elsewhere.
- A general suspension of trading on the New York Stock Exchange or other major exchange shall be in force, or minimum or maximum prices for trading shall have been fixed and be in force, or maximum ranges for prices for securities shall have been required and be in force on any such exchange, whether by virtue of determination by that exchange or by order of the U. S Securities and Exchange Commission (“SEC”) or any other governmental authority having jurisdiction.
- A general banking moratorium has been declared by federal, New York or State authorities and shall remain in effect.
- Legislation shall have been enacted by the Congress of the United States or shall have been favorably reported out of committee or be pending in committee, or shall have been recommended to the Congress for passage by the President of the United States, or a decision by a court of the United States shall be rendered, or a ruling, regulation, proposed regulation or statement by or on behalf of the SEC or other governmental agency having jurisdiction of the subject matter shall be made, to the effect that any obligations of the general character of the Certificates or the Ground Lease, the Lease Agreement, the Assignment Agreement, the Trust Agreement, or any comparable securities of the District, are not exempt from the registration, qualification or other requirements of the Securities Act of 1933, the Securities Exchange Act of 1934 or the Trust Indenture Act of 1939 or otherwise, or would be in violation of any provision of the federal securities laws.
- Any event or circumstance exists that either makes untrue or incorrect, in a material respect, any statement or information contained in the Updated Official Statement (as then updated or supplemented), or is not reflected in the Updated Official Statement (as then updated or supplemented) but should be reflected in the Updated Official Statement (as then updated or supplemented) in order to make the statements and information contained in the Updated Official Statement not misleading in any material respect and, in either such event, the District refuses to permit the Updated Official Statement to be supplemented to supply

such statement or information, or the effect of the Updated Official Statement as so supplemented is to materially adversely affect the market price or marketability of the Certificates or the ability of the Underwriter to enforce contracts for the sale of the Certificates.

- Additional material restrictions not in force as of the date of the Forward Delivery Certificate Purchase Agreement shall have been imposed upon trading in securities generally by any federal, State or New York governmental authority or by any United States national securities exchange.
- The New York Stock Exchange or other national securities exchange, or any governmental authority, shall impose as to the Certificates or securities of the general character of the Certificates any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by or the charge to the net capital requirements of the Underwriter.
- An event of default, technical or otherwise, under the 2010 Trust Agreement shall have occurred.
- The title insurance company fails to deliver the title insurance policy with respect to the Property.
- The District does not deliver a certification as of the Settlement Date to the effect that (A) the ratings on the Certificates delivered at and as of the Closing Date remains accurate or (B) the ratings on the Certificates at and as of the Settlement Date are as stated in such certification.

Forward Delivery Contract. The Underwriter reserves the right to obligate investors purchasing the Certificates to execute a Forward Delivery Contract (the “Forward Delivery Contract”) in substantially the form set forth in Appendix I. The Forward Delivery Contract provides that the purchaser will remain obligated to purchase the Certificates, even if the purchaser decides to sell the purchased Certificates following the date of the Forward Delivery Contract. Neither the District nor the Corporation will be a party to any Forward Delivery Contract, and neither is in any way responsible for the performance thereof or for any representations or warranties contained therein. The rights and obligations under the Forward Delivery Certificate Purchase Agreement are not conditioned or dependent upon the performance of any Forward Delivery Contract.

Additional Risks Relating to Forward Delivery Period

In addition to the risks set forth above and under “RISK FACTORS,” purchasers of the Certificates are subject to certain additional risks, some of which are described below.

Ratings Risk. No assurances can be given that the ratings assigned to the Certificates on the Settlement Date will not be different from those currently assigned to the Certificates. See “RATINGS”. The execution and delivery of the Certificates is not, and the Underwriter’s obligations under the Forward Delivery Certificate Purchase Agreement are not, conditioned upon the assignment of any particular ratings for the Certificates or the maintenance of the initial ratings of the Certificates.

Secondary Market Risk. The Underwriter is not obligated to make a secondary market for the Certificates and no assurance can be given that a secondary market will exist for the Certificates during the Forward Delivery or at any time thereafter. Prospective purchasers of the Certificates should assume that there will be no secondary market for the Certificates during the Forward Delivery Period.

Market Value Risk. The market value of the Certificates as of the Settlement Date may be affected by a variety of factors including, without limitation, general market conditions; the ratings on the Certificates, the financial condition and business operations of the District and federal and state tax, securities and other laws. The market value of the Certificates on the Settlement Date could therefore be higher or lower than the price to be paid by the initial purchasers of the Certificates, and that difference could be substantial. None of the Corporation, the District or the Underwriter makes any representation as to the expected market value of the Certificates as of the Settlement Date.

Tax Law Risks. Subject to the additional conditions of Settlement described above, the Forward Delivery Certificate Purchase Agreement obligates the Corporation and the District to cause the Trustee to deliver and the purchaser to acquire the Certificates if the District delivers an opinion of Special Counsel substantially in the form set forth in Appendix C or to the effect that the portion of each Base Rental Payment designated as and constituting interest paid by the District under the Lease Agreement and received by the Owners of the Certificates is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, the portion of each Base Rental Payment designated as and constituting interest paid by the District under the Lease Agreement and received by the Owners of the Certificates is not a specific preference item for purposes of the federal alternative minimum tax, and the portion of each Base Rental Payment designated as and constituting interest paid by the District under the Lease Agreement and received by the Owners of the Certificates is exempt from State of California personal income taxes. During the Delayed Delivery Period, new legislation, new court decisions, new regulations, or new rulings may be enacted, promulgated or interpreted that might prevent Special Counsel from rendering its opinion or otherwise affect the substance of such opinion. Notwithstanding that the enactment of new legislation, new court decisions or the promulgation of new regulations or rulings might diminish the value of, or otherwise affect, the exclusion from gross income of interest payable on “state or local bonds” (such as the Certificates) for federal income tax purposes, the Corporation and the District might be able to satisfy the requirements for the delivery of the Certificates. In such event, the purchasers would be required to accept delivery of the Certificates. Prospective purchasers are encouraged to consult their tax advisors regarding the likelihood of any changes in tax law and the consequences of such changes to such purchasers.

RISK FACTORS

The following factors, along with the other information in this Official Statement, should be considered by potential investors in evaluating the purchase of the Certificates. However, they do not purport to be an exhaustive listing of risks and other considerations which may be relevant to an investment in the Certificates. In addition, the order in which the following factors are presented is not intended to reflect the relative importance of any such risks.

General Considerations and Other Obligations

The obligation of the District to make the Base Rental Payments does not constitute a debt of the District or of the State or of any political subdivision thereof within the meaning of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the District or the State is obligated to levy or pledge any form of taxation or for which the District or the State has levied or pledged any form of taxation.

Although the Lease Agreement does not create a pledge, lien or encumbrance upon the funds of the District, the District is obligated under the Lease Agreement to pay the Base Rental Payments from any source of legally available funds and the District has covenanted in the Lease Agreement that it will take such action as may be necessary to include all Base Rental Payments in its annual budgets and to make necessary annual appropriations therefor. The District is currently liable and may become liable on other obligations payable from its general revenues, some of which may have a priority over the Base Rental Payments. See “DISTRICT HISTORY, OPERATION AND FINANCIAL INFORMATION – District Debt Structure” herein.

The District has the capacity to enter into other obligations which may constitute additional charges against its revenues. To the extent that additional obligations are incurred by the District, the funds available to make Base Rental Payments may be decreased. In the event the District’s revenue sources are less than its total obligations, the District could choose to fund other activities before making Base Rental Payments and other payments due under the Lease Agreement.

Abatement

In the event of substantial interference with the District’s right to use and occupy any portion of the Property by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, Rental Payments will be subject to abatement. See “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Abatement.” The Rental Payments shall be abated proportionately. In the event that such portion of the Property, if damaged or destroyed by an insured casualty, could not be replaced during the period of time in which proceeds of the District’s rental interruption insurance will be available in lieu of Base Rental Payments, plus the period for which funds are available from the Reserve Fund or other funds and accounts established under the Trust Agreement (including proceeds of the Insurance Policy), or in the event that casualty insurance proceeds or condemnation proceeds are insufficient to provide for complete repair or replacement of such portion of the Property or prepayment of the Certificates, there could be insufficient funds to make payments to Certificate Owners in full.

Absence of Earthquake and Flood Insurance

The District is not required under the Lease Agreement to maintain earthquake or flood insurance on the Property. See “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Insurance.” The District does not currently insure against the risks of earthquake or flood with respect to the Property and does not anticipate obtaining such insurance in the future. See “– Seismic Factors” below.

Limited Recourse on Default

If the District defaults on its obligations to make Base Rental Payments, the Trustee, as assignee of the Corporation, may (subject to the restrictions described below) retain the Lease Agreement and hold the District liable for all Base Rental Payments on an annual basis and will have the right to reenter and relet the Property. In the event such reletting occurs, the District would be liable for any resulting deficiency in Base Rental Payments. Alternatively, the Trustee may (subject to the restrictions described below) terminate the Lease Agreement with respect to the Property and proceed against the District to recover damages pursuant to the Lease Agreement.

The Lease Agreement provides that, so long as the Insurer is not in default under the Insurance Policy, the Insurer will control all remedies upon an event of default under the Lease Agreement.

Due to the specialized nature of the Property, no assurance can be given that the Trustee will be able to relet any portion of the Property so as to provide rental income sufficient to make payments of principal and interest evidenced by the Certificates in a timely manner, and the Trustee is not empowered to sell the Property for the benefit of the Owners of the Certificates. In addition, due to the governmental function of the Property, it is not certain whether a court would permit the exercise of the remedies of repossession and reletting with respect thereto. Any suit for money damages would be subject to limitations on legal remedies against school districts in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest. Moreover, there can be no assurance that such reletting will not adversely affect the exclusion of any interest component of Base Rental Payments evidenced by the Certificates from federal or state income taxation.

No Acceleration Upon Default

In the event of a default, there is no available remedy of acceleration of the Base Rental Payments due over the term of the Lease Agreement. The District will only be liable for Base Rental Payments on an annual basis, and the Trustee would be required to seek a separate judgment in each fiscal year for that fiscal year's Base Rental Payments.

Substitution or Release of Property

The Lease Agreement provides that, upon the consent of the Insurer and satisfaction of the other conditions specified therein, the District may release from the Lease Agreement any portion of the Property or substitute alternate real property for all or any portion of the Property. Thus, a portion of the property comprising the Property could be replaced with less valuable property, or could be released altogether. Such a replacement or release could have an adverse impact on the security for the Certificates, particularly if an event requiring abatement of Base Rental Payments were to occur subsequent to such substitution or release. See APPENDIX A – “SUMMARY OF PRINCIPAL LEGAL DOCUMENTS – THE LEASE AGREEMENT – No Consequential Damages; Use of the Property; Substitution or Release – Substitution or Release of the Property.”

Limitation on Remedies

The enforcement of any remedies provided in the Lease Agreement and the Trust Agreement could prove both expensive and time consuming. Although the Lease Agreement provides that if the District defaults the Trustee may reenter the Property and relet such Property, portions of the Property may not be easily recoverable, and even if recovered, could be of little value to others because of the Property's specialized nature. Additionally, the Trustee may have limited ability to relet the Property to provide a source of rental payments sufficient to pay the principal and interest evidenced by the Certificates. Furthermore, due to the governmental nature of the Property, it is not certain whether a court would permit the exercise of the remedy of reletting with respect thereto.

Alternatively, the Trustee may terminate the Lease Agreement and proceed against the District to recover damages pursuant to the Lease Agreement. Any suit for money damages would be subject to limitations on legal remedies against public agencies in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest.

The rights of the Owners of the Certificates are subject to certain limitations on legal remedies against governmental entities in the State, including but not limited to a limitation on enforcement against funds that are otherwise needed to serve the public welfare and interest. Additionally, the rights of the Owners of the Certificates may be subject to (i) bankruptcy, insolvency, reorganization, moratorium, or similar laws limiting or otherwise affecting the enforcement of creditors' rights generally (as such laws are now or hereafter may be in effect), (ii) equity principles (including but not limited to concepts of materiality, reasonableness, good faith and fair dealing) and the possible unavailability of specific performance or injunctive relief, regardless of whether considered in a proceeding in equity or law, (iii) the exercise by the United States of America of the powers delegated to it by the Constitution, and (iv) the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose. Under Chapter 9 of the Bankruptcy Code (Title 11, United States Code), which governs bankruptcy proceedings for public agencies, there are no involuntary petitions in bankruptcy. If the District were to file a petition under Chapter 9 of the Bankruptcy Code, the Owners, the Trustee and the Corporation could be prohibited or severely restricted from taking any steps to enforce their rights under the Lease Agreement and from taking any steps to collect amounts due from the District under the Lease Agreement. See "Bankruptcy" below.

Special Counsel has limited its opinion as to the enforceability of the Certificates and of the Trust Agreement to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium, or other similar laws affecting generally the enforcement of creditor's rights, by equitable principles and by the exercise of judicial discretion. Additionally, the Certificates are not subject to acceleration in the event of the breach of any covenant or duty under the Trust Agreement. The lack of availability of certain remedies or the limitation of remedies may entail risks of delay, limitation or modification of the rights of the Owners of the Certificates.

Bankruptcy

Generally. In addition to the limitations on remedies contained in the Lease Agreement and the Trust Agreement, the rights and remedies provided in the Lease Agreement and the Trust Agreement may be limited by and are subject to provisions of federal bankruptcy laws, as now or hereafter enacted, and to other laws or equitable principles that may affect the enforcement of creditors' rights.

The obligations of the Insurer under the Insurance Policy are contractual obligations and in an event of default by the Insurer, the rights and remedies available may be limited by and subject to provisions of federal bankruptcy laws, as now or hereafter enacted, and to other laws or equitable principles that may affect the enforcement of creditors' rights.

Bankruptcy of District. The District may be eligible to become a debtor in a Chapter 9 bankruptcy case. If the District were to go into bankruptcy, it may be able to reject the Ground Lease or the Lease Agreement or assume the Ground Lease or the Lease Agreement, despite any provision of the Ground Lease or the Lease Agreement that makes the bankruptcy or insolvency of the District an event of default thereunder.

If the District rejects the Lease Agreement, the District's obligation to pay Base Rental Payments and Additional Rental Payments will terminate. The Trustee on behalf of the Owners of the Certificates will have a claim for damages in the bankruptcy case, but this claim for damages may be significantly limited. While the Corporation may be able to recover possession of the Property and relet it, no assurance

can be given that the new lease will provide for the same level of payments as the Lease Agreement. The Owners of the Certificates could suffer substantial losses.

If the District rejects the Ground Lease, the rights of the Trustee and the Owners of the Certificates to receive Base Rental Payments and Additional Rental Payments may terminate, even if the District remains in possession of the Property. While the Trustee on behalf of the Owners of the Certificates may have a claim in the District's bankruptcy, this claim for damages may be significantly limited, and the Owners of the Certificates could suffer substantial losses.

If the District assumes the Lease Agreement, it may be able to assign it to a third party, notwithstanding the provisions of the transaction documents, and thereby replace the obligation of the District to pay Base Rental Payments and Additional Payments with the obligation of the third party assignee to make such payments. While there must be adequate assurances of the future performance of the assignee, that determination is made by the bankruptcy court, not the Trustee or the Owners of the Certificates, and the determination may turn out to have been wrong. There may be adverse tax consequences of such an assignment.

The District may be able to obtain authorization from the bankruptcy court to sell the Property to a third party, free and clear of the Ground Lease, the Lease Agreement, and the rights of the Trustee and the Owners of the Certificates. Under such circumstances, the Owners of the Certificates may suffer substantial losses.

The Trustee and the Owners of the Certificates would be prohibited from taking any action to enforce any of their rights or remedies against the District or its property, unless the permission of the bankruptcy court was first obtained. This could prevent the Trustee from making payments to the Owners of the Certificates from funds in the possession of the Trustee.

Actions could be taken in a bankruptcy of the District that could adversely affect the exclusion of interest evidenced by the Certificates from gross income for federal income tax purposes. In addition, there may be other possible effects of the bankruptcy of the District that could result in delays or reductions in payments of the principal and interest evidenced by the Certificates, or in other losses to the Owners of the Certificates.

Regardless of any specific adverse determinations in a bankruptcy case of the District, the fact of such a bankruptcy case could have an adverse effect on the liquidity and value of the Certificates.

Bankruptcy of Corporation. The Corporation is not a special-purpose bankruptcy-remote entity, and could become a debtor in a bankruptcy case. The District and the Corporation intend the assignment to the Trustee of all of Corporation's right, title, and interest to receive the Base Rental Payments and Additional Rental Payments to be an absolute sale and not the grant of a security interest in such property to secure a borrowing of the Corporation. Nonetheless, if the Corporation were to become a debtor in a bankruptcy case, and a party in interest (including the Corporation itself) was to take the position that the transfer of the Base Rental Payments and Additional Rental Payments to the Trustee should be recharacterized as the grant of a security interest in such property, then delays in payments on the Certificates could result. If a court were to adopt such position, then delays or reductions in payments evidenced by the Certificates, or other losses to the Owners of the Certificates, could result.

Because the Corporation is not assigning all its rights under the Ground Lease and the Lease Agreement to the Trustee, if the Corporation goes into bankruptcy, the Corporation may be able to obtain authorization from the bankruptcy court to sell to a third party all rights under the Ground Lease and the Lease Agreement, including the Base Rental Payments and Additional Rental Payments, free and clear of rights of the Trustee and the Owners of the Certificates. While the Trustee (and thus the Owners of the Certificates) should be entitled to receive the value of the Base Rental Payments and Additional Rental

Payments as determined by the bankruptcy court, the bankruptcy court's valuation may be substantially different than the value placed on such payments by the Owners of the Certificates, and the Owners of the Certificates may suffer a loss.

Similarly, because the Corporation is not assigning all its rights under the Ground Lease and the Lease Agreement, it may be able to reject the Ground Lease and the Lease Agreement despite any provision of the Ground Lease or the Lease Agreement which makes the bankruptcy or insolvency of the Corporation an event of default thereunder. If the Corporation rejects the Ground Lease or the Lease Agreement, the rights of the Trustee and the Owners of the Certificates to receive Base Rental Payments and Additional Rental Payments may be terminated. Under such circumstances, the Owners of the Certificates could suffer substantial losses, and any claim for damages may be significantly limited. In addition, the Corporation may be able to sell or assign its leasehold estate in the Property, notwithstanding the provisions of the transaction documents. It is possible that such a sale or assignment would result in the termination of the Lease Agreement. If the Lease Agreement does terminate, the District's obligation to pay Base Rental Payments and Additional Rental Payments would terminate. Under such circumstances, the Owners of the Certificates could suffer substantial losses.

The Trustee and the Owners of the Certificates would be prohibited from taking any action to enforce any of their rights or remedies against the Corporation or its property, unless the permission of the bankruptcy court was first obtained. This could prevent the Trustee from making payments to the Owners of the Certificates from funds in the possession of the Trustee. In addition, the provisions of the transaction documents that require the District to make payments directly to the Trustee, rather than to the Corporation, may no longer be enforceable, and all payments may be required to be made to the Corporation.

Actions could be taken in a bankruptcy case of the Corporation which could adversely affect the exclusion of interest evidenced by the Certificates from gross income for federal income tax purposes. In addition, there may be other possible effects of the bankruptcy of the Corporation that could result in delays or reductions in payments of the principal and interest evidenced by the Certificates, or in other losses to the Owners of the Certificates.

Regardless of any specific adverse determinations in a bankruptcy case of the Corporation, the fact of such a bankruptcy case could have an adverse effect on the liquidity and value of the Certificates.

Loss of Tax Exemption

As discussed under the heading "TAX MATTERS," certain acts or omissions of the District in violation of its covenants in the Trust Agreement and the Lease Agreement, as well as certain other matters, could result in the interest evidenced by the Certificates being includable in gross income for purposes of federal income taxation retroactive to the date of delivery of the Certificates. Should such an event of taxability occur, the Certificates would not be subject to a special prepayment and would remain Outstanding until maturity or until prepaid under the provisions contained in the Trust Agreement.

Hazardous Substances

The existence or discovery of hazardous materials may limit the beneficial use of the Property. In general, the owners and lessees of the Property may be required by law to remedy conditions of such parcel relating to release or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act," is the most well-known and widely applicable of these laws, but California laws with regard to hazardous substances are also similarly stringent. Under many of these laws, the owner or lessee is obligated to remedy a hazardous substance condition of the property whether or not the owner or lessee had anything to do with creating or handling the hazardous substance.

Further it is possible that the beneficial use of the Property may be limited in the future resulting from the current existence on the Property of a substance currently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the current existence on the Property of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method in which it is handled. All of these possibilities could significantly limit the beneficial use of the Property.

The District is unaware of the existence of hazardous substances on the Property sites which would materially interfere with the beneficial use thereof.

Seismic Factors

The District, like most regions in the State, and the Property are located in an area of seismic activity from movements along active fault zones and, therefore, could be subject to potentially destructive earthquakes. Additionally, numerous minor faults transect the area. Seismic hazards encompass both potential surface rupture and ground shaking. In addition, the District may be subject to unpredictable fires, or flooding in the wake of fires or in the event of unseasonable rainfall. The occurrence of severe seismic activity, fires or flooding in the area of the District could result in substantial damage and interference with the District's right to use and occupy all or a portion of the Property, which could result in the Base Rental Payments being subject to abatement. See “–Abatement” above. The District is not required by the Lease Agreement or otherwise to obtain or maintain earthquake insurance for the Property. See “SECURITY AND SOURCES OF PAYMENT FOR THE CERTIFICATES – Insurance.”

Economic Conditions in California

State income tax and other receipts can fluctuate significantly from year to year, depending on economic conditions in the State and the nation. Because much of the District's revenues derive from payments from the State, the District's revenues can vary significantly from year to year, even in the absence of significant education policy changes. Decreases in the State's general fund revenues may significantly affect appropriations made by the State to school districts, including the District. See “DISTRICT HISTORY, OPERATION AND FINANCIAL INFORMATION – State Funding of Education; State Budget Process” and “CONSTITUTIONAL AND STATUTORY PROVISIONS AFFECTING DISTRICT REVENUES AND APPROPRIATIONS.”

No Liability of Corporation to the Owners

Except as expressly provided in the Trust Agreement, the Corporation will not have any obligation or liability to the Owners of the Certificates with respect to the payment when due of the Base Rental Payments by the District, or with respect to the performance by the District of other agreements and covenants required to be performed by it contained in the Lease Agreement or the Trust Agreement, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained in the Trust Agreement.

Cyber Security Risk

The District, like many other public and private entities, relies on computer and other digital networks and systems to conduct its operations. As a recipient and provider of personal, private or other electronic sensitive information, the District is potentially subject to multiple cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to the District's systems for the purposes of misappropriating assets or information or causing operational disruption or damage. The

District has never had a major cyber breach that resulted in a financial loss. The District currently maintains insurance coverage for cyber security losses should a successful breach ever occur.

No assurance can be given that the District's efforts to manage cyber threats and attacks will, in all cases, be successful or that any such attack will not materially impact the operations or finances of the District. The District is also reliant on other entities and service providers, such as the County Treasurer for investment of funds, the Trustee in its role as Trustee, and Fieldman, Rolapp & Associates, Inc., doing business as Applied Best Practices, in its role the Dissemination Agent in connection with compliance with its disclosure undertakings. No assurance can be given that the District may not be affected by cyber threats and attacks against other entities or service providers in a manner which may affect the Certificates owners, e.g., systems related to the timeliness of payments to Certificates owners or compliance with disclosure filings pursuant to the Continuing Disclosure Certificate.

THE CORPORATION

The San Jacinto Unified School District School Facilities Corporation was incorporated on August 20, 1990, as a California nonprofit public benefit corporation. The Corporation was formed for the specific purposes of (i) providing financing assistance to the District by constructing, financing and leasing public facilities, land and equipment for the use and benefit for the District, (ii) acquiring by lease, purchase, installment purchase or otherwise real and personal property, including any interest therein; to enter into contracts for services or for other purposes; to construct, reconstruct, modify, add to, improve or otherwise acquire, modify and equip buildings, structures, equipment, facilities and improvements and (by sale, installment sale, lease, sublease, leaseback, gift or otherwise) make any part or all of any such real or personal property (and any interest therein) available to or for the benefit of the public, the District or any one or more departments, commissions or agencies of the District, and (iii) borrowing the necessary funds to pay the cost of financing, refinancing, acquiring, constructing, replacing, establishing, improving, maintaining, equipping and operating such real and personal property for the herein described purposes, the indebtedness for which borrowed money may, but need not, be evidenced by securities of the Corporation of any kind or character issued at any one or more times, which may be either unsecured or secured by any mortgage, trust deed, pledge, encumbrance or other lien upon any part or all of the properties and assets at any time then or thereafter owned or acquired by the Corporation. The directors of the Corporation receive no compensation. The Corporation has no financial liability to the Owners of the Certificates with respect to the payment of Base Rental Payments by the District or with respect to the performance by the District of the other agreements and covenants it is required to perform

The Corporation's articles of incorporation and by-laws empower the Corporation to act as lessee under the Ground Lease and lessor under the Lease Agreement.

DISTRICT HISTORY, OPERATION AND FINANCIAL INFORMATION

Introduction

The District was established in 1868 and unified in 1944. The District encompasses an area of approximately 100 square miles in the County and provides educational services to residents in nearly all of the City of San Jacinto and portions of the cities of Hemet, Beaumont and Moreno Valley, as well as certain unincorporated areas of the County.

The District provides public education services for grades K-12. The District currently operates seven kindergarten through fifth grade elementary schools, three sixth through eighth grade middle schools, one comprehensive ninth through twelfth grade high school, one alternative education ninth through twelfth grade high school, one home education program, one adult education school, five State of California preschools and one head start preschool. Total enrollment for the 2018-19 school year is 10,132 students and total enrollment for the 2019-20 school year is projected to be 10,132 students.

Unless otherwise indicated, the following financial, statistical and demographic data has been provided by the District. Additional information concerning the District and copies of the most recent and subsequent audited financial reports of the District may be obtained by contacting: San Jacinto Unified School District, 2045 S. San Jacinto Avenue, San Jacinto, California 92583, Attention: Assistant Superintendent, Business Services.

Board of Trustees

The governing board of the District is the Board of Trustees of the San Jacinto Unified School District (the “Board”). The Board consists of five members who are elected by geographic area to overlapping four-year terms at elections held every two years. If a vacancy arises during any term, the vacancy is filled by an appointment by the majority vote of the remaining board members and, if there is no majority, by a special election. Each December, the Board elects a President and a Clerk to serve one-year terms. The name, office and the month and year of the expiration of the current term of each member of the Board are described below.

State Funding of Education; State Budget Process

General. As is true for all school districts in California, the District's operating income consists primarily of two components: a State portion funded from the State's general fund in accordance with the Local Control Funding Formula (the "Local Control Funding Formula" or "LCFF") (see "– Allocation of State Funding to School Districts; Local Control Funding Formula" herein) and a local portion derived from the District's share of the 1% local *ad valorem* tax authorized by the State Constitution (see "– Local Sources of Education Funding" herein). In addition, school districts may be eligible for other special categorical funding from State and federal government programs. For fiscal year 2018-19, the District has projected to receive approximately \$97.2 million or approximately 73.7% of its general fund revenues from State funds (not including the local portion derived from the District's share of the local *ad valorem* tax). Such amount includes both the State funding provided under the LCFF as well as other State revenues (see "– Allocation of State Funding to School Districts; Local Control Funding Formula," "– Attendance and LCFF" and "– Other District Revenues – Other State Revenues" below). As a result, decreases or deferrals in State revenues, or in State legislative appropriations made to fund education, may significantly affect the District's revenues and operations, and, consequently, the District's ability to pay Base Rental Payments.

Under Proposition 98, a constitutional and statutory amendment adopted by the State's voters in 1988 and amended by Proposition 111 in 1990 (now found at Article XVI, Sections 8 and 8.5 of the Constitution), a minimum level of funding is guaranteed to school districts, community college districts, and other State agencies that provide direct elementary and secondary instructional programs. Recent years have seen frequent disruptions in State personal income taxes, sales and use taxes, and corporate taxes, making it increasingly difficult for the State to meet its Proposition 98 funding mandate, which normally commands about 45% of all State general fund revenues, while providing for other fixed State costs and priority programs and services. Because education funding constitutes such a large part of the State's general fund expenditures, it is generally at the center of annual budget negotiations and adjustments.

In connection with the State Budget Act for fiscal year 2013-14, the State and local education agencies therein implemented the LCFF. Funding from the LCFF replaced the revenue limit funding system and most categorical programs. See "– Allocation of State Funding to School Districts; Local Control Funding Formula" herein for more information.

State Budget Process. According to the State Constitution, the Governor must propose a budget to the State Legislature no later than January 10 of each year, and a final budget must be adopted no later than June 15. The budget requires a simple majority vote of each house of the State Legislature for passage. The budget becomes law upon the signature of the Governor, who may veto specific items of expenditure. A two-thirds vote of the State Legislature is required to override any veto by the Governor. School district budgets must generally be adopted by July 1, and revised by the school board within 45 days after the Governor signs the budget act to reflect any changes in budgeted revenues and expenditures made necessary by the adopted State budget. The Governor signed the fiscal year 2018-19 State budget on June 27, 2018. The Governor signed the fiscal year 2019-20 State budget on June 27, 2019, a brief summary of which is set forth below under the caption "2019-20 State Budget."

When the State budget is not adopted on time, basic appropriations and the categorical funding portion of each school district's State funding are affected differently. Under the rule of *White v. Davis* (also referred to as *Jarvis v. Connell*), a State Court of Appeal decision reached in 2002, there is no constitutional mandate for appropriations to school districts without an adopted budget or emergency appropriation, and funds for State programs cannot be disbursed by the State Controller until that time, unless the expenditure is (i) authorized by a continuing appropriation found in statute, (ii) mandated by the State Constitution (such as appropriations for salaries of elected State officers), or (iii) mandated by federal

law (such as payments to State workers at no more than minimum wage). The State Controller has consistently stated that basic State funding for schools is continuously appropriated by statute, but that special and categorical funds may not be appropriated without an adopted budget. Should the State Legislature fail to pass a budget or emergency appropriation before the start of any fiscal year, the District might experience delays in receiving certain expected revenues. The District is authorized to borrow temporary funds to cover its annual cash flow deficits, and as a result of the *White v. Davis* decision, the District might find it necessary to increase the size or frequency of its cash flow borrowings, or to borrow earlier in the fiscal year. The District does not expect the *White v. Davis* decision to have any long-term effect on its operating budgets.

Aggregate State Education Funding. The Proposition 98 guaranteed amount for education is based on prior-year funding, as adjusted through various formulas and tests that take into account State proceeds of taxes, local property tax proceeds, school enrollment, per-capita personal income, and other factors. The State's share of the guaranteed amount is based on State general fund tax proceeds and is not based on the general fund in total or on the State budget. The local share of the guaranteed amount is funded from local property taxes. The total guaranteed amount varies from year to year and throughout the stages of any given fiscal year's budget, from the Governor's initial budget proposal to actual expenditures to post-year-end revisions, as better information regarding the various factors becomes available. Over the long run, the guaranteed amount will increase as enrollment and per capita personal income grow.

If, at year-end, the guaranteed amount is calculated to be higher than the amount actually appropriated in that year, the difference becomes an additional education funding obligation, referred to as "settle-up." If the amount appropriated is higher than the guaranteed amount in any year, that higher funding level permanently increases the base guaranteed amount in future years. The Proposition 98 guaranteed amount is reduced in years when general fund revenue growth lags personal income growth, and may be suspended for one year at a time by enactment of an urgency statute. In either case, in subsequent years when State general fund revenues grow faster than personal income (or sooner, as the Legislature may determine), the funding level must be restored to the guaranteed amount, the obligation to do so being referred to as "maintenance factor."

Although the California Constitution requires the State to approve a balanced State Budget Act each fiscal year, the State's response to fiscal difficulties in some years has had a significant impact upon the Proposition 98 minimum guarantee and the treatment of settle-up payments with respect to years in which the Proposition 98 minimum guarantee was suspended. The State has sought to avoid or delay paying settle-up amounts when funding has lagged the guaranteed amount. In response, teachers' unions, the State Superintendent and others sued the State or Governor in 1995, 2005, 2009 and 2011 to force them to fund schools in the full amount required. The settlement of the 1995 and 2005 lawsuits has so far resulted in over \$4 billion in accrued State settle-up obligations. However, legislation enacted to pay down the obligations through additional education funding over time, including the Quality Education Investment Act of 2006, have also become part of annual budget negotiations, resulting in repeated adjustments and deferrals of the settle-up amounts.

The State has also sought to preserve general fund cash while avoiding increases in the base guaranteed amount through various mechanisms: by treating any excess appropriations as advances against subsequent years' Proposition 98 minimum funding levels rather than current year increases; by temporarily deferring apportionments of Proposition 98 funds from one fiscal year to the next; by permanently deferring apportionments of Proposition 98 funds from one fiscal year to the next; by suspending Proposition 98, as the State did in fiscal year 2004-05, fiscal year 2010-11, fiscal year 2011-12 and fiscal year 2012-13; and by proposing to amend the State Constitution's definition of the guaranteed amount and settle-up requirement under certain circumstances.

The District cannot predict how State income or State education funding will vary over the final Principal Payment Date of the Certificates, and the District takes no responsibility for informing owners of

the Certificates as to actions the State Legislature or Governor may take affecting the current year's budget after its adoption. Information about the State budget and State spending for education is regularly available at various State-maintained websites. 2018-19 State Budget. The Governor signed the fiscal year 2018-19 State Budget (the "2018-19 State Budget") on June 27, 2018. The 2018-19 State Budget set forth a balanced budget for fiscal year 2018-19 that projected approximately \$133.33 billion in revenues, and \$83.82 billion in non-Proposition 98 expenditures and \$54.87 billion in Proposition 98 expenditures. The 2018-19 State Budget included a \$1.96 billion reserve in the Special Fund for Economic Uncertainties. The 2018-19 State Budget used dedicated proceeds from Proposition 2 to pay down approximately \$1.75 billion in past budgetary borrowing and State employee pension liabilities. The 2018-19 State Budget included total funding of \$97.2 billion (\$56.1 billion State general fund and \$41.1 billion other funds) for all kindergarten through grade 12 ("K-12") education programs. The 2018-19 State Budget provided \$3.7 billion in new funding for the LCFF, which fully implements the school district and charter school formula two years earlier than originally scheduled, including both a 2.71% cost of living adjustment and an additional \$570 million above the cost of living adjustment as an ongoing increase to the formula. The 2018-19 State Budget also provided \$300 million one-time Proposition 98 State general fund resources for the Low-Performing Students Block Grant, to provide resources in addition to LCFF funds to local educational agencies with students who perform at the lowest levels on the State's academic assessments and do not generate supplemental LCFF funds or State or federal special education resources.

The complete 2018-19 State Budget is available from the California Department of Finance website at www.dof.ca.gov. Proposed 2019-20 State Budget. The Governor released his proposed State budget for fiscal year 2019-20 (the "Proposed 2019-20 State Budget") on January 10, 2019. Thereafter, the Governor released the May Revision to the proposed fiscal year 2019-20 State budget (the "2019-20 May Revision") on May 9, 2019. The complete Proposed 2019-20 State Budget and the 2019-20 May Revision are each available from the California Department of Finance website at www.dof.ca.gov. A review of the Proposed 2019-20 State Budget and the 2019-20 May Revision were made by the Legislative Analyst's Office ("LAO"), a nonpartisan State office which provides fiscal and policy information and advice to the State Legislature. The LAO released its report on the Proposed 2019-20 State Budget entitled "The 2019-20 Budget: Overview of the Governor's Budget" on January 14, 2019 (the "2019-20 Proposed Budget Overview"). In the 2019-20 Proposed Budget Overview, the LAO summarizes the condition of the Proposed 2019-20 State Budget in light of uncertainties such as market volatility, rising costs and risk of recession. The LAO also highlights key features of the Proposed 2019-20 State Budget, which include prioritizing debt repayments and one-time programmatic spending and the early introduction of new policy goals. The LAO released its analyses of the education proposals included in the 2019-20 May Revision entitled, "Overview of the May Revision Proposition 98 Package" on May 13, 2019 and "The 2019-20 May Revision: Analysis of the May Revision Education Proposals" on May 15, 2019 (together, the "May Revision Analysis"). The 2019-20 Proposed Budget Overview and the May Revision Analysis are each available on the LAO website at www.lao.ca.gov.

2019-20 State Budget. The Governor signed the fiscal year 2019-20 State Budget (the “2019-20 State Budget”) on June 27, 2019. The 2019-20 State Budget sets forth a balanced budget for fiscal year 2019-20 that projects approximately \$143.8 billion in revenues, and \$91.9 billion in non-Proposition 98 expenditures and \$55.9 billion in Proposition 98 expenditures. The 2019-20 State Budget includes a \$1.4 billion reserve in the Special Fund for Economic Uncertainties. To provide immediate and long-term relief to school districts facing rising pension costs, the 2019-20 State Budget includes a \$3.15 billion non-Proposition 98 General Fund payment to the California State Teachers’ Retirement System (“CalSTRS”) and the California Public Employees’ Retirement System (“CalPERS”) Schools Pool. Of this amount, an estimated \$850 million will buy down the employer contribution rates in fiscal years 2019-20 and 2020-21. The 2019-20 State Budget includes total funding of \$103.4 billion (\$58.8 billion General Fund and \$44.6 billion other funds) for all K-12 education programs. The 2019-20 State Budget provides \$1.9 billion in new Proposition 98 funding for the LCFF, reflecting a 3.26% cost of living adjustment.

Certain budgeted adjustments for K-12 education set forth in the 2019-20 State Budget include the following:

- Special Education. The 2019-20 State Budget includes \$645.3 million ongoing Proposition 98 General Fund resources for special education, including \$152.6 million to provide for all Special Education Local Plan Areas with at least the statewide target rate for base special education funding, and \$492.7 million allocated based on the number of children ages 3 to 5 years with exceptional needs that the school district is serving.
- After School Education and Safety Program. The 2019-20 State Budget includes \$50 million ongoing Proposition 98 General Fund resources to provide an increase of approximately 8.3% to the per-pupil daily rate for the After School Education and Safety Program.
- Longitudinal Data System. The 2019-20 State Budget includes \$10 million one-time non-Proposition 98 General Fund resources to plan and develop a longitudinal data system to improve coordination across data systems and better track the impacts of state investments on achieving educational goals.
- Retaining and Supporting Well-Prepared Educators. The 2019-20 State Budget includes \$89.8 million one-time non-Proposition 98 General Fund resources to provide up to 4,487 grants of \$20,000 for students enrolled in a professional teacher preparation program who commit to working in a high-need field at a priority school for at least four years. The 2019-20 State Budget also includes \$43.8 million one-time non-Proposition 98 General Fund resources to provide training and resources for classroom educators, including teachers and paraprofessionals, to build capacity around key state priorities. Finally, the 2019-20 State Budget includes \$13.8 million ongoing federal funds to establish the 21st Century California Leadership Academy, to provide professional learning opportunities for public K-12 administrators and school leaders to acquire the knowledge, skills, and competencies necessary to successfully support the diverse student population served in California public schools.
- Broadband Infrastructure. The 2019-20 State Budget includes \$7.5 million one-time non-Proposition 98 General Fund resources to assist school districts in need of infrastructure and updates to meet the growing bandwidth needs of digital learning.

- School Facilities Bond Funds. The 2019-20 State Budget assumes \$1.5 billion Proposition 51 bond funds, an increase of \$906 million over the prior year, to support school construction projects.
- Full-Day Kindergarten. The 2019-20 State Budget includes \$300 million one-time non-Proposition 98 General Fund resources to construct new or retrofit existing facilities to support full-day kindergarten programs, which will increase participation in kindergarten by addressing barriers to access.
- Proposition 98 Settle-Up. The 2019-20 State Budget includes an increase of \$686.6 million for K-12 schools and community colleges to pay the balance of past year Proposition 98 funding owed through 2017-18.
- Classified School Employees Summer Assistance Program. The 2019-20 State Budget includes an increase of \$36 million one-time Proposition 98 General Fund resources to provide an additional year of funding for the Classified School Employees Summer Assistance Program, which provides a state match for classified employee savings used to provide income during summer months.
- Wildfire-Related Cost Adjustments. The 2019-20 State Budget includes an increase of \$2 million one-time Proposition 98 General Fund resources to reflect adjustments in the estimate for property tax backfill for basic aid school districts impacted by 2017 and 2018 wildfires. Additionally, the 2019-20 State Budget includes an increase of \$727,000 one-time Proposition 98 General Fund resources to reflect adjustments to the State's student nutrition programs resulting from wildfire-related losses. Further, the 2019-20 State Budget holds both school districts and charter schools impacted by the wildfires harmless for State funding for two years.

The complete 2019-20 State Budget is available from the California Department of Finance website at www.dof.ca.gov. The District can take no responsibility for the continued accuracy of this internet address or for the accuracy, completeness or timeliness of information posted therein, and such information is not incorporated herein by such reference.

Changes in State Budget. The Governor signed the 2019-20 State Budget on June 27, 2019. The District cannot predict the impact that the final fiscal year 2019-20 State budget, or subsequent budgets, will have on its finances and operations. The final fiscal year 2019-20 State budget may be affected by national and State economic conditions and other factors which the District cannot predict.

Future Budgets and Budgetary Actions. The District cannot predict what future actions will be taken by the State Legislature and the Governor to address changing State revenues and expenditures or the impact such actions will have on State revenues available in the current or future years for education. The State budget will be affected by national and State economic conditions and other factors beyond the District's ability to predict or control. Certain actions could result in a significant shortfall of revenue and cash, and could impair the State's ability to fund schools during fiscal year 2019-20 and in future fiscal years. Certain factors, like an economic recession, could result in State budget shortfalls in any fiscal year and could have a material adverse financial impact on the District.

Prohibitions on Diverting Local Revenues for State Purposes. Beginning in 1992-93, the State satisfied a portion of its Proposition 98 obligations by shifting part of the property tax revenues otherwise belonging to cities, counties, special districts, and redevelopment agencies, to school and community college districts through a local Educational Revenue Augmentation Fund ("ERAF") in each county. Local agencies, objecting to invasions of their local revenues by the State, sponsored a statewide ballot initiative intended to eliminate the practice. In response, the State Legislature proposed an amendment to the State

Constitution, which the State's voters approved as Proposition 1A at the November 2004 election. That measure was generally superseded by the passage of an initiative constitutional amendment at the November 2010 election, known as "Proposition 22."

The effect of Proposition 22 is to prohibit the State, even during a period of severe fiscal hardship, from delaying the distribution of tax revenues for transportation, redevelopment, or local government projects and services. It prevents the State from redirecting redevelopment agency property tax increment to any other local government, including school districts, or from temporarily shifting property taxes from cities, counties and special districts to schools, as in the ERAF program. This is intended to, among other things, stabilize local government revenue sources by restricting the State's control over local property taxes. One effect of this amendment has been to deprive the State of fuel tax revenues to pay debt service on most State bonds for transportation projects, reducing the amount of State general fund resources available for other purposes, including education.

Prior to the passage of Proposition 22, the State invoked Proposition 1A to divert \$1.935 billion in local property tax revenues in 2009-10 from cities, counties, and special districts to the State to offset State general fund spending for education and other programs, and included another diversion in the adopted 2009-10 State budget of \$1.7 billion in local property tax revenues from local redevelopment agencies, which local redevelopment agencies have now been dissolved (see "CONSTITUTIONAL AND STATUTORY PROVISIONS AFFECTING DISTRICT REVENUES AND APPROPRIATIONS – Assembly Bill No. 26 & California Redevelopment Association v. Matosantos" herein). Redevelopment agencies had sued the State over this latter diversion. However, the lawsuit was decided against the California Redevelopment Association on May 1, 2010. Because Proposition 22 reduces the State's authority to use or shift certain revenue sources, fees and taxes for State general fund purposes, the State will have to take other actions to balance its budget in some years—such as reducing State spending or increasing State taxes, and school and community college districts that receive Proposition 98 or other funding from the State will be more directly dependent upon the State's general fund.

Allocation of State Funding to School Districts; Local Control Funding Formula. Prior to the implementation of the Local Control Funding Formula in fiscal year 2013-14, under California Education Code Section 42238 and following, each school district was determined to have a target funding level: a "base revenue limit" per student multiplied by the district's student enrollment measured in units of average daily attendance. The base revenue limit was calculated from the district's prior-year funding level, as adjusted for a number of factors, such as inflation, special or increased instructional needs and costs, employee retirement costs, especially low enrollment, increased pupil transportation costs, etc. Generally, the amount of State funding allocated to each school district was the amount needed to reach that district's base revenue limit after taking into account certain other revenues, in particular, locally generated property taxes. This is referred to as State "equalization aid." To the extent local tax revenues increased due to growth in local property assessed valuation, the additional revenue was offset by a decline in the State's contribution; ultimately, a school district whose local property tax revenues exceeded its base revenue limit was entitled to receive no State equalization aid, and received only its special categorical aid, which is deemed to include the "basic aid" of \$120 per student per year guaranteed by Article IX, Section 6 of the Constitution. Such districts were known as "basic aid districts," which are now referred to as "community funded districts." School districts that received some equalization aid were commonly referred to as "revenue limit districts," which are now referred to as "LCFF districts." The District is an LCFF district.

Beginning in fiscal year 2013-14, the LCFF replaced the revenue limit funding system and most categorical programs, and distributes combined resources to school districts through a base grant ("Base Grant") per unit of average daily attendance ("A.D.A.") with additional supplemental funding (the "Supplemental Grant") allocated to local educational agencies based on their proportion of English language learners, students from low-income families and foster youth. The LCFF was projected to have an eight year implementation program to incrementally close the gap between actual funding and the target

level of funding, as described below, but achieved full implementation ahead of schedule in fiscal year 2018-19. The LCFF includes the following components:

- A Base Grant for each local education agency (“LEA”). The Base Grants are based on four uniform, grade-span base rates. For fiscal year 2018-19, the LCFF provided to school districts and charter schools: (a) a Target Base Grant for each LEA equivalent to \$8,235 per A.D.A. for kindergarten through grade 3; (b) a Target Base Grant for each LEA equivalent to \$7,571 per A.D.A. for grades 4 through 6; (c) a Target Base Grant for each LEA equivalent to \$7,796 per A.D.A. for grades 7 and 8; and (d) a Target Base Grant for each LEA equivalent to \$9,269 per A.D.A. for grades 9 through 12. However, the amount of actual funding allocated to the Base Grant, Supplemental Grants and Concentration Grants will be subject to the discretion of the State. This amount includes an adjustment of 10.4% to the Base Grant to support lowering class sizes in grades K-3, and an adjustment of 2.6% to reflect the cost of operating career technical education programs in grades 9-12. Further, this amount also includes the higher costs-of-living adjustment of 3.70% authorized by the 2018-19 State Budget, which is known as “super COLA.”
- A 20% Supplemental Grant for the unduplicated number of English language learners, students from low-income families and foster youth to reflect increased costs associated with educating those students.
- An additional Concentration Grant of up to 50% of a LEA’s Base Grant, based on the number of English language learners, students from low-income families and foster youth served by the LEA that comprise more than 55% of enrollment.
- An Economic Recovery Target (the “ERT”) that is intended to ensure that almost every LEA receives at least their pre-recession funding level (i.e., the fiscal year 2007-08 revenue limit per unit of A.D.A.), adjusted for inflation, at full implementation of the LCFF in fiscal year 2018-19. Upon full implementation in fiscal year 2018-19, LEAs now receive the greater of the Base Grant or the ERT.

Under LCFF, for community funded districts, local property tax revenues would be used to offset up to the entire allocation under the new formula. However, community funded districts would continue to receive the same level of State aid as allocated in fiscal year 2012-13.

Local Control Accountability Plans. A feature of the LCFF is a system of support and intervention for local educational agencies. School districts, county offices of education and charter schools are required to develop, implement and annually update a three-year LCAP. Each LCAP must be developed with input from teachers, parents and the community, and should describe local goals as they pertain to eight areas identified as state priorities, including student achievement, parent engagement and school climate, as well as detail a course of action to attain those goals. Moreover, the LCAPs must be designed to align with the district’s budget to ensure adequate funding is allocated for the planned actions.

Each school district must submit its LCAP annually on or before July 1 for approval by its county superintendent. The county superintendent then has until August 15 to seek clarification regarding the contents of the LCAP, and the school district must respond in writing. The county superintendent can submit recommendations for amending the LCAP, and such recommendations must be considered, but are not mandatory. A school district’s LCAP must be approved by its county superintendent by October 8 of each year if such superintendent finds (i) the LCAP adheres to the State template, and (ii) the district’s budgeted expenditures are sufficient to implement the strategies outlined in the LCAP.

Performance evaluations are to be conducted to assess progress toward goals and guide future actions. County superintendents are expected to review and provide support to the school districts under

their jurisdiction, while the State Superintendent of Public Instruction performs a corresponding role for county offices of education. The California Collaborative for Education Excellence (the “Collaborative”), a newly established body of educational specialists, was created to advise and assist local education agencies in achieving the goals identified in their LCAPs. For local education agencies that continue to struggle in meeting their goals, and when the Collaborative indicates that additional intervention is needed, the State Superintendent of Public Instruction would have authority to make changes to a local education agency’s LCAP.

Attendance and LCFF. The following table sets forth the District’s actual and budgeted A.D.A., enrollment (including percentage of students who are English language learners, from low-income families and/or foster youth (collectively, “EL/LI Students”), and targeted Base Grant per unit of A.D.A. for fiscal years 2013-14 through 2018-19. The A.D.A. and enrollment numbers reflected in the following table include special education but exclude adult education.

For purposes of calculating Supplemental and Concentration Grants, a school district's fiscal year 2013-14 percentage of unduplicated EL/LI Students was expressed solely as a percentage of its fiscal year 2013-14 total enrollment. For fiscal year 2014-15, the percentage of unduplicated EL/LI Students enrollment was based on the two-year average of EL/LI Students enrollment in fiscal years 2013-14 and 2014-15. Beginning in fiscal year 2015-16, a school district's percentage of unduplicated EL/LI Students was based on a rolling average of such school district's EL/LI Students enrollment for the then-current fiscal year and the two immediately preceding fiscal years.

However, the LCFE is now fully implemented as of the current fiscal year 2018-19, two years ahead of its anticipated implementation.

Source: San Jacinto Unified School District.

The District received approximately \$100.02 million in aggregate revenues reported under LCFE sources in fiscal year 2017-18, and has projected to receive approximately \$104.9 million in aggregate revenues under the LCFE in fiscal year 2018-19 (or approximately 79.36% of its general fund revenues in fiscal year 2018-19). Such amount includes supplemental grants and concentration grants projected to be approximately \$24,083,095 in fiscal year 2018-19.

After years of growth in A.D.A., the District is projecting a modest decline in A.D.A. in the near term. One or two charter schools are projected to expand or commence operations within the territory of the District, and the District expects to begin to experience what most school district have been experiencing as a result of a general decline in population growth.

Local Sources of Education Funding

The principal component of local revenues is a school district's property tax revenues, i.e., each district's share of the local 1% property tax, received pursuant to Sections 75 and following and Sections 95 and following of the California Revenue and Taxation Code. California Education Code Section 42238(h) itemizes the local revenues that are counted towards the amount allocated under the LCFF (and formerly, the base revenue limit) before calculating how much the State must provide in State aid. The more local property taxes a district receives, the less State aid it is entitled to receive. Prior to the implementation of the LCFF, a school district whose local property tax revenues exceeded its base revenue limit was entitled to receive no State aid, and received only its special categorical aid which is deemed to include the "basic aid" of \$120 per student per year guaranteed by Article IX, Section 6 of the Constitution. Such districts were known as "basic aid districts," which are now referred to as "community funded districts." School districts that received some State equalization aid were commonly referred to as "revenue limit districts." The District was a revenue limit district and is now referred to as an LCFF district.

Under the LCFF, local property tax revenues are used to offset up to the entire State aid collection under the new formula; however, community funded districts would continue to receive, at a minimum, the same level of State aid as allotted in fiscal year 2012-13. See "State Funding of Education; State Budget Process - Allocation of State Funding to School Districts; Local Control Funding Formula" herein for more information about the LCFF.

Local property tax revenues account for approximately 9.11% of the District's aggregate revenues reported under LCFF sources and are projected to be approximately \$9.66 million, or 7.39% of total general fund revenues in fiscal year 2018-19.

For information about the property taxation system in California and the District's property tax base, see "DISTRICT HISTORY, OPERATION AND FINANCIAL INFORMATION – Local Property Taxation – Assessed Valuation of Property Within District."

For a discussion of legal limitations on the ability of the District to raise revenues through local property taxes, see "CONSTITUTIONAL AND STATUTORY PROVISIONS AFFECTING DISTRICT REVENUES AND APPROPRIATIONS" below.

Effect of Changes in Enrollment. Changes in local property tax income and A.D.A. affect LCFF districts and community funded districts differently.

In an LCFF district, like the District, increasing enrollment increases the total amount distributed under the LCFF and thus generally increases a district's entitlement to State equalization aid, while increases in property taxes do nothing to increase district revenues, but only offset the State funding requirement of equalization aid. Operating costs increase disproportionately slowly to enrollment growth; and only at the point where additional teachers and classroom facilities are needed. Declining enrollment has the reverse effect on LCFF districts, generally resulting in a loss of State equalization aid, while operating costs decrease slowly and only when, for example, the district decides to lay off teachers or close schools.

In community funded districts, the opposite is generally true: increasing enrollment increases the amount to which the district would be entitled were it an LCFF district, but since all LCFF income (and more) is already generated by local property taxes, there is no increase in State income. Meanwhile, as new

students impose increased operating costs, property tax income is stretched further. Declining enrollment does not reduce property tax income, and has a negligible impact on State aid, but eventually reduces operating costs, and thus can be financially beneficial to a community funded district.

Other District Revenues

Federal Revenues. The federal government provides funding for several District programs, including special education programs. Federal revenues, most of which are restricted, comprise approximately 6.91% (or approximately \$9.03 million) of the District's general fund projected revenues for fiscal year 2018-19.

Other State Revenues. In addition to State apportionments for Proposition 98 funding through the Local Control Funding Formula, the District receives other State revenues, consisting primarily of restricted revenues designed to implement State mandated programs. Beginning in fiscal year 2013-14, categorical spending restrictions associated with a majority of State mandated programs were eliminated, and funding for these programs was folded into the LCFF. Categorical funding for certain programs was excluded from the LCFF, and school districts will continue to receive restricted State revenues to fund these programs. Other State revenues comprise approximately 8.45% (or approximately \$11.05 million) of the District's general fund projected revenues for fiscal year 2018-19.

A portion of such other State revenues are amounts the District expects to receive from State lottery funds, a portion of which may not be used for non-instructional purposes, such as the acquisition of real property, the construction of facilities, or the financing of research. School districts receive lottery funds proportional to their total A.D.A. The District's State lottery revenue is projected at approximately \$1.99 million for fiscal year 2018-19.

Other Local Revenues. In addition to *ad valorem* property taxes, the District receives additional local revenues from sources such as interest income, leases and rentals, educational foundations, donations and sales of property. Other local revenues comprise approximately 5.28% (or approximately \$6.90 million) of the District's general fund projected revenues for fiscal year 2018-19.

Charter Schools

Charter schools are largely independent schools operating as part of the public school system created pursuant to Part 26.8 (beginning with Section 47600) of Division 4 of Title 2 of the California Education Code (the "Charter School Law"). A charter school is usually created or organized by a group of teachers, parents and community leaders, or a community-based organization, and may be approved by an existing local public school district, a county board of education or the State Board of Education. A charter school is generally exempt from the laws governing school districts, except where specifically noted in the law. The Charter School Law acknowledges that among its intended purposes are to (a) provide parents and students with expanded choices in the types of educational opportunities that are available within the public school system, (b) hold schools accountable for meeting measurable pupil outcomes and provide schools a way to shift from a rule-based to a performance-based system of accountability, and (c) provide competition within the public school system to stimulate improvements in all public schools.

A school district has certain fiscal oversight and other responsibilities with respect to both dependent and independent charter schools. However, independent charter schools that receive their funding directly from the State are generally not included in a school district's financial reports and audited financial statements and function like independent agencies, including having control over their staffing and budgets, which are received directly from the State. Dependent charter schools receive their funding from the school district and would generally be included in the school district's financial reports and audited financial statements.

There is currently one District-authorized, independent charter school, San Jacinto Valley Academy, operating within the District. San Jacinto Valley Academy serves grades K-12 and began operating in 1997. Enrollment for fiscal years 2016-17 and 2017-18 was 1,369 and 1,435, respectively. The District projects enrollment for fiscal year 2018-19 to be 1,456. The District cannot provide any assurances whether additional charter schools will be established within the territory of the District, or as to the impact these or other charter school developments may have on the District's finances in future years.

Local Property Taxation

Taxable property located in the District has a 2018-19 assessed value of \$3,099,865,066. All property (real, personal and intangible) is taxable unless an exemption is granted by the California Constitution or United States law. Under the State Constitution, exempt classes of property include household and personal effects, intangible personal property (such as bank accounts, stocks and bonds), business inventories, and property used for religious, hospital, scientific and charitable purposes. The State Legislature may create additional exemptions for personal property, but not for real property. Most taxable property is assessed by the assessor of the county in which the property is located. Some special classes of property are assessed by the State Board of Equalization, as described under the heading, “–State-Assessed Property” below.

Taxes are levied for each fiscal year on taxable real and personal property assessed as of the preceding January 1, at which time the lien attaches. The assessed value is required to be adjusted during the course of the year when property changes ownership or new construction is completed. State law also affords an appeal procedure to taxpayers who disagree with the assessed value of any property. When necessitated by changes in assessed value during the course of a year, a supplemental assessment is prepared so that taxes can be levied on the new assessed value before the next regular assessment roll is completed. See “—Appeals of Assessed Valuation; Blanket Reductions of Assessed Values” below.

State-Assessed Property. Under the State Constitution, the State Board of Equalization assesses property of State-regulated transportation and communications utilities, including railways, telephone and telegraph companies, and companies transmitting or selling gas or electricity. The Board of Equalization also is required to assess pipelines, flumes, canals and aqueducts lying within two or more counties. The value of property assessed by the Board of Equalization is allocated by a formula to local jurisdictions in the county, including school districts, and taxed by the local county tax officials in the same manner as for locally assessed property. Taxes on privately owned railway cars, however, are levied and collected directly by the Board of Equalization. Property used in the generation of electricity by a company that does not also transmit or sell that electricity is taxed locally instead of by the Board of Equalization. Thus, the reorganization of regulated utilities and the transfer of electricity-generating property to non-utility companies, as often occurred under electric power deregulation in California, affects how those assets are assessed, and which local agencies benefit from the property taxes derived. In general, the transfer of State-assessed property located in the District to non-utility companies will increase the assessed value of property in the District, since the property's value will no longer be divided among all taxing jurisdictions in the County. The transfer of property located and taxed in the District to a State-assessed utility will have the opposite effect: generally reducing the assessed value in the District, as the value is shared among the other jurisdictions in the County. The District is unable to predict future transfers of State-assessed property in the District and the County, the impact of such transfers on its utility property tax revenues, or whether future legislation or litigation may affect ownership of utility assets, the State's methods of assessing utility property, or the method by which tax revenues of utility property is allocated to local taxing agencies, including the District.

Classification of Locally Taxed Property. Locally taxed property is classified either as “secured” or “unsecured,” and is listed accordingly on separate parts of the assessment roll. The “secured roll” is that part of the assessment roll containing State-assessed property and property (real or personal) for which there is a lien on real property sufficient, in the opinion of the county assessor, to secure payment of the

taxes. All other property is “unsecured,” and is assessed on the “unsecured roll.” Secured property assessed by the State Board of Equalization is commonly identified for taxation purposes as “utility” property.

Assessments may be adjusted during the course of the year when real property changes ownership or new construction is completed. Assessments may also be appealed by taxpayers seeking a reduction as a result of economic and other factors beyond the District’s control, such as a general market decline in land values, reclassification of property to a class exempt from taxation, whether by ownership or use (such as exemptions for property owned by State and local agencies and property used for qualified educational, hospital, charitable or religious purposes), or the complete or partial destruction of taxable property caused by natural or manmade disaster, such as earthquake, flood, fire, toxic dumping, etc. When necessitated by changes in assessed value in the course of a year, taxes are pro-rated for each portion of the tax year. See also “–Appeals of Assessed Valuation; Blanket Reductions of Assessed Values” below.

Appeals of Assessed Valuation; Blanket Reductions of Assessed Values. There are two basic types of property tax assessment appeals provided for under State law. The first type of appeal, commonly referred to as a base year assessment appeal, involves a dispute on the valuation assigned by the assessor immediately subsequent to an instance of a change in ownership or completion of new construction. If the base year value assigned by the assessor is reduced, the valuation of the property cannot increase in subsequent years more than 2% annually unless and until another change in ownership and/or additional new construction or reconstruction activity occurs.

The second type of appeal, commonly referred to as a Proposition 8 appeal (which Proposition 8 was approved by the voters in 1978), can result if factors occur causing a decline in the market value of the property to a level below the property’s then current taxable value (escalated base year value). Pursuant to State law, a property owner may apply for a Proposition 8 reduction of the property tax assessment for such owner’s property by filing a written application, in the form prescribed by the State Board of Equalization, with the appropriate county board of equalization or assessment appeals board. A property owner desiring a Proposition 8 reduction of the assessed value of such owner’s property in any one year must submit an

application to the county assessment appeals board (the “Appeals Board”). Following a review of the application by the county assessor’s office, the county assessor may offer to the property owner the opportunity to stipulate to a reduced assessment, or may confirm the assessment. If no stipulation is agreed to, and the applicant elects to pursue the appeal, the matter is brought before the Appeals Board (or, in some cases, a hearing examiner) for a hearing and decision. The Appeals Board generally is required to determine the outcome of appeals within two years of each appeal’s filing date. Any reduction in the assessment ultimately granted applies only to the year for which application is made and during which the written application is filed. The assessed value increases to its pre-reduction level (such pre-reduction level escalated to the inflation rate of no more than 2%) following the year for which the reduction application is filed. However, the county assessor has the power to grant a reduction not only for the year for which application was originally made, but also for the then current year and any intervening years as well. In practice, such a reduced assessment may and often does remain in effect beyond the year in which it is granted.

In addition, Article XIII A of the State Constitution provides that the full cash value base of real property used in determining taxable value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year, or may be reduced to reflect a reduction in the consumer price index or comparable local data. This measure is computed on a calendar year basis. According to representatives of the County assessor’s office, the County has in the past, pursuant to Article XIII A of the State Constitution, ordered blanket reductions of assessed property values and corresponding property tax bills on single family residential properties when the value of the property has declined below the current assessed value as calculated by the County.

No assurance can be given that property tax appeals and/or blanket reductions of assessed property values will not significantly reduce the assessed valuation of property within the District in the future.

See “CONSTITUTIONAL AND STATUTORY PROVISIONS AFFECTING DISTRICT REVENUES AND APPROPRIATIONS – Limitations on Revenues” for a discussion of other limitations on the valuation of real property with respect to *ad valorem* taxes.

The more property (by assessed value) owned by a single taxpayer, the more tax collections are exposed to weakness in the taxpayer's financial situation and ability or willingness to pay property taxes. Furthermore, assessments may be appealed by taxpayers seeking a reduction as a result of economic and other factors beyond the District's control. See "–Appeals of Assessed Valuation; Blanket Reductions of Assessed Values" above.

Tax Charges and Delinquencies

A school district’s share of the 1% countywide tax is based on the actual allocation of property tax revenues to each taxing jurisdiction in the county in fiscal year 1978-79, as adjusted according to a complicated statutory process enacted since that time. Revenues derived from special *ad valorem* taxes for voter-approved indebtedness are reserved to the taxing jurisdiction that approved and issued the debt, and may only be used to repay that debt.

The county treasurer-tax collector prepares the property tax bills. Property taxes on the regular secured assessment roll are due in two equal installments: the first installment is due on November 1, and becomes delinquent after December 10. The second installment is due on February 1 and becomes delinquent after April 10. If taxes are not paid by the delinquent date, a 10% penalty attaches and a \$10 cost is added to unpaid second installments. If taxes remain unpaid by June 30, the tax is deemed to be in default, and a \$15 state redemption fee applies. Interest then begins to accrue at the rate of 1.5% per month. The property owner has the right to redeem the property by paying the taxes, accrued penalties, and costs within five years of the date the property went into default. If the property is not redeemed within five years, it is subject to sale at a public auction by the county treasurer-tax collector.

Property taxes on the unsecured roll are due in one payment on the lien date, January 1, and become delinquent after August 31. A 10% penalty attaches to delinquent taxes on property on the unsecured roll, and an additional penalty of 1.5% per month begins to accrue on November 1. To collect unpaid taxes, the county treasurer-tax collector may obtain a judgment lien upon and cause the sale of all property owned by the taxpayer in the county, and may seize and sell personal property, improvements and possessory interests of the taxpayer. The county treasurer-tax collector may also bring a civil suit against the taxpayer for payment.

The date on which taxes on supplemental assessments are due depends on when the supplemental tax bill is mailed.

The following table sets forth a recent history of real property tax collections and delinquencies relating to the District’s general obligation bond debt service levy. The following information regarding the secured tax charge and amount delinquent is provided solely for informational purposes. Neither the Certificates nor the Base Rental Payments are secured by or payable from such taxes.

Teeter Plan

In 1993, the County adopted the alternative method of secured property tax apportionment available under Chapter 3, Part 8, Division 1 (commencing with Section 4701) of the Revenue and Taxation Code of the State (also known as the “Teeter Plan”). This alternative method provides for funding each taxing entity included in the Teeter Plan with its total secured property taxes during the year the taxes are levied, including any amount uncollected at fiscal year’s end. Under the Teeter Plan, the County assumes an obligation under a debenture or similar demand obligation to advance funds to cover expected delinquencies, and, by such financing, its general fund receives the full amount of secured property taxes levied each year and, therefore, no longer experiences delinquent taxes. In addition, the County’s general fund benefits from future collections of penalties and interest on all delinquent taxes collected on behalf of participants in this alternative method of apportionment.

Upon adopting the Teeter Plan in 1993, the County was required to distribute to participating local agencies, 95% of the then-accumulated, secured roll property tax delinquencies and to place the remaining 5% in a tax losses reserve fund. Taxing entities that maintain funds in the County Treasury are all included in the Teeter Plan; other taxing entities may elect to be included in the Teeter Plan. Taxing entities that do not elect to participate in the Teeter Plan will be paid as taxes are collected. The District is included in the Teeter Plan.

Once adopted, a county’s Teeter Plan will remain in effect in perpetuity unless the board of supervisors of a county orders its discontinuance or unless prior to the commencement of a fiscal year a petition for discontinuance is received and joined in by resolutions of the governing bodies of not less than two-thirds of the participating districts in the county. An electing county may, however, opt to discontinue the Teeter Plan with respect to any levying agency in the county if the board of supervisors, by action taken not later than July 15 of a fiscal year, elects to discontinue the procedure with respect to such levying agency and the rate of secured tax delinquencies in that agency in any year exceeds 3% of the total of all taxes and assessments levied on the secured roll by that agency. The County has never discontinued the Teeter Plan with respect to any levying agency.

Significant Accounting Policies and Audited Financial Reports

The State Department of Education imposes by law uniform financial reporting and budgeting requirements for K-12 districts. Financial transactions are accounted for in accordance with the Department of Education's California School Accounting Manual. This manual, according to Section 41010 of the Education Code, is to be followed by all California school districts, including the District. Significant accounting policies followed by the District are explained in Note 1 to the District's audited financial statements for the fiscal year ended June 30, 2018, which are included as Appendix B.

Independently audited financial reports are prepared annually in conformity with generally accepted accounting principles for educational institutions. The annual audit report is generally available about six months after the June 30 close of each fiscal year. The following tables contain data abstracted from financial statements prepared by the District's independent auditor, Vavrinek, Trine, Day & Co. LLP, Certified Public Accountants & Consultants, Rancho Cucamonga, California for fiscal years 2013-14 through 2017-18.

The District's auditor, Vavrinek, Trine, Day & Co. LLP, has not been requested to consent to the use or to the inclusion of its reports in this Official Statement, and it has not audited or reviewed this Official Statement. The District is required by law to adopt its audited financial statements after a public meeting to be conducted no later than January 31 following the close of each fiscal year.

The following table sets forth the statement of revenues, expenditures and changes in fund balances for the District's general fund for the fiscal years 2013-14 through 2017-18.

District Budget Process and County Review

State law requires school districts to maintain a balanced budget in each fiscal year. The State Department of Education imposes a uniform budgeting and accounting format for school districts.

Under current law, a school district governing board must adopt and file with the county superintendent of schools a tentative budget by July 1 in each fiscal year. The District is under the jurisdiction of the County of Riverside Superintendent of Schools.

The county superintendent must review and approve, conditionally approve or disapprove the budget no later than September 15. The county superintendent is required to examine the adopted budget for compliance with the standards and criteria adopted by the State Board of Education and identify technical corrections necessary to bring the budget into compliance with the established standards. In the event that the county superintendent conditionally approves or disapproves the school district's budget, the county superintendent will submit to the governing board of the school district no later than September 15 of such year written recommendations regarding revisions of the budget and the reasons for the recommendations, including, but not limited to, the amounts of any budget adjustments needed before the county superintendent can approve that budget.

The governing board of the school district, together with the county superintendent, must review and respond to the recommendations of the county superintendent on or before October 8 at a regular meeting of the governing board of the school district. The county superintendent will examine and approve or disapprove of the revised budget by November 8 of such year. If the county superintendent of schools disapproves a revised budget, the county superintendent will call for the formation of a budget review committee. By December 31 of each year, every school district must have an adopted budget, or the Superintendent of Public Instruction (the “State Superintendent”) may impose a budget and will report such school district to the State Legislature and the Department of Finance.

Subsequent to approval, the county superintendent will monitor each school district under its jurisdiction throughout the fiscal year pursuant to its adopted budget to determine on an ongoing basis if the school district can meet its current or subsequent year financial obligations.

If, after taking various remedial actions, the county superintendent determines that a school district cannot meet its current or the subsequent year’s obligations, the county superintendent will notify the school district’s governing board, the State Superintendent and the president of the State board (or the president’s designee) of the determination and take at least one of the following actions, and all actions that are necessary to ensure that the school district meets its financial obligations: (a) develop and impose, after also consulting with the State Superintendent and the school district’s governing board, revisions to the budget that will enable the school district to meet its financial obligations in the current fiscal year, (b) stay or rescind any action inconsistent with the ability of the school district to meet its obligations for the current or subsequent fiscal year, (c) assist in developing, in consultation with the school district’s governing board, a financial plan that will enable the school district to meet its future obligations, (d) assist in developing, in consultation with the school district’s governing board, a budget for the subsequent fiscal year, and (e) as necessary, appoint a fiscal advisor to perform the aforementioned duties. The county superintendent will also make a report to the State Superintendent and the president of the State board or the president’s designee about the financial condition of the school district and the remedial actions proposed by the county superintendent. However, the county superintendent may not abrogate any provision of a collective bargaining agreement that was entered into prior to the date upon which the county superintendent assumed authority.

A State law adopted in 1991 (known as “A.B. 1200”) imposed additional financial reporting requirements on school districts, and established guidelines for emergency State aid apportionments. Under the provisions of A.B. 1200 and the Education Code (Section 42100 *et seq.*), each school district is required to file two interim certifications with the county superintendent (on December 15, for the period ended October 31, and by mid-March for the period ended January 31) as to its ability to meet its financial obligations for the remainder of the then-current fiscal year and, based on current forecasts, for the subsequent fiscal year. The county superintendent reviews the certification and issues either a positive, negative or qualified certification. A positive certification is assigned to any school district that, based on then-current projections, will meet its financial obligations for the current fiscal year and the subsequent two fiscal years. A negative certification is assigned to any school district that, based on then-current projections, will be unable to meet its financial obligations for the remainder of the fiscal year or the subsequent fiscal year. A qualified certification is assigned to any school district that, based on then-current projections, will not meet its financial obligations for the current fiscal year or the two subsequent fiscal years. A certification may be revised to a negative or qualified certification by the county superintendent, as appropriate. A school district that receives a qualified or negative certification for its second interim report must provide to the county superintendent, the State Controller and the State Superintendent no later than June 1, financial statement projections of the school district’s fund and cash balances through June 30 for the period ending April 30.

Any school district that receives a qualified or negative certification in any fiscal year may not issue, in that fiscal year or in the next succeeding fiscal year, certificates of participation, tax and revenue anticipation notes, revenue bonds or any other debt instruments that do not require the approval of the voters

of the school district, unless the county superintendent determines that the school district's repayment of indebtedness is probable. In the last five years, the District has not received a negative or qualified certification for an interim financial report.

For school districts under fiscal distress, the county superintendent is authorized to take a number of actions to ensure that the school district meets its financial obligations, including budget revisions. However, the county superintendent is not authorized to approve any diversion of revenue from ad valorem property taxes levied to pay debt service on district general obligation bonds. A school district that becomes insolvent may, upon the approval of a fiscal plan by the county superintendent, request an emergency appropriation from the State, in which case the county superintendent, the State Superintendent and the president of the State board or the president's designee will appoint a trustee to serve the school district until it has adequate fiscal systems and controls in place. The acceptance by a school district of an emergency apportionment exceeding 200% of the reserve recommended for that school district constitutes an agreement that the county superintendent will assume control of the school district in order to ensure the school district's return to fiscal solvency.

In the event the State elects to provide an emergency apportionment to a school district, such apportionment will constitute an advance payment of apportionments owed to the school district from the State School Fund and the Education Protection Account. The emergency apportionment may be accomplished in two ways. First, a school district may participate in a two-part financing in which the school district receives an interim loan from the State General Fund, with the agreement that the school district will subsequently enter into a lease financing with the California Infrastructure and Economic Development Bank for purposes of financing the emergency apportionment, including repaying such amounts advanced to the State General Fund. State law provides that so long as bonds from such lease financing are outstanding, the recipient school district (via its administrator) cannot file for bankruptcy. As an alternative, a school district may receive an emergency apportionment from the State General Fund that must be repaid in 20 years. Each year, the State Superintendent will withhold from the apportionments to be made to the school district from the State School Fund and the Education Protection Account an amount equal to the emergency apportionment repayment that becomes due that year. The determination as to whether the emergency apportionment will take the form of a lease financing or an emergency apportionment from the State General Fund will be based upon the availability of funds within the State General Fund.

Compensated Absences. The long-term portion of accumulated unpaid employee vacation for the District at June 30, 2018 amounted to \$97,273.

Tax and Revenue Anticipation Notes. The District has no tax and revenue anticipation notes outstanding and does not expect to issue any tax and revenue anticipation notes in fiscal year 2019-20.

Special Tax Bonds. The District has formed a number of community facilities districts which have issued special tax bonds under the Mello-Roos Community Facilities Act of 1982, as amended. Such special tax bonds are payable for special taxes levied on property within the respective community facilities districts. Such special tax bonds are not payable from *ad valorem* taxes to be levied within the District and do not represent a debt of the District. Other special taxes and assessments may be levied from time to time on property within the District.

Other Post-Employment Benefits (OPEBs). In addition to the retirement plan benefits with CalSTRS and CalPERS (defined below) and the supplemental employee retirement plan described above, the District provides certain post-retirement healthcare benefits (the “Plan”), in accordance with District employment contracts. For a description of the District’s Plan, which is a single-employer defined benefit healthcare plan including medical, dental, and vision benefits, in addition to life insurance and other benefits, see Note 9 to the District’s financial statements attached hereto as APPENDIX B – “FINANCIAL STATEMENTS OF THE DISTRICT FOR THE FISCAL YEAR ENDED JUNE 30, 2018.”

The Governmental Accounting Standards Board (“GASB”) released its Statement Number 45 (“Statement Number 45”), which required municipalities to account for other post-employment benefits

(meaning other than pension benefits) (“OPEB”) liabilities much like municipalities are required to account for pension benefits. The expense is generally accrued over the working career of employees, rather than on a pay-as-you-go basis, which has been the practice for most municipalities and public sector organizations. OPEBs generally include post-employment health benefits (medical, dental, vision, prescription drug and mental health), and care benefits. Statement Number 45 was phased in over a three-year period based upon the entity’s revenues.

In June 2015, the Governmental Accounting Standards Board (“GASB”) issued Statement No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions (“Statement Number 75”). The objective of Statement Number 75 is to improve accounting and financial reporting by the State and local governments for OPEB by requiring the recognition of entire OPEB liability, a more comprehensive measure of OPEB expense, new note disclosures and certain required supplementary information. In addition, Statement Number 75 sets forth additional accounting methods to improve the usefulness of information about OPEB included in the general purpose external financial reports of State and local governmental OPEB plans for making decisions and assessing accountability. Statement Number 75 results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for all postemployment benefits (pensions and OPEB) with regard to providing decision-useful information, supporting assessments of accountability and inter-period equity, and creating additional transparency. Statement Number 75 replaces Statement Number 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions, as amended, and Number 57, OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans. Statement Number 75 is effective for periods beginning after June 15, 2017. The District has implemented Statement Number 75 for fiscal year 2017-18.

The contribution requirements of Plan members and the District are established and may be amended by the District and the Teacher Education Association (“TEA”), the local California Service Employees Association (“CSEA”), and unrepresented groups. The required contribution is based on projected pay-as-you-go financing requirements, with an additional amount to prefund benefits as determined annually through the agreements with the District. The contribution requirements of Plan members and the District are established and may be amended by the District and the Teachers Association (CTA), the local California Service Employees Association (CSEA), as well as unrepresented groups. The required contribution is based on projected pay-as-you-go financing requirements. For the fiscal year ended June 30, 2018, the District reported a total OPEB liability, deferred outflows of resources, and OPEB expense of \$8,642,552, \$541,204, and \$671,575, respectively. No assets are accumulated in a trust that meets the criteria of GASB Statement No. 75. See Note 9 to the District’s financial statements attached hereto APPENDIX B – “FINANCIAL STATEMENTS OF THE DISTRICT FOR THE FISCAL YEAR ENDED JUNE 30, 2018” for more information as of June 30, 2018.

Total Compensation Systems, Inc., Agoura Hills, California, has prepared an actuarial valuation of the District’s retiree health insurance benefits and reports that, as of June 30, 2018, the District had an actuarial accrued liability of \$9,117,274. According to such actuarial valuation, the District’s projected annual pay-as-you-go amount for the year beginning July 1, 2018 is \$316,702. The “pay-as-you-go” cost is the cost of benefits for current retirees. Further according to such actuarial valuation, for current employees, the value of benefits “accrued” in the year beginning July 1, 2018 (the service cost) is \$729,638 and the OPEB expense for the fiscal year ending June 30, 2019 is projected to be \$1,051,252. The actuarial valuation is based on various assumptions, including 2.75% increase in inflation per year, a 3.8% discount rate (investment return), and a 2.75% increase in payroll per year. A copy of the latest actuarial valuation is available from the District, but the District may impose a charge for copying, handling and mailing any requested document.

Direct and Overlapping Debt

Set forth below is a schedule of direct and overlapping debt prepared by California Municipal Statistics Inc. for debt outstanding as of March 1, 2019. The table is included for general information purposes only. The District has not reviewed this table for completeness or accuracy and makes no representations in connection therewith. The first column in the table names each public agency which has outstanding debt as of the date of the schedule and whose territory overlaps the District in whole or in part. Column 2 shows the percentage of each overlapping agency's assessed value located within the boundaries of the District. This percentage, multiplied by the total outstanding debt of each overlapping agency (which is not shown in the table) produces the amount shown in column 3, which is the apportionment of each overlapping agency's outstanding debt to taxable property in the District.

The schedule generally includes long-term obligations sold in the public credit markets by public agencies whose boundaries overlap the boundaries of the District. Such long-term obligations generally are not payable from revenues of the District (except as indicated) nor are they necessarily obligations secured by land within the District. In many cases, long-term obligations issued by a public agency are payable only from the general fund or other revenues of such public agency.

Not included in the table below or elsewhere in this Official Statement with respect to overlapping debt are assessments which may exist on properties within the Reassessment District for the benefit of the Western Riverside Council of Governments ("WRCOG") Property Assessed Clean Energy ("PACE") Programs, in which multiple programs the County participates as a member, through WRCOG in collaboration with its private sector partners, which provide financing for energy efficiency, renewable energy, and water conservation retrofits on residential and commercial properties. Under this program a property owner is permitted to finance the up-front cost of energy or other eligible improvements on a property, with such costs financed over a term of years through a voluntary assessment attached to the improved property. Payments for such projects and retrofits are secured by assessments on such participating residential and commercial properties. The overlapping debt information included in this Official Statement is necessarily understated by the amount of such assessments on properties within the boundaries of the District.

Employment

As of February 2019, the District employed 1,042.1 FTE employees, consisting of approximately 551.4 FTE certificated employees, 406.8 FTE classified employees, 67 FTE management employees and 8.5 FTE confidential employees. For the year ended June 30, 2018, the total certificated and classified payrolls were approximately \$51.12 million and \$17.17 million, respectively. The District has projected total certificated and classified payrolls to be approximately \$53.97 million and \$19.06 million, respectively, for fiscal year 2018-19.

Retirement Benefits

The District participates in retirement plans with CalSTRS, which covers all full-time certificated District employees, and the State Public Employees' Retirement System ("CalPERS"), which covers certain classified employees. Classified school personnel who are employed four or more hours per day may participate in CalPERS.

CalSTRS. Contributions to CalSTRS are fixed in statute. For fiscal year 2013-14, covered employees contributed 8.00% of salary to CalSTRS, while school districts contributed 8.25%. In addition to the teacher and school contributions, the State contributed 4.517% of teacher payroll to CalSTRS (calculated on payroll data from two fiscal years ago). Prior to fiscal year 2014-15 and unlike typical defined benefit programs such as those administered by CalPERS, neither the CalSTRS employer nor the State contribution rate varied annually to make up funding shortfalls or assess credits for actuarial surpluses. The State does pay a surcharge when the member and school district contributions are not sufficient to fully fund the basic defined benefit pension (generally consisting of 2% of salary for each year of service at age 60 referred to herein as "pre-enhancement benefits") within a 30-year period. However, this surcharge does not apply to system-wide unfunded liability resulting from recent benefit enhancements.

As part of the 2014-15 State Budget, the Governor signed Assembly Bill 1469 which implemented a new funding strategy for CalSTRS and increased the employer contribution rate in fiscal year 2014-15 from 8.25% to 8.88% of covered payroll. Such rate increased by 1.85% beginning in fiscal year 2015-16 until the employer contribution rate is 19.10% of covered payroll as further described below. AB 1469 increased member contributions, which were previously set at 8.00% of pay, to 10.25% of pay for members hired on or before December 31, 2012 and 9.205% of pay for members hired on or after January 1, 2013 effective July 1, 2016. However, on July 1, 2018, for members hired on or after January 1, 2013, the rate

increased from 9.205% of pay to 10.250% of pay. The State’s total contribution also increased from approximately 3% in fiscal year 2013-14 to 6.828% of payroll in fiscal year 2017-18, plus the continued payment of 2.5% of payroll annual for a supplemental inflation protection program for a total of 9.328%. In addition, AB 1469 provides the State Teachers Retirement Board with authority to modify the percentages paid by employers and employees for fiscal year 2021-22 and each fiscal year thereafter to eliminate the CalSTRS unfunded liability by June 30, 2046. The State Teachers Retirement Board would also have authority to reduce employer and State contributions if they are no longer necessary.

On February 1, 2017, the State Teachers’ Retirement Board voted to adopt revised actuarial assumptions reflecting members’ increasing life expectancies and current economic trends. The revised assumptions include a decrease from 7.50% to a 7.25% investment rate of return for the June 30, 2016 actuarial valuation, a decrease from 7.25% to a 7.00% investment rate of return for the June 30, 2017 actuarial valuation, a decrease from 3.75% to a 3.50% projected wage growth, and a decrease from 3.00% to a 2.75% price inflation factor.

As of June 30, 2017, an actuarial valuation (the “2017 CalSTRS Actuarial Valuation”) for the entire CalSTRS defined benefit program showed an estimated unfunded actuarial liability of \$107.3 billion, an increase of approximately \$10.6 million from the June 30, 2016 valuation. The funded ratios of the actuarial value of valuation assets over the actuarial accrued liabilities as of June 30, 2017, June 30, 2016 and June 30, 2015, based on the actuarial assumptions, were approximately 62.6%, 63.7% and 68.5%, respectively. Future estimates of the actuarial unfunded liability may change due to market performance, legislative actions and other experience that may differ from the actuarial assumptions. The following are certain of the actuarial assumptions set forth in the 2017 CalSTRS Actuarial Valuation: measurement of accruing costs by the “Entry Age Normal Actuarial Cost Method,” a 7.00% investment return assumption consistent with the State Teachers’ Retirement Board’s decision on February 1, 2017, 3.00% interest on member accounts, projected 3.50% wage growth, projected 2.75% inflation and demographic assumptions relating to mortality rates, length of service, rates of disability, rates of withdrawal, probability of refund, and merit salary increases. The 2017 CalSTRS Actuarial Valuation also assumes that all members hired on or after January 1, 2013 are subject to the provisions of PEPRA (as defined herein). See “–Governor’s Pension Reform” below for a discussion of the pension reform measure signed by the Governor in August 2012 expected to help reduce future pension obligations of public employers with respect to employees hired on or after January 1, 2013. Future estimates of the actuarial unfunded liability may change due to market performance, legislative actions, changes in actuarial assumptions and other experiences that may differ from the actuarial assumptions.

Pursuant to Assembly Bill 1469, school district’s contribution rates will increase in accordance with the following schedule:

Effective Date (July 1)	School District Contribution Rate
2014	8.88%
2015	10.73
2016	12.58
2017	14.43

The District's total employer contributions to CalSTRS for fiscal years 2014-15 through 2017-18 were equal to 100% of the required contributions for each year. With the implementation of AB 1469, the District anticipates that its contributions to CalSTRS will increase in future fiscal years as compared to prior fiscal years.

The District, nonetheless, is unable to predict all factors or any changes in law that could affect its required contributions to CalSTRS in future fiscal years.

CalSTRS produces a comprehensive annual financial report and actuarial valuations which include financial statements and required supplementary information. Copies of the CalSTRS comprehensive annual financial report and actuarial valuations may be obtained from CalSTRS. The information presented in these reports is not incorporated by reference in this Official Statement.

CalPERS. All qualifying classified employees of K-12 school districts in the State are members in CalPERS, and all of such districts participate in the same plan. As such, all such school districts share the same contribution rate in each year. However, unlike school districts' participating in CalSTRS, the school districts' contributions to CalPERS fluctuate each year and include a normal cost component and a component equal to an amortized amount of the unfunded liability. Accordingly, the District cannot provide any assurances that the District's required contributions to CalPERS in future years will not significantly vary from any current projected levels of contributions to CalPERS.

School districts are currently required to contribute to CalPERS at an actuarially determined rate, which was 11.847%, 13.888% and 15.531% of eligible salary expenditures for fiscal years 2015-16, 2016-17, and 2017-18, respectively, and 18.062% of eligible salary expenditures for fiscal year 2018-19. Plan participants enrolled in CalPERS prior to January 1, 2013 contribute 7% of their respective salaries, while participants enrolled after January 1, 2013 contribute at an actuarially determined rate, which was 6% of their respective salaries in fiscal years 2015-16 and 2016-17, 6.50% in fiscal year 2017-18 and 7.00% in fiscal year 2018-19.

Since the June 30, 2015 valuation, CalPERS has employed an amortization and smoothing policy that apportions all gains and losses over a fixed 30-year period with the increases or decreases in the rate spread directly over a five-year period. In contrast, the previous policy spread investment returns over a

15-year period with experience gains and losses spread over a rolling 30-year period. On December 21, 2016, the CalPERS Board of Administration lowered the discount rate from 7.50 percent to 7.00 percent using a three-year phase-in beginning with the CalPERS Schools Pool Actuarial Valuation as of June 30, 2017 (the “2017 CalPERS Schools Pool Actuarial Valuation”). The amounts of the pension/award benefit obligation or UAAL will vary from time to time depending upon actuarial assumptions, and actual rates of return on investments, salary scales, and levels of contribution.

The actuarial funding method used in the 2017 CalPERS Schools Pool Actuarial Valuation is the “Entry Age Normal Cost Method.” The 2017 CalPERS Schools Pool Actuarial Valuation assumes, among other things, 2.75% inflation and payroll growth of 3.00% compounded annually. The 2017 CalPERS Schools Pool Actuarial Valuation reflects a discount rate of 7.375% compounded annually (net of administrative expenses) as of June 30, 2017, 7.25% compounded annually (net of administrative expenses) as of June 30, 2018, and 7.0% compounded annually (net of administrative expenses) as of June 30, 2019. The first reduction in the investment rate of return will impact the District’s employer contribution rates beginning in fiscal year 2018-19. The CalPERS Board also adopted new demographic assumptions on December 19, 2017, including a reduction in the inflation assumption from 2.75% as of June 30, 2017, to 2.625% as of June 30, 2018, and finally to 2.50% as of June 30, 2019. The reduction in the inflation assumption results in decreases in both the normal cost and the accrued liabilities in the future. The overall payroll growth will be reduced from 3.0% annually as of June 30, 2017, to 2.875 as of June 30, 2018, and finally to 2.75% as of June 30, 2019.

On April 16, 2019, the PERS Board established the employer contribution rates for fiscal year 2019-20 and released certain information from the CalPERS Schools Pool Actuarial Valuation as of June 30, 2018, ahead of its summer 2019 release date. Based on the changes in the discount rate, inflation rate, payroll growth rate and demographic assumptions, along with expected reductions in normal cost due to the continuing transition of active members from those employees hired prior to the Implementation Date, to those hired after such date, the projected contribution for fiscal year 2020-21 is projected to be 23.6%, with annual increases and decreases thereafter, resulting in a projected 26.5% employer contribution rate for fiscal year 2025-26.

The following table sets forth the District’s total employer contributions to CalPERS for fiscal years 2014-15 through 2017-18 and the projected contribution for fiscal year 2018-19.

The District’s total employer contributions to CalPERS for fiscal years 2014-15 through 2017-18 were equal to 100% of the required contributions for each year. With the change in actuarial assumptions described above, the District anticipates that its contributions to CalPERS will increase in future fiscal years as the increased costs are phased in. The implementation of PEPR (see “–Governor’s Pension Reform”

below), however, is expected to help reduce certain future pension obligations of public employers with respect to employees hired on or after January 1, 2013. The District cannot predict the impact these changes will have on its contributions to CalPERS in future years.

CalPERS produces a comprehensive annual financial report and actuarial valuations that include financial statements and required supplementary information. Copies of the CalPERS comprehensive annual financial report and actuarial valuations may be obtained from CalPERS Financial Services Division. The information presented in these reports is not incorporated by reference in this Official Statement.

Governor's Pension Reform. On August 28, 2012, Governor Brown and the State Legislature reached agreement on a new law that reforms pensions for State and local government employees. AB 340, which was signed into law on September 12, 2012, established the California Public Employees' Pension Reform Act of 2012 ("PEPRA") which governs pensions for public employers and public pension plans on and after January 1, 2013. For new employees, PEPRA, among other things, caps pensionable salaries at the Social Security contribution and wage base, which is \$127,200 for 2017, or 120% of that amount for employees not covered by Social Security, increases the retirement age by two years or more for all new public employees while adjusting the retirement formulas, requires state employees to pay at least half of their pension costs, and also requires the calculation of benefits on regular, recurring pay to stop income spiking. For all employees, changes required by PEPRA include the prohibition of retroactive pension increases, pension holidays and purchases of service credit. PEPRA applies to all State and local public retirement systems, including county and district retirement systems. PEPRA only exempts the University of California system and charter cities and counties whose pension plans are not governed by State law. Although the District anticipates that PEPRA would not increase the District's future pension obligations, the District is unable to determine the extent of any impact PEPRA would have on the District's pension obligations at this time. Additionally, the District cannot predict if PEPRA will be challenged in court and, if so, whether any challenge would be successful.

The District is unable to predict what the amount of State pension liabilities will be in the future, or the amount of the contributions which the District may be required to make. CalSTRS and CalPERS are more fully described in Note 13 to the District's financial statements attached hereto as APPENDIX B – "FINANCIAL STATEMENTS OF THE DISTRICT FOR THE FISCAL YEAR ENDED JUNE 30, 2018."

GASB 67 and 68. In June 2012, the Governmental Accounting Standards Board approved a pair of related statements, Statement Number 67, Financial Reporting for Pension Plans ("Statement Number 67"), which addresses financial reporting for pension plans, and Statement Number 68, Accounting and Financial Reporting for Pensions ("Statement Number 68"), which establishes new accounting and financial reporting requirements for governments that provide their employees with pensions. The guidance contained in these statements will change how governments calculate and report the costs and obligations associated with pensions. Statement Number 67 replaces the current requirements of Statement Number 25, Financial Reporting for Defined Benefit Pension Plans and Note Disclosures for Defined Contribution Plans, for most public employee pension plans, and Statement Number 68 replaces the current requirements of Statement Number 27, Accounting for Pensions by State and Local Governmental Employers, for most government employers. The new statements also replace the requirements of Statement Number 50, Pension Disclosures, for those governments and pension plans. Certain of the major changes include: (i) the inclusion of unfunded pension liabilities on the government's balance sheet (such unfunded liabilities were typically included as notes to the government's financial statements); (ii) full pension costs are shown as expenses regardless of actual contribution levels; (iii) lower actuarial discount rates are required to be used for most plans for certain purposes of the financial statements, resulting in increased liabilities and pension expenses; and (iv) shorter amortization periods for unfunded liabilities are required to be used for certain purposes of the financial statements, which generally increases pension expenses. Statement Number 67

became effective beginning in fiscal year 2013-14, and Statement Number 68 became effective beginning in fiscal year 2014-15.

Insurance, Risk Pooling and Joint Powers Agreements and Joint Ventures

The District participates in three joint ventures under joint powers agreements (“JPAs”): Riverside Schools Insurance Authority (RSIA), Riverside County Employer/Employee Partnership for Benefits (REEP), Joint Education Transit (JET), and Riverside Schools Risk Management Authority (RSRMA). The District pays an annual premium to the applicable entity for its health, workers’ compensation and property liability coverage. Payments for these services received are paid to the above-mentioned JPAs. The relationships between the District, the pools and the JPAs are such that the JPAs are not component units of the District for financial reporting purposes.

These entities have budgeting and financial reporting requirements independent of member units and their financial statements are not presented in the District’s financial statements attached hereto.

For additional information about the JPAs, see Note 15 in APPENDIX B – “FINANCIAL STATEMENTS OF THE DISTRICT FOR THE FISCAL YEAR ENDED JUNE 30, 2018” attached hereto.

CONSTITUTIONAL AND STATUTORY PROVISIONS AFFECTING DISTRICT REVENUES AND APPROPRIATIONS

Limitations on Revenues

On June 6, 1978, California voters approved Proposition 13 (“Proposition 13”), which added Article XIII A to the State Constitution (“Article XIII A”). Article XIII A limits the amount of any *ad valorem* tax on real property to 1% of the full cash value thereof, except that additional *ad valorem* taxes may be levied to pay debt service on (i) indebtedness approved by the voters prior to July 1, 1978, (ii) bonded indebtedness for the acquisition or improvement of real property which has been approved on or after July 1, 1978 by two-thirds of the voters on such indebtedness, and (iii) bonded indebtedness incurred by a school district or community college district for the construction, reconstruction, rehabilitation or replacement of school facilities or the acquisition or lease of real property for school facilities, approved by 55% of the voters of the district, but only if certain accountability measures are included in the proposition. Article XIII A defines full cash value to mean “the county assessor’s valuation of real property as shown on the 1975-76 tax bill under full cash value, or thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership have occurred after the 1975 assessment.” This full cash value may be increased at a rate not to exceed 2% per year to account for inflation.

Article XIII A has subsequently been amended to permit reduction of the “full cash value” base in the event of declining property values caused by damage, destruction or other factors, to provide that there would be no increase in the “full cash value” base in the event of reconstruction of property damaged or destroyed in a disaster and in other minor or technical ways.

County of Orange v. Orange County Assessment Appeals Board No. 3. Section 51 of the Revenue and Taxation Code permits county assessors who have reduced the assessed valuation of a property as a result of natural disasters, economic downturns or other factors, to subsequently “recapture” such value (up to the pre-decline value of the property) at an annual rate higher than 2%, depending on the assessor’s measure of the restoration of value of the damaged property. The constitutionality of this procedure was challenged in a lawsuit brought in 2001 in the Orange County Superior Court, and in similar lawsuits brought in other counties, on the basis that the decrease in assessed value creates a new “base year value” for purposes of Proposition 13 and that subsequent increases in the assessed value of a property by more

than 2% in a single year violate Article XIII A. On appeal, the California Court of Appeal upheld the recapture practice in 2004, and the State Supreme Court declined to review the ruling, leaving the recapture law in place.

Legislation Implementing Article XIII A. Legislation has been enacted and amended a number of times since 1978 to implement Article XIII A. Under current law, local agencies are no longer permitted to levy directly any property tax (except to pay voter-approved indebtedness). The 1% property tax is automatically levied by the county and distributed according to a formula among taxing agencies. The formula apportions the tax roughly in proportion to the relative shares of taxes levied prior to 1989.

Increases of assessed valuation resulting from reappraisals of property due to new construction, change in ownership or from the 2% annual adjustment are allocated among the various jurisdictions in the “taxing area” based upon their respective “situs.” Any such allocation made to a local agency continues as part of its allocation in future years.

The tax rate is expressed as \$1 per \$100 of taxable value. All taxable property value included in this Official Statement is shown at 100% of market value (unless noted differently) and all tax rates reflect the \$1 per \$100 of taxable value.

Article XIII B of the California Constitution

An initiative to amend the State Constitution entitled “Limitation of Government Appropriations” was approved on September 6, 1979, thereby adding Article XIII B to the State Constitution (“Article XIII B”). Under Article XIII B state and local governmental entities have an annual “appropriations limit” and are not permitted to spend certain moneys which are called “appropriations subject to limitation” (consisting of tax revenues, state subventions and certain other funds) in an amount higher than the “appropriations limit.” Article XIII B does not affect the appropriation of moneys which are excluded from the definition of “appropriations subject to limitation,” including debt service on indebtedness existing or authorized as of January 1, 1979, or bonded indebtedness subsequently approved by the voters. In general terms, the “appropriations limit” is to be based on certain 1978-79 expenditures, and is to be adjusted annually to reflect changes in consumer prices, populations, and services provided by these entities. Among other provisions of Article XIII B, if these entities’ revenues in any year exceed the amounts permitted to be spent, the excess would have to be returned by revising tax rates or fee schedules over the subsequent two years. Any proceeds of taxes received by the District in excess of the allowable limit are absorbed into the State’s allowable limit.

Article XIII C and Article XIII D of the California Constitution

On November 5, 1996, the voters of the State of California approved Proposition 218, popularly known as the “Right to Vote on Taxes Act.” Proposition 218 added to the California Constitution Articles XIII C and XIII D (“Article XIII C” and “Article XIII D,” respectively), which contain a number of provisions affecting the ability of local agencies, including school districts, to levy and collect both existing and future taxes, assessments, fees and charges.

According to the “Title and Summary” of Proposition 218 prepared by the California Attorney General, Proposition 218 limits “the authority of local governments to impose taxes and property-related assessments, fees and charges.” Among other things, Article XIII C establishes that every tax is either a “general tax” (imposed for general governmental purposes) or a “special tax” (imposed for specific purposes), prohibits special purpose government agencies such as school districts from levying general taxes, and prohibits any local agency from imposing, extending or increasing any special tax beyond its maximum authorized rate without a two-thirds vote; and also provides that the initiative power will not be

limited in matters of reducing or repealing local taxes, assessments, fees and charges. Article XIIC further provides that no tax may be assessed on property other than *ad valorem* property taxes imposed in accordance with Articles XIII and XIII A of the California Constitution and special taxes approved by a two-thirds vote under Article XIII A, Section 4. Article XIID deals with assessments and property-related fees and charges, and explicitly provides that nothing in Article XIIC or XIID will be construed to affect existing laws relating to the imposition of fees or charges as a condition of property development.

The District does not impose any taxes, assessments, or property-related fees or charges which are subject to the provisions of Proposition 218. It does, however, receive a portion of the basic 1% *ad valorem* property tax levied and collected by the County pursuant to Article XIII A of the California Constitution. The provisions of Proposition 218 may have an indirect effect on the District, such as by limiting or reducing the revenues otherwise available to other local governments whose boundaries encompass property located within the District thereby causing such local governments to reduce service levels and possibly adversely affecting the value of property within the District.

Statutory Limitations

On November 4, 1986, State voters approved Proposition 62, an initiative statute limiting the imposition of new or higher taxes by local agencies. The statute (a) requires new or higher general taxes to be approved by two-thirds of the local agency's governing body and a majority of its voters; (b) requires the inclusion of specific information in all local ordinances or resolutions proposing new or higher general or special taxes; (c) penalizes local agencies that fail to comply with the foregoing; and (d) required local agencies to stop collecting any new or higher general tax adopted after July 31, 1985, unless a majority of the voters approved the tax by November 1, 1988.

Appellate court decisions following the approval of Proposition 62 determined that certain provisions of Proposition 62 were unconstitutional. However, the California Supreme Court upheld Proposition 62 in its decision on September 28, 1995 in *Santa Clara County Transportation Authority v. Guardino*. This decision reaffirmed the constitutionality of Proposition 62. Certain matters regarding Proposition 62 were not addressed in the Supreme Court's decision, such as whether the decision applies retroactively, what remedies exist for taxpayers subject to a tax not in compliance with Proposition 62, and whether the decision applies to charter cities.

Proposition 98 and Proposition 111

On November 8, 1988, voters approved Proposition 98, a combined initiative constitutional amendment and statute called the "Classroom Instructional Improvement and Accountability Act" (the "Accountability Act"). The Accountability Act changed State funding of public education below the university level, and the operation of the State's Appropriations Limit. The Accountability Act guarantees State funding for K-12 districts and community college districts (collectively, "K-14 districts") at a level equal to the greater of (a) the same percentage of general fund revenues as the percentage appropriated to such districts in 1986-87, which percentage is equal to 40.9%, or (b) the amount actually appropriated to such districts from the general fund in the previous fiscal year, adjusted for growth in enrollment and inflation.

Since the Accountability Act is unclear in some details, there can be no assurance that the Legislature or a court might not interpret the Accountability Act to require a different percentage of general fund revenues to be allocated to K-14 districts than the 40.9%, or to apply the relevant percentage to the State's budgets in a different way than is proposed in the Governor's Budget. In any event, the Governor and other fiscal observers expect the Accountability Act to place increasing pressure on the State's budget over future years, potentially reducing resources available for other State programs, especially to the extent

the Article XIII B spending limit would restrain the State's ability to fund such other programs by raising taxes.

The Accountability Act also changes how tax revenues in excess of the State Appropriations Limit are distributed. Any excess State tax revenues up to a specified amount would, instead of being returned to taxpayers, be transferred to K-14 districts. Such transfer would be excluded from the Appropriations Limit for K-14 districts and the K-14 districts Appropriations Limits for the next year would automatically be increased by the amount of such transfer. These additional moneys would enter the base funding calculation for K-14 districts for subsequent years, creating further pressure on other portions of the State budget, particularly if revenues decline in a year following an Article XIII B surplus. The maximum amount of excess tax revenues which could be transferred to schools is 4% of the minimum State spending for education mandated by the Accountability Act, as described above.

On June 5, 1990, California voters approved Proposition 111 (Senate Constitutional Amendment 1), which further modified the Constitution to alter the spending limit and education funding provisions of Proposition 98. Most significantly, Proposition 111 (1) liberalized the annual adjustments to the spending limit by measuring the "change in the cost of living" by the change in State per capita personal income rather than the Consumer Price Index, and specified that a portion of the State's spending limit would be adjusted to reflect changes in school attendance; (2) provided that 50% of the "excess" tax revenues, determined based on a two-year cycle, would be transferred to K-14 districts with the balance returned to taxpayers (rather than the previous 100% but only up to a cap of 4% of the districts' minimum funding level), and that any such transfer to K-14 districts would not be built into the school districts' base expenditures for calculating their entitlement for State aid in the following year and would not increase the State's appropriations limit; (3) excluded from the calculation of appropriations that are subject to the limit appropriations for certain "qualified capital outlay projects" and certain increases in gasoline taxes, sales and use taxes, and receipts from vehicle weight fees; (4) provided that the Appropriations Limit for each unit of government, including the State, would be recalculated beginning in the 1990-91 fiscal year, based on the actual limit for fiscal year 1986-87, adjusted forward to 1990-91 as if Senate Constitutional Amendment 1 had been in effect; and (5) adjusted the Proposition 98 formula that guarantees K-14 districts a certain amount of general fund revenues, as described below.

Under prior law, K-14 districts were guaranteed the greater of (a) 40.9% of general fund revenues (the "first test") or (b) the amount appropriated in the prior year adjusted for changes in the cost of living (measured as in Article XIII B by reference to per capita personal income) and enrollment (the "second test"). Under Proposition 111, school districts would receive the greater of (a) the first test, (b) the second test or (c) a third test, which would replace the second test in any year when growth in per capita general fund revenues from the prior year was less than the annual growth in State per capita personal income. Under the third test, school districts would receive the amount appropriated in the prior year adjusted for change in enrollment and per capita general fund revenues, plus an additional small adjustment factor. If the third test were used in any year, the difference between the third test and the second test would become a "credit" to be paid in future years when general fund revenue growth exceeds personal income growth.

Assembly Bill No. 26 & California Redevelopment Association v. Matosantos

On February 1, 2012, pursuant to the California Supreme Court's decision in *California Redevelopment Association v. Matosantos*, Assembly Bill No. 26 (First Extraordinary Session) ("AB1X 26") dissolved all redevelopment agencies in existence and designated "successor agencies" and "oversight boards" to satisfy "enforceable obligations" of the former redevelopment agencies and administer dissolution and wind down of the former redevelopment agencies. With limited exceptions, all assets, properties, contracts, leases, records, buildings and equipment, including cash and cash equivalents of a former redevelopment agency were transferred to the control of its successor agency and, unless

otherwise required pursuant to the terms of an enforceable obligation, distributed to various related taxing agencies pursuant to AB1X 26.

It is possible that there will be additional legislation proposed and/or enacted to clarify various inconsistencies contained in AB1X 26 and there may be additional legislation proposed and/or enacted in the future affecting the current scheme of dissolution and winding up of redevelopment agencies currently contemplated by AB1X 26. For example, AB 1484 was signed by the Governor on June 27, 2012, to clarify and amend certain aspects of AB1X 26. AB 1484, among other things, attempts to clarify the role and requirements of successor agencies, provides successor agencies with more control over agency bond proceeds and properties previously owned by redevelopment agencies and adds other new and modified requirements and deadlines. AB 1484 also provides for a “tax claw back” provision, wherein the State is authorized to withhold sales and use tax revenue allocations to local successor agencies to offset payment of property taxes owed and not paid by such local successor agencies to other local taxing agencies. This “tax claw back” provision has been challenged in court by certain cities and successor agencies. The District cannot predict the outcome of such litigation and what effect, if any, it will have on the District. Additionally, no assurances can be given as to the effect of any such future proposed and/or enacted legislation on the District.

Proposition 30 and Proposition 55

On November 6, 2012, voters approved Proposition 30, also referred to as the Temporary Taxes to Fund Education, Guaranteed Local Public Safety Funding, Initiative Constitutional Amendment. Proposition 30 temporarily (a) increased the personal income tax on certain of the State’s income taxpayers by one to three percent for a period of seven years beginning with the 2012 tax year and ending with the 2019 tax year, and (b) increased the sales and use tax by one-quarter percent for a period of four years beginning on January 1, 2013 and ending with the 2016 tax year. The revenues generated from such tax increases are included in the calculation of the Proposition 98 minimum funding guarantee (see “– Proposition 98 and Proposition 111” above). The revenues generated from such temporary tax increases are deposited into a State account created pursuant to Proposition 30 (the Education Protection Account), and 89% of the amounts therein are allocated to school districts and 11% of the amounts therein are allocated to community college districts.

The Proposition 30 sales and use tax increases expired at the end of the 2016 tax year. Under Proposition 30, the personal income tax increases were set to expire at the end of the 2018 tax year. However, the California Tax Extension to Fund Education and Healthcare Initiative (“Proposition 55”), approved by the voters on November 8, 2016, extends by 12 years the temporary personal income tax increases on incomes over \$250,000 that was first enacted by Proposition 30; Proposition 55 did not extend the sales and use tax increases imposed by Proposition 30. Revenues from the income tax increase under Proposition 55 will be allocated to school districts and community colleges in the State.

Applications of Constitutional and Statutory Provisions

The application of Proposition 98 and other statutory regulations has become increasingly difficult to predict accurately in recent years. For a discussion of how the provisions of Proposition 98 have been applied to school funding see “DISTRICT HISTORY, OPERATION AND FINANCIAL INFORMATION – State Funding of Education; State Budget Process.”

Proposition 2

General. Proposition 2, which included certain constitutional amendments to the Rainy Day Fund and, upon its approval, triggered the implementation of certain provisions which could limit the amount of

reserves that may be maintained by a school district, was approved by the voters in the November 2014 election.

Rainy Day Fund. The Proposition 2 constitutional amendments related to the Rainy Day Fund (i) require deposits into the Rainy Day Fund whenever capital gains revenues rise to more than 8% of general fund tax revenues; (ii) set the maximum size of the Rainy Day Fund at 10% of general fund revenues; (iii) for the next 15 years, require half of each year's deposit to be used for supplemental payments to pay down the budgetary debts or other long-term liabilities and, thereafter, require at least half of each year's deposit to be saved and the remainder used for supplemental debt payments or savings; (iv) allow the withdrawal of funds only for a disaster or if spending remains at or below the highest level of spending from the past three years; (v) require the State to provide a multiyear budget forecast; and (vi) create a Proposition 98 reserve (the "Public School System Stabilization Account") to set aside funds in good years to minimize future cuts and smooth school spending. The State may deposit amounts into such account only after it has paid all amounts owing to school districts relating to the Proposition 98 maintenance factor for fiscal years prior to fiscal year 2014-15. The State, in addition, may not transfer funds to the Public School System Stabilization Account unless the State is in a Test 1 year under Proposition 98 or in any year in which a maintenance factor is created.

SB 858. Senate Bill 858 ("SB 858") became effective upon the passage of Proposition 2. SB 858 includes provisions which could limit the amount of reserves that may be maintained by a school district in certain circumstances. Under SB 858, in any fiscal year immediately following a fiscal year in which the State has made a transfer into the Public School System Stabilization Account, any adopted or revised budget by a school district would need to contain a combined unassigned and assigned ending fund balance that (a) for school districts with an A.D.A. of less than 400,000, is not more than two times the amount of the reserve for economic uncertainties mandated by the Education Code, or (b) for school districts with an A.D.A. that is more than 400,000, is not more than three times the amount of the reserve for economic uncertainties mandated by the Education Code. In certain cases, the county superintendent of schools may grant a school district a waiver from this limitation on reserves for up to two consecutive years within a three-year period if there are certain extraordinary fiscal circumstances.

The District, which has an A.D.A of less than 400,000, is required to maintain a reserve for economic uncertainty in an amount equal to 3% of its general fund expenditures and other financing uses.

SB 751. Senate Bill 751 ("SB 751"), enacted on October 11, 2017, alters the reserve requirements imposed by SB 858. Under SB 751, in a fiscal year immediate after a fiscal year in which the amount of moneys in the Public School System Stabilization Account is equal to or exceeds 3% of the combined total general fund revenues appropriated for school districts and allocated local proceeds of taxes for that fiscal year, a school district budget that is adopted or revised cannot have an assigned or unassigned ending fund balance that exceeds 10% of those funds. SB 751 excludes from the requirements of those provisions basic aid school districts (also known as community funded districts) and small school districts having fewer than 2,501 units of average daily attendance.

Future Initiatives

Article XIII A, Article XIII B, Article XIII C, Article XIII D, as well as Propositions 2, 30, 55, 62, 98, 111 and 218, were each adopted as measures that qualified for the ballot pursuant to the State's initiative process. From time to time other initiative measures could be adopted, further affecting District revenues or the District's ability to expend revenues.

RATINGS

The Certificates were assigned an underlying rating of “A3” by Moody’s. The rating agency may have obtained and considered information and material which has not been included in this Official Statement. Generally, rating agencies base their ratings on information and material so furnished and on investigations, studies and assumptions made by them. The rating is not a recommendation to buy, sell or hold the Certificates. The rating reflects only the view of the rating agency and an explanation of the significance of its rating may be obtained from it. There is no assurance that a rating of a rating agency will be maintained for any given period of time or that such rating may not be revised downward or withdrawn entirely by the rating agency, if in its own judgment, circumstances warrant. Any such downward change in or withdrawal may have an adverse effect on the market price of the Certificates. Neither the Underwriter nor the District has undertaken any responsibility after the execution and delivery of the Certificates to assure the maintenance of the rating or to oppose any such revision or withdrawal.

In addition, S&P Global Ratings, a business unit of Standard & Poor’s Financial Services LLC (“S&P”) is expected to assign its insured rating of “AA” to the Certificates with the understanding that upon delivery of the Certificates, the Insurance Policy will be delivered by the Insurer. See also “CERTIFICATE INSURANCE” herein. Such rating is expected to be assigned solely as a result of the issuance of the Insurance Policy and would reflect only S&P’s view of the claims-paying ability and financial strength of the Insurer. Neither the Underwriter nor the District has made any independent investigation of the claims-paying ability of the Insurer and no representation is made that the insured rating of the Certificates based upon the purchase of the Insurance Policy will remain the same. The existence of the Insurance Policy will not, of itself, negatively affect the underlying ratings. However, any downward revision or withdrawal of any rating of the Insurer may have an adverse effect on the market price or marketability of the Certificates.

TAX MATTERS

In the opinion of Orrick, Herrington & Sutcliffe LLP, special counsel to the District (“Special Counsel”), based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, subject to satisfaction of certain conditions and to the occurrence of certain events described herein under the heading “PLAN OF REFUNDING – Forward Delivery of the Certificates,” the portion of each Base Rental Payment designated as and constituting interest paid by the District under the Lease Agreement and received by the Owners of the Certificates is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”) and is exempt from State of California personal income taxes. Special Counsel is of the further opinion that, subject to satisfaction of certain conditions and to the occurrence of certain events described herein under the heading “PLAN OF REFUNDING – Forward Delivery of the Certificates,” interest evidenced by the Certificates is not a specific preference item for purposes of the federal alternative minimum tax. A complete copy of the proposed form of opinion of Special Counsel is set forth in Appendix C hereto.

To the extent the issue price of any scheduled principal payment of the Certificates is less than the amount payable on the scheduled principal payment date of such Certificates (excluding amounts stated to be interest and payable at least annually over the term of such Certificates), the difference constitutes “original issue discount,” the accrual of which, to the extent properly allocable to each Beneficial Owner thereof, is treated as interest evidenced by the Certificates which is excluded from gross income for federal income tax purposes and State of California personal income taxes. For this purpose, the issue price of a particular scheduled principal payment date of the Certificates is the first price at which a substantial amount of such scheduled principal payment date of the Certificates is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or

wholesalers). The original issue discount with respect to any scheduled principal payment date of the Certificates accrues daily over the term to the scheduled principal payment date of such Certificates on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Certificates to determine taxable gain or loss upon disposition (including sale, redemption, or payment on scheduled principal date) of such Certificates. Beneficial Owners of the Certificates should consult their own tax advisors with respect to the tax consequences of ownership of Certificates with original issue discount, including the treatment of Beneficial Owners who do not purchase such Certificates in the original offering to the public at the first price at which a substantial amount of such Certificates is sold to the public.

Certificates purchased, whether at original execution and delivery thereof or otherwise, for an amount higher than their principal evidenced thereby payable on the scheduled principal payment date thereof (or, in some cases, at their earlier prepayment date) (“Premium Certificates”) will be treated as having amortizable premium. No deduction is allowable for the amortizable premium in the case of obligations, like those evidenced by the Premium Certificates, the interest with respect to which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a Beneficial Owner’s basis in a Premium Certificate, will be reduced by the amount of amortizable premium properly allocable to such Beneficial Owner. Beneficial Owners of Premium Certificates should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest evidenced by obligations such as the Certificates. The District has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest evidenced by the Certificates will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest evidenced by the Certificates being included in gross income for federal income tax purposes, possibly from the date of original execution and delivery of the Certificates. The opinion of Special Counsel assumes the accuracy of these representations and compliance with these covenants. Special Counsel has not undertaken to determine (or to inform any person), whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Special Counsel’s attention after the date of execution and delivery of the Certificates may adversely affect the value of, or the tax status of interest evidenced by, the Certificates. Accordingly, the opinion of Special Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Special Counsel is of the opinion, subject to satisfaction of certain conditions and to the occurrence of certain events described herein under the heading “PLAN OF REFUNDING – Forward Delivery of the Certificates,” that interest evidenced by the Certificates is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of amounts treated as interest evidenced by, the Certificates may otherwise affect a Certificate holder’s federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the Beneficial Owner or the Beneficial Owner’s other items of income or deduction. Special Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest evidenced by the Certificates to be subject, directly or indirectly, in whole or in part, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent Beneficial Owners from realizing the full current benefit of the tax status of such interest. The introduction or enactment of any such legislative proposals or clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Certificates. Prospective

purchasers of the Certificates should consult their own tax advisors regarding the potential impact of any pending or proposed federal or state tax legislation, regulations or litigation, as to which Special Counsel is expected to express no opinion.

The opinion of Special Counsel is expected to be based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Special Counsel's judgment as to the proper treatment of the Certificates for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Special Counsel cannot give and is not expected to give any opinion or assurance about the future activities of the District, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The District covenants, however, to comply with the requirements of the Code.

Special Counsel's engagement with respect to Certificates ends with the execution and delivery of the Certificates, and, unless separately engaged, Special Counsel is not obligated to defend the District or the Beneficial Owners regarding the tax-exempt status of the Certificates in the event of an audit examination by the IRS. Under current procedures, parties other than the District and its appointed counsel, including the Beneficial Owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the District legitimately disagrees may not be practicable. Any action of the IRS, including but not limited to selection of the Certificates for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues may affect the market price for, or the marketability of, the Certificates, and may cause the District or the Beneficial Owners to incur significant expense.

The Certificates will be sold pursuant to the terms of the Forward Delivery Certificate Purchase Agreement under which the District and the Corporation will agree to sell to the Underwriter, and the Underwriter will agree to accept and purchase, the Certificates on or about the Settlement Date, subject to the satisfaction of certain conditions provided in the Forward Delivery Certificate Purchase Agreement and the Trust Agreement. Subject to satisfaction of certain conditions and to the occurrence of certain events described under the heading "PLAN OF REFUNDING – Forward Delivery of the Certificates," Special Counsel expects to be able to deliver on the Settlement Date an opinion substantially similar to the opinion described above. See the form of opinion attached hereto as Appendix C. The execution and delivery and delivery of the Certificates on the Settlement Date will be subject to, among other things, receipt of such opinion of Special Counsel.

VERIFICATION OF MATHEMATICAL COMPUTATIONS

Causey Demgen & Moore P.C., certified public accountants (the "Verification Agent"), will deliver a report stating that the firm has verified the accuracy of mathematical computations concerning the adequacy of the maturing principal amounts of and interest earned on the Escrow Securities initially deposited in the escrow fund established under the Escrow Agreement to provide for the payment of the interest due on the Series 2010 Certificates to and including their first optional prepayment date, and to pay on such prepayment date the prepayment price thereof, and the computations of yield on the Certificates and of investments in the escrow fund established under the Escrow Agreement.

The report of the Verification Agent will include the statement that the scope of their engagement was limited to verifying the mathematical accuracy of the computations contained in such schedules provided to them and that they have no obligations to update their report because of events occurring, or data or information coming to their attention, subsequent to the date of their report.

CERTAIN LEGAL MATTERS

Orrick, Herrington & Sutcliffe LLP, Special Counsel to the District, will render its opinion with respect to the legality of the Lease Agreement and the Trust Agreement. A copy of its legal opinion will accompany the original delivery of each Certificate. The form of the legal opinion proposed to be delivered by Special Counsel is included as Appendix C to this Official Statement. Special Counsel, as such, undertakes no responsibility for the accuracy, completeness or fairness of this Official Statement. Certain other legal matters will be passed upon for the District by Orrick, Herrington & Sutcliffe LLP, as Disclosure Counsel to the District, for the Underwriter by James F. Anderson Law Firm, A Professional Corporation, Laguna Hills, California, and for the District and the Corporation by Atkinson, Andelson, Loya, Ruud & Romo, Cerritos, California.

FINANCIAL INTERESTS

The fees of Bond Counsel, Disclosure Counsel, Underwriter's Counsel and the Municipal Advisor are contingent upon the execution and delivery of the Certificates. Orrick, Herrington & Sutcliffe LLP represents the Stifel, Nicolaus & Company, Incorporated on matters unrelated to the Certificates.

While none of the District, the Corporation, nor the Underwriter believes that the following represent potential or actual material conflicts of interest, in 2017 and 2018, Stifel, Nicolaus & Company, Incorporated's Fabric of Society program provided scholarships to three graduating seniors attending San Jacinto High School.

MUNICIPAL ADVISOR

Fieldman, Rolapp & Associates, Inc. (the "Municipal Advisor"), has been engaged by the District to perform financial services in connection with the delivery of the Certificates and certain other financial matters. The Municipal Advisor is an independent advisory firm and is not engaged in the business of underwriting, trading or distributing municipal securities or other public securities. The Municipal Advisor is not contractually obligated to undertake, and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in this Official Statement. The fees of the Municipal Advisor are contingent upon delivery of the Certificates.

ABSENCE OF MATERIAL LITIGATION

At the time of (a) the execution and delivery of the Forward Delivery Certificate Purchase Agreement, the District will certify that, (b) the Closing Date, the District expects to execute and deliver its certificate to the effect that, and (c) the Settlement Date (subject to satisfaction of certain conditions and to the occurrence of certain events described under the heading "PLAN OF REFUNDING – Forward Delivery of the Certificates"), the District expects to execute and deliver its certificate to the effect that (except as may be described in this Official Statement as then may be updated): there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court or governmental or public entity pending or, to the best knowledge of the District, threatened against the District (i) which affects or seeks to prohibit, restrain or enjoin the execution or delivery of the Certificates, the Lease Agreement, the Ground Lease, the Trust Agreement, the Assignment Agreement or the Continuing Disclosure Agreement, (ii) contesting the validity of the Certificates, the Lease Agreement, the Ground Lease, the Trust Agreement, the Assignment Agreement or the Continuing Disclosure Agreement (as an if any of the same may then be executed and delivered), the powers of the District to enter into or perform its obligations under the Lease Agreement, the Ground Lease, the Trust Agreement or the Continuing Disclosure Agreement, or the existence or powers of the District, or (iii) which, if determined adversely to the District, would materially impair the District's

ability to meet its obligations under the Lease Agreement or materially and adversely affect the District's financial condition.

The District does have claims pending against it. The aggregate amount of the uninsured liabilities of the District which may result from all claims will not, in the opinion of the District, materially affect the District's finances or impair its ability to make Base Rental Payments under the Lease Agreement.

UNDERWRITING

The Certificates are expected to be purchased by Stifel, Nicolaus & Company, Incorporated (the "Underwriter"). The Underwriter has agreed, subject to certain terms and conditions set forth in the Forward Delivery Certificate Purchase Agreement, dated July __, 2019, by and between the Underwriter and the District, to purchase the Certificates at a purchase price of \$_____ (which represents the aggregate principal amount of the Certificates, plus \$_____ of net original issue premium, and less \$_____ of Underwriter's discount). The Forward Delivery Certificate Purchase Agreement provides that the Underwriter will purchase all of the Certificates, if any are purchased, the obligation to make such purchase being subject to certain terms and conditions set forth in such Forward Delivery Certificate Purchase Agreement, the approval of certain legal matters by counsel and certain other conditions. See "PLAN OF REFUNDING – Forward Delivery of the Certificates."

The Underwriter will purchase all the Certificates if any are purchased. The Certificates may be offered and sold to certain dealers (including dealers depositing said Certificates into investment trusts) and others at prices lower than the initial public offering price, and the public offering price may be changed from time to time by the Underwriter.

The term of the Ground Lease shall commence as of the date of commencement of the term of the Lease Agreement and shall remain in full force and effect from such date to and including the Scheduled Termination Date, September 1, 2040, unless such term is extended or sooner terminated as provided in the Ground Lease.

Extension; Early Termination. If, on the Scheduled Termination Date, the Certificates shall not be fully paid, or provision therefor made in accordance with the defeasance provisions of the Trust Agreement, or the Trust Agreement shall not be discharged by its terms, or if the Rental Payments payable under the Lease Agreement shall have been abated at any time, then the term of the Ground Lease shall be automatically extended until the date upon which all Certificates shall be fully paid, or provision therefor made in accordance with the defeasance provisions of the Trust Agreement, and the Trust Agreement shall be discharged by its terms, except that the term of the Ground Lease shall in no event be extended more than ten years beyond the Scheduled Termination Date. If, prior to the Scheduled Termination Date, all Certificates shall be fully paid, or provision therefor made in accordance with the defeasance provisions of the Trust Agreement, and the Trust Agreement shall be discharged by its terms, the term of the Ground Lease shall end simultaneously therewith.

Action on Default. In each and every case upon the occurrence and during the continuance of a default by the Corporation under the Ground Lease, the District shall have all the rights and remedies permitted by law, except the District, to the extent permitted by law, waives any and all rights to terminate the Ground Lease.

Amendments; Substitution and Release. The Ground Lease may be amended, changed, modified, altered or terminated (subject to the prior written consent of the Insurer) only in accordance with the provisions of the Lease Agreement. The District shall have the right to substitute alternate real property for the Property or to release portions of the Property as provided in the Lease Agreement.

Assignment to Trustee; Third-Party Beneficiaries. The Corporation and District acknowledge that the Corporation has assigned its right, title and interest in and to the Ground Lease to the Trustee pursuant to the Assignment Agreement. The District consents to such assignment. The District consents to the Trust Agreement and acknowledges and agrees to the rights of the Trustee and the Insurer as set forth therein. As a material inducement to the Trustee and the Insurer, the Corporation and the District agree that the Trustee and the Insurer shall be third-party beneficiaries of the Ground Lease.

Governing Law. The Ground Lease shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

THE LEASE AGREEMENT

LEASE OF PROPERTY; TERM

Lease of Property. The Corporation leases to the District and the District leases from the Corporation the Property, on the terms and conditions set forth in the Lease Agreement and subject to all Permitted Encumbrances.

The leasing of the Property by the District to the Corporation pursuant to the Ground Lease shall not effect or result in a merger of the District's leasehold estate in the Property as lessee under the Lease Agreement and its fee estate in the Property as lessor under the Ground Lease, and the Corporation shall continue to have a leasehold estate in the Property pursuant to the Ground Lease throughout the term thereof and of the Lease Agreement. The Lease Agreement shall constitute a sublease with respect to the Property. The leasehold interest in the Property granted by the District to the Corporation pursuant to the Ground Lease is and shall be independent of the Lease Agreement; the Lease Agreement shall not be an assignment or surrender of the leasehold interest in the Property granted to the Corporation under the Ground Lease.

Term; Occupancy. The term of the Lease Agreement shall commence on the Delivery Date and shall end on the Scheduled Termination Date, unless such term is extended or sooner terminated as provided in the Lease Agreement. If on the Scheduled Termination Date the Certificates shall not be fully paid, or provision therefor made in accordance with the defeasance provisions of the Trust Agreement, or the Trust Agreement shall not be discharged by its terms, or if the Rental Payments shall remain due and payable or shall have been abated at any time and for any reason, then the term of the Lease Agreement shall be automatically extended until the date upon which all Certificates shall be fully paid, or provision therefor made in accordance with the defeasance provisions of the Trust Agreement, and the Trust Agreement shall be discharged by its terms and all Rental Payments shall have been paid in full, except that the term of the Lease Agreement shall in no event be extended more than ten years beyond the Scheduled Termination Date. If prior to the Scheduled Termination Date, or prior to the date to which the term of the Lease Agreement has been extended pursuant to the Lease Agreement, all Certificates shall be fully paid, or provision therefor made in accordance with the defeasance provisions of the Trust Agreement, the Trust Agreement shall be discharged by its terms and all Rental Payments shall have been paid in full, the term of the Lease Agreement shall end simultaneously therewith.

The District shall take possession of the Property on the Delivery Date.

RENTAL PAYMENTS

Base Rental Payments. (a) *General.* Subject to the provisions of the Lease Agreement summarized under the headings "RENTAL PAYMENTS – Rental Abatement" and "EMINENT DOMAIN; PREPAYMENT" and the provisions of the Lease Agreement relating to a revision of the Base Rental Payment Schedule pursuant to paragraph (b) below, the District shall pay to the Corporation, as Base Rental Payments, the amounts, at the times, specified in the Base Rental Payment Schedule, a portion of which Base Rental Payments shall constitute principal components and a portion of which shall constitute interest components. The interest components of the Base Rental Payments shall be paid by the District as and constitute interest paid on the principal components of the Base Rental Payments. Except to the extent specified in the rental abatement provisions of the Lease Agreement, Rental Payments, including Base Rental Payments, shall be paid by the District to the Corporation for and in consideration of the right to use and occupy the Property and in consideration of the continued right to the quiet use and enjoyment thereof during each Rental Period for which such Rental Payments are to be paid.

The obligation of the District to make the Base Rental Payments does not constitute a debt of the District or of the State of California or of any political subdivision thereof within the meaning of any constitutional or statutory debt limit or restriction, and does not constitute an obligation for which the District or the State of California is obligated to levy or pledge any form of taxation or for which the District or the State of California has levied or pledged any form of taxation.

(b) *Payments other than Regularly Scheduled Payments.* If the term of the Lease Agreement shall have been extended pursuant to the provisions thereof, the obligation of the District to pay Rental Payments shall continue to and including the date of termination of the term of the Lease Agreement as so extended. Upon such extension, the principal and interest components of the Base Rental Payments shall be established so that the principal components will in the aggregate be sufficient to pay all extended and unpaid principal components and the interest components will in the aggregate be sufficient to pay all extended and unpaid interest components; provided, however, that the Rental Payments payable in any Rental Period shall not exceed the annual fair rental value of the Property.

Additional Rental Payments. The District shall also pay, as Additional Rental Payments, such amounts as shall be required for the payment of the following:

(a) all taxes and assessments of any type or nature charged to the Corporation or the District or affecting the Property or the respective interests or estates of the Corporation or the District therein;

(b) all reasonable administrative costs of the Corporation relating to the Property including, but without limiting the generality of the foregoing, salaries, wages, fees and expenses, compensation and indemnification of the Trustee payable by the Corporation under the Trust Agreement, fees of auditors, accountants, attorneys or engineers, and all other necessary and reasonable administrative costs of the Corporation or charges required to be paid by it in order to maintain its existence or to comply with the terms of the Trust Agreement or the Lease Agreement or to defend the Corporation and its members, directors, officers, agents and employees;

(c) insurance premiums for all insurance required pursuant to the Lease Agreement;

(d) any amounts with respect to the Lease Agreement, the Trust Agreement or the Certificates required to be rebated to the federal government in accordance with section 148(f) of the Code; and

(e) all other payments not constituting Base Rental Payments required to be paid by the District under the provisions of the Lease Agreement or the Trust Agreement, including amounts payable to the Insurer or the Reserve Insurer.

Amounts constituting Additional Rental Payments payable under the Lease Agreement shall be paid by the District directly to the person or persons to whom such amounts shall be payable. The District shall pay all such amounts when due or at such later time as such amounts may be paid without penalty or, in any other case, within 60 days after notice in writing from the Trustee to the District stating the amount of Additional Rental Payments then due and payable and the purpose thereof.

Fair Rental Value. The parties to the Lease Agreement have agreed and determined that the Rental Payments are not in excess of the Fair Rental Value of the Property. In making such determination of Fair Rental Value, consideration has been given to the uses and purposes that may be served by the Property and the benefits therefrom that will accrue to the District and the general public. Payments of the Rental Payments for the Property during each Rental Period shall constitute the total rental for said Rental Period.

Payment Provisions. Each installment of Base Rental Payments payable under the Lease Agreement shall be paid in lawful money of the United States of America to or upon the order of the Trustee, as assignee of the Corporation, at the Principal Office of the Trustee, or such other place or entity as the Trustee shall designate. Each Base Rental Payment shall be deposited with the Trustee, as assignee of the Corporation, no later than the Base Rental Deposit Date preceding the Interest Payment Date on which such Base Rental Payment is due. Any Base Rental Payment that shall not be paid by the District when due and payable under the terms of the Lease Agreement shall bear interest from the date when the same is due thereunder until the same shall be paid (a) at the Insurer Rate to the extent that (i) such Base Rental Payment has been paid to the Owners, on behalf of the District, by the Insurer pursuant to the Insurance Policy or (ii) such Base Rental Payment has been paid to the Owners, on behalf of the District, from moneys on deposit in the Reserve Fund as a result of a payment under the Reserve Policy, or (b) in all other cases, at the rate equal to the highest rate of interest evidenced by any of the Outstanding Certificates. Notwithstanding any dispute between the Corporation and the District, the District shall make all Rental Payments when due without deduction or offset of any kind and shall not withhold any Rental Payments pending the final resolution of such dispute. In the event of a determination that the District was not liable for said Rental Payments or any portion thereof, said payments or excess of payments, as the case may be, shall be credited against subsequent Rental Payments due under the Lease Agreement or refunded at the time of such determination. Amounts required to be deposited by the District with the Trustee pursuant to the provisions of the Lease Agreement summarized in this paragraph on any date shall be reduced to the extent of available amounts on deposit in the Base Rental Payment Fund, the Interest Fund or the Principal Fund.

Appropriations Covenant. The District covenants to take such action as may be necessary to include all Rental Payments due under the Lease Agreement as a separate line item in its annual budgets and to make necessary annual appropriations for all such Rental Payments. The covenants on the part of the District contained in the Lease Agreement shall be deemed to be and shall be construed to be duties imposed by law and it shall be the duty of each and every public official of the District to take such action and do such things as are required by law in the performance of the official duty of such officials to enable the District to carry out and perform the covenants and agreements in the Lease Agreement agreed to be carried out and performed by the District.

Rental Abatement. (a) Except as otherwise specifically provided in the Lease Agreement, during any period in which, by reason of material damage to, or destruction or condemnation of, the Property, or any defect in title to the Property, there is substantial interference with the District's right to use and occupy any portion of the Property, Rental Payments shall be abated proportionately, and the District waives the benefits of California Civil Code Sections 1932(1), 1932(2) and 1933(4) and any and all other rights to terminate the Lease Agreement by virtue of any such interference, and the Lease Agreement shall continue in full force and effect. The District and the Corporation shall, in a reasonable manner and in good faith, determine the amount of such abatement; provided, however, that the Rental Payments due for any Rental Period shall not exceed the annual fair rental value of that portion of the Property available for use and occupancy by the District during such Rental Period. The District and the Corporation shall provide the Trustee and the Insurer with a certificate setting forth the amount of abatement and the basis therefor. Such abatement shall continue for the period commencing with the date of interference resulting from such damage, destruction, condemnation or title defect and, with respect to damage to or destruction of the Property, ending with the substantial completion of the work of repair or replacement of the Property, or the portion thereof so damaged or destroyed; and, to the extent necessary to pay unpaid Rental Payments, the term of the Lease Agreement shall be extended as provided therein, except that the term of the Lease Agreement shall in no event be extended more than ten years beyond the Scheduled Termination Date.

Notwithstanding the foregoing, to the extent that moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Trust Agreement, Rental Payments shall

not be abated as provided above but, rather, shall be payable by the District as a special obligation payable solely from said funds and accounts.

MAINTENANCE; ALTERATIONS AND ADDITIONS

Maintenance and Utilities. Throughout the term of the Lease Agreement, as part of the consideration for rental of the Property, all improvement, repair and maintenance of the Property shall be the responsibility of the District, and the District shall pay for or otherwise arrange for the payment of all utility services supplied to the Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, ventilation, air conditioning, water and all other utility services, and shall pay for or otherwise arrange for payment of the cost of the repair and replacement of the Property resulting from ordinary wear and tear or want of care on the part of the District or any assignee or sublessee thereof. In exchange for the Rental Payments, the Corporation agrees to provide only the Property.

Additions to Property. Subject to the provisions of the Lease Agreement summarized under the heading “REPRESENTATIONS AND WARRANTIES; COVENANTS – Liens,” the District and any sublessee shall, at its own expense, have the right to make additions, modifications and improvements to the Property. To the extent that the removal of such additions, modifications or improvements would not cause material damage to the Property, such additions, modifications and improvements shall remain the sole property of the District or such sublessee, and neither the Corporation nor the Trustee shall have any interest therein. Such additions, modifications and improvements shall not in any way damage the Property or cause it to be used for purposes other than those authorized under the provisions of state and federal law; and the Property, upon completion of any additions, modifications and improvements made pursuant to the provisions of the Lease Agreement summarized in this paragraph, shall be of a value which is at least equal to the value of the Property immediately prior to the making of such additions, modifications and improvements.

Installation of District’s Equipment. The District and any sublessee may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed items of equipment or other personal property in or upon the Property. All such items shall remain the sole property of the District or such sublessee, and neither the Corporation nor the Trustee shall have any interest therein. The District or such sublessee may modify or remove such equipment or other personal property at any time, provided that such party shall repair and restore any and all damage to the Property resulting from the installation, modification or removal of any such items. Nothing in the Lease Agreement shall prevent the District or any sublessee from purchasing items to be installed pursuant to the provisions of the Lease Agreement summarized in this paragraph under a conditional sale or lease purchase contract, or subject to a vendor’s lien or security agreement as security for the unpaid portion of the purchase price thereof, provided that no such lien or security interest shall attach to any part of the Property.

INSURANCE

Property Casualty Insurance; Rental Interruption Insurance. (a) The District shall maintain or cause to be maintained, throughout the term of the Lease Agreement, a standard comprehensive general liability insurance policy or policies in protection of the District, the Corporation and their respective members, directors, officers, agents and employees. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the use or ownership of the Property. Said policy or policies shall provide coverage in the minimum liability limits of \$1,000,000 for personal injury or death of each person and \$3,000,000 for personal injury or deaths of two or more persons in a single accident or event, and in a minimum amount of \$500,000 for damage to property (subject to a deductible clause of not to exceed \$100,000) resulting from a single accident or event. Such public liability and property damage

insurance may, however, be in the form of a single limit policy in the amount of \$3,000,000 covering all such risks. Such liability insurance may be maintained as part of or in conjunction with any other liability insurance coverage carried or required to be carried by the District, and may be maintained in whole or in part in the form of self-insurance by the District, provided that such self-insurance complies with the provisions of the Lease Agreement. The Net Proceeds of such liability insurance shall be applied toward extinguishment or satisfaction of the liability with respect to which the Net Proceeds of such insurance shall have been paid.

(b) The District shall maintain or cause to be maintained, throughout the term of the Lease Agreement, workers' compensation insurance issued by a responsible carrier authorized under the laws of the State of California to insure employers against liability for compensation under the California Labor Code, or any act enacted as an amendment or supplement thereto or in lieu thereof, such workers' compensation insurance to cover all persons employed by the District in connection with the Property and to cover full liability for compensation under any such act. The District's obligations under the Lease Agreement summarized in this paragraph may be satisfied by self-insurance, provided that such self-insurance complies with the provisions of the Lease Agreement summarized under the heading "INSURANCE – Self-Insurance."

(c) The District shall maintain or cause to be maintained, throughout the term of the Lease Agreement, casualty insurance insuring the Property against fire, lightning and all other risks covered by an extended coverage endorsement (excluding earthquake and flood) to the full insurable value of the Property, subject to a \$100,000 loss deductible provision, unless some other deductible is acceptable to the Insurer. Full insurable value shall not be less than the principal evidenced by the Outstanding Certificates. The District's obligations under the Lease Agreement summarized in this paragraph may be satisfied by self-insurance, provided that such self-insurance complies with the provisions of the Lease Agreement. All Net Proceeds received under said policy or policies shall be deposited with the Trustee and applied as provided in the Trust Agreement.

(d) The District shall maintain or cause to be maintained, throughout the term of the Lease Agreement, rental interruption insurance to cover the Corporation's loss, total or partial, of Base Rental Payments resulting from the loss, total or partial, of the use of any part of the Property as a result of any of the hazards required to be covered pursuant to the provisions of the Lease Agreement summarized in paragraph (c) above in an amount equal to the lesser of (i) the amount sufficient at all times to pay an amount not less than the product of two times the maximum amount of Base Rental Payments scheduled to be paid during any Rental Period or (ii) such lesser amount as may be agreed to by the Insurer. The District's obligations under the Lease Agreement summarized in this paragraph may not be satisfied by self-insurance. All Net Proceeds received under said policy or policies shall be deposited with the Trustee and applied as provided in the Trust Agreement.

(e) The insurance required by the provisions of the Lease Agreement summarized under this heading ("INSURANCE – Property Casualty Insurance; Rental Interruption Insurance") shall be provided by carriers rated at least "A" by A.M. Best Company or S&P, unless the Insurer shall approve in writing an insurer with a lower rating.

Title Insurance. The District shall provide, at its own expense, one or more CLTA or ALTA title insurance policies for the Property, in the aggregate amount of not less than the initial aggregate amount of principal evidenced by the Certificates. Said policy or policies shall insure (a) the fee interest of the District in the Property, (b) the Corporation's ground leasehold estate in the Property under the Ground Lease, and (c) the District's leasehold estate under the Lease Agreement in the Property, subject only to Permitted Encumbrances; provided, however, that one or more of said estates may be insured through an endorsement to such policy or policies. All Net Proceeds received under said policy or policies shall be deposited with

the Trustee and applied as provided in the Trust Agreement. So long as any of the Certificates remain Outstanding, each policy of title insurance obtained pursuant to the Lease Agreement or required thereby shall provide that all proceeds thereunder shall be payable to the Trustee for the benefit of the Certificate Owners.

Additional Insurance Provision; Form of Policies. The District shall pay or cause to be paid when due the premiums for all insurance policies required by the provisions of the Lease Agreement summarized under the heading “INSURANCE – Property Casualty Insurance; Rental Interruption Insurance,” and shall promptly furnish or cause to be furnished evidence of such payments to the Trustee. All such policies shall contain a standard lessee clause in favor of the Trustee and the general liability insurance policies shall be endorsed to show the Trustee as an additional insured. All such policies shall provide that the Trustee and the Insurer shall be given 30 days notice of the expiration thereof, any intended cancellation thereof or any reduction in the coverage provided thereby. The Trustee shall be fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss agreed to by the Trustee; provided, however, that the Trustee shall not agree to any adjustment, compromise or settlement without the Insurer’s written consent.

The District shall cause to be delivered to the Trustee and the Insurer on or before August 15 of each year, commencing August 15, 2020, a schedule of the insurance policies being maintained in accordance with the Lease Agreement and a Written Certificate of the District stating that such policies are in full force and effect and that the District is in full compliance with the requirements of the provisions of the Lease Agreement summarized under the heading “INSURANCE.” The District shall, upon request of the Insurer, deliver to the Insurer certificates or duplicate originals or certified copies of each insurance policy described in such schedule. The Trustee shall be entitled to rely upon said Written Certificate of the District as to the District’s compliance with the provisions of the Lease Agreement summarized under the heading “INSURANCE.” Neither the Trustee nor the Insurer shall be responsible for the sufficiency of coverage or amounts of such policies. All policies of insurance required by the Lease Agreement shall be in form satisfactory to the Insurer.

Self-Insurance. Insurance provided through a California joint powers authority of which the District is a member or with which the District contracts for insurance shall be deemed to be self-insurance for purposes of the Lease Agreement. All statements of self-insurance provided in accordance with the Lease Agreement shall be in form satisfactory to the Insurer. Any self-insurance maintained by the District pursuant to the Lease Agreement shall comply with the following terms:

- (a) the self-insurance program shall be approved in writing by the Insurer;
- (b) the self-insurance program shall be approved in writing by an Independent Insurance Consultant;
- (c) the self-insurance program shall include an actuarially sound claims reserve fund out of which each self-insured claim shall be paid, the adequacy of each such fund shall be evaluated on an annual basis by the Independent Insurance Consultant and any deficiencies in any self-insured claims reserve fund shall be remedied in accordance with the recommendation of such Independent Insurance Consultant;
- (d) the self-insured claims reserve fund shall be held in a separate trust fund; and
- (e) in the event the self-insurance program shall be discontinued, the actuarial soundness of its claims reserve fund, as determined by the Independent Insurance Consultant, shall be maintained.

DEFAULTS AND REMEDIES

Defaults and Remedies. (a) (i) If the District shall fail (A) to pay any Rental Payment payable under the Lease Agreement when the same becomes due and payable, time being expressly declared to be of the essence in the Lease Agreement, or (B) to keep, observe or perform any other term, covenant or condition contained therein or in the Trust Agreement to be kept or performed by the District, or (ii) upon the happening of any of the events specified in paragraph (b) below, the District shall be deemed to be in default under the Lease Agreement and it shall be lawful for the Corporation to exercise any and all remedies available pursuant to law or granted pursuant to the Lease Agreement. In determining whether a default has occurred under clause (i)(A) of the preceding sentence, no effect shall be given to payments made under the Insurance Policy. The District shall in no event be in default in the observance or performance of any covenant, condition or agreement in the Lease Agreement on its part to be observed or performed, other than as referred to in clause (i)(A) or (ii) of the preceding sentence, unless the District shall have failed, for a period of 30 days or such additional time as is reasonably required, but in no event greater than 60 days without the prior written consent of the Insurer, to correct any such default after notice by the Corporation or the Insurer to the District properly specifying wherein the District has failed to perform any such covenant, condition or agreement. Upon any such default, the Corporation, in addition to all other rights and remedies it may have at law, shall have the option to do any of the following:

(1) To terminate the Lease Agreement in the manner provided on account of default by the District, notwithstanding any re-entry or re-letting of the Property as provided for in subparagraph (2) below, and to re-enter the Property and remove all persons in possession thereof and all personal property whatsoever situated upon the Property and place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the District. In the event of such termination, the District agrees to surrender immediately possession of the Property, without let or hindrance, and to pay the Corporation all damages recoverable at law that the Corporation may incur by reason of default by the District, including, without limitation, any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon the Property and removal and storage of such property by the Corporation or its duly authorized agents in accordance with the provisions contained in the Lease Agreement. Neither notice to pay Rental Payments or to deliver up possession of the Property given pursuant to law nor any entry or re-entry by the Corporation nor any proceeding in unlawful detainer, or otherwise, brought by the Corporation for the purpose of effecting such re-entry or obtaining possession of the Property nor the appointment of a receiver upon initiative of the Corporation to protect the Corporation's interest under the Lease Agreement shall of itself operate to terminate the Lease Agreement, and no termination of the Lease Agreement on account of default by the District shall be or become effective by operation of law or acts of the parties thereto, or otherwise, unless and until the Corporation shall have given written notice to the District of the election on the part of the Corporation to terminate the Lease Agreement. The District covenants and agrees that no surrender of the Property or of the remainder of the term of the Lease Agreement or any termination of the Lease Agreement shall be valid in any manner or for any purpose whatsoever unless stated by the Corporation by such written notice.

(2) Without terminating the Lease Agreement, (x) to collect each installment of Rental Payments as the same become due and enforce any other terms or provisions of the Lease Agreement to be kept or performed by the District, regardless of whether or not the District has abandoned the Property, or (y) to exercise any and all rights of entry and re-entry upon the Property. In the event the Corporation does not elect to terminate the Lease Agreement in the manner provided for in subparagraph (1) above, the District shall remain liable and agrees to keep or perform all covenants and conditions contained in the Lease Agreement to be kept or performed by the District and, if the Property is not re-let, to pay the full amount of the Rental Payments to the

end of the term of the Lease Agreement or, in the event that the Property is re-let, to pay any deficiency in Rental Payments that results therefrom; and further agrees to pay said Rental Payments and/or Rental Payment deficiency punctually at the same time and in the same manner as provided in the Lease Agreement for the payment of Rental Payments thereunder, notwithstanding the fact that the Corporation may have received in previous years or may receive thereafter in subsequent years Rental Payments in excess of the Rental Payments specified in the Lease Agreement, and notwithstanding any entry or re-entry by the Corporation or suit in unlawful detainer, or otherwise, brought by the Corporation for the purpose of effecting such re-entry or obtaining possession of the Property. Should the Corporation elect to re-enter as provided in the Lease Agreement, the District irrevocably appoints the Corporation as the agent and attorney-in-fact of the District to re-let the Property, or any part thereof, from time to time, either in the Corporation's name or otherwise, upon such terms and conditions and for such use and period as the Corporation may deem advisable and to remove all persons in possession thereof and all personal property whatsoever situated upon the Property and to place such personal property in storage in any warehouse or other suitable place, for the account of and at the expense of the District, and the District indemnifies and agrees to save harmless the Corporation from any costs, loss or damage whatsoever arising out of, in connection with, or incident to any such re-entry upon and re-letting of the Property and removal and storage of such property by the Corporation or its duly authorized agents in accordance with the provisions contained in the Lease Agreement. The District agrees that the terms of the Lease Agreement constitute full and sufficient notice of the right of the Corporation to re-let the Property in the event of such re-entry without effecting a surrender of the Lease Agreement, and further agrees that no acts of the Corporation in effecting such re-letting shall constitute a surrender or termination of the Lease Agreement irrespective of the use or the term for which such re-letting is made or the terms and conditions of such re-letting, or otherwise, but that, on the contrary, in the event of such default by the District the right to terminate the Lease Agreement shall vest in the Corporation to be effected in the sole and exclusive manner provided for in subparagraph (1) above. The District further agrees to pay the Corporation the cost of any alterations or additions to the Property necessary to place the Property in condition for re-letting immediately upon notice to the District of the completion and installation of such additions or alterations.

Pursuant to the Lease Agreement, the District waives any and all claims for damages caused or which may be caused by the Corporation in re-entering and taking possession of the Property as provided in the Lease Agreement and all claims for damages that may result from the destruction of or injury to the Property and all claims for damages to or loss of any property belonging to the District, or any other person, that may be in or upon the Property.

(b) If (i) the District's interest in the Lease Agreement or any part thereof be assigned or transferred, either voluntarily or by operation of law or otherwise, without the written consent of the Corporation and the Insurer, as provided in the Lease Agreement, (ii) the District or any assignee shall file any petition or institute any proceeding under any act or acts, state or federal, dealing with or relating to the subject or subjects of bankruptcy or insolvency, or under any amendment of such act or acts, either as a bankrupt or as an insolvent, or as a debtor, or in any similar capacity, wherein or whereby the District asks or seeks or prays to be adjudicated a bankrupt, or is to be discharged from any or all of the District's debts or obligations, or offers to the District's creditors to effect a composition or extension of time to pay the District's debts or asks, seeks or prays for reorganization or to effect a plan of reorganization, or for a readjustment of the District's debts, or for any other similar relief, or if any such petition or any such proceedings of the same or similar kind or character be filed or be instituted or taken against the District, or if a receiver of the business or of the property or assets of the District shall be appointed by any court, except a receiver appointed at the instance or request of the Corporation, or if the District shall make a

general assignment for the benefit of the District's creditors, or (iii) the District shall abandon or vacate the Property, then the District shall be deemed to be in default under the Lease Agreement.

(c) In addition to the other remedies set forth in the Lease Agreement, upon the occurrence of an event of default, the Corporation shall be entitled to proceed to protect and enforce the rights vested in the Corporation by the Lease Agreement or by law. The provisions of the Lease Agreement and the duties of the District and of its board, officers or employees shall be enforceable by the Corporation by mandamus or other appropriate suit, action or proceeding in any court of competent jurisdiction. Without limiting the generality of the foregoing, the Corporation shall have the right to bring the following actions:

(i) *Accounting*. By action or suit in equity to require the District and its board, officers and employees and its assigns to account as the trustee of an express trust.

(ii) *Injunction*. By action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Corporation.

(iii) *Mandamus*. By mandamus or other suit, action or proceeding at law or in equity to enforce the Corporation's rights against the District (and its board, officers and employees) and to compel the District to perform and carry out its duties and obligations under the law and its covenants and agreements with the District as provided in the Lease Agreement.

Each and all of the remedies given to the Corporation under the Lease Agreement or by any law enacted are cumulative and the single or partial exercise of any right, power or privilege under the Lease Agreement shall not impair the right of the Corporation to the further exercise thereof or the exercise of any or all other rights, powers or privileges. The term "re-let" or "re-letting" as used in the Lease Agreement shall include, but not be limited to, re-letting by means of the operation by the Corporation of the Property. If any statute or rule of law validly shall limit the remedies given to the Corporation under the Lease Agreement, the Corporation nevertheless shall be entitled to whatever remedies are allowable under any statute or rule of law.

In the event the Corporation shall prevail in any action brought to enforce any of the terms and provisions of the Lease Agreement, the District shall pay a reasonable amount as and for attorney's fees incurred by the Corporation in attempting to enforce any of the remedies available to the Corporation under the Lease Agreement.

Notwithstanding anything to the contrary contained in the Lease Agreement, the Corporation shall have no right upon a default under the Lease Agreement by the District or otherwise to accelerate Rental Payments. Notwithstanding anything to the contrary contained in the Lease Agreement, so long as the Insurer is not in default in its payment obligations under the Insurance Policy, no remedy shall be exercised under the Lease Agreement without the prior written consent of the Insurer and the Insurer shall have the right to direct the exercise of any remedy thereunder.

(d) Notwithstanding anything to the contrary contained in the Lease Agreement, the termination of the Lease Agreement by the Corporation on account of a default by the District under the provisions of the Lease Agreement summarized under the heading "DEFAULTS AND REMEDIES – Defaults and Remedies," shall not effect or result in a termination of the lease of the Property by the District to the Corporation pursuant to the Ground Lease.

Waiver. Failure of the Corporation to take advantage of any default on the part of the District shall not be, or be construed as, a waiver thereof, nor shall any custom or practice which may grow up between the parties in the course of administering the Lease Agreement be construed to waive or to lessen the right

of the Corporation to insist upon performance by the District of any term, covenant or condition of the Lease Agreement, or to exercise any rights given the Corporation on account of such default. A waiver of a particular default shall not be deemed to be a waiver of any other default or of the same default subsequently occurring. The acceptance of Rental Payments under the Lease Agreement shall not be, or be construed to be, a waiver of any term, covenant or condition of the Lease Agreement.

Corporation Event of Default; Action on Corporation Event of Default. The failure by the Corporation to observe and perform the covenants, agreements or conditions on its part contained in the Lease Agreement as described under the heading “REPRESENTATIONS AND WARRANTIES; COVENANTS – Quiet Enjoyment,” if such failure shall have continued for a period of 60 days after written notice thereof, specifying such failure and requiring the same to be remedied, shall have been given to the Corporation, the Trustee and the Insurer, by the District, shall constitute a Corporation Event of Default under the Lease Agreement; provided, however, that if the Corporation shall fail to correct such failure within such 60 day period, the Insurer shall have 90 additional days to correct such failure on behalf of the Corporation prior to such failure constituting a Corporation Event of Default; and, provided further that if, in the reasonable opinion of the Corporation or the Insurer, as applicable, the failure stated in the notice can be corrected, but not within such 60 or 90 day period, such failure shall not constitute a Corporation Event of Default if corrective action is instituted by the Corporation or the Insurer within such 60 or 90 day period and the Corporation or the Insurer, as applicable, shall thereafter diligently and in good faith cure such failure in a reasonable period of time. In each and every case upon the occurrence and during the continuance of a Corporation Event of Default by the Corporation under the Lease Agreement, the District shall have all the rights and remedies permitted by law; provided, however, that a Corporation Event of Default shall not permit the nonpayment of Rental Payments or the termination of the Lease Agreement by the District. Notwithstanding anything to the contrary contained in the Lease Agreement, the provisions of the Lease Agreement summarized in this paragraph shall not impair, restrict or limit the application of the provisions of the Lease Agreement summarized under the heading “RENTAL PAYMENTS – Rental Abatement.”

EMINENT DOMAIN

If all of the Property (or portions thereof such that the remainder is not usable for public purposes by the District) shall be taken under the power of eminent domain, the term of the Lease Agreement shall cease as of the day that possession shall be so taken. If less than all of the Property shall be taken under the power of eminent domain and the remainder is usable for public purposes by the District at the time of such taking, then the Lease Agreement shall continue in full force and effect as to such remainder, and the parties waive the benefits of any law to the contrary, and in such event there shall be a partial abatement of the Rental Payments in accordance with the provisions of the Lease Agreement. So long as any Certificates shall be Outstanding, any award made in eminent domain proceedings for the taking of the Property, or any portion thereof, shall be paid to the Trustee and applied to the prepayment of Certificates as provided in the prepayment and application of Net Proceeds provisions of the Trust Agreement. Any such award made after all of the Certificates, and all other amounts due under the Trust Agreement and the Lease Agreement, have been fully paid, shall be paid to the Corporation and to the District as their respective interests may appear.

PREPAYMENT

(a) The District may prepay all or a portion of the Base Rental Payments which are payable on or after September 1, 20__, from any source of available funds, on any date on or after September 1, 20__, by paying (i) all or a portion, as elected by the District, of the principal components of the Base Rental Payments, and (ii) the accrued but unpaid interest component of such Base Rental Payments to be prepaid to the date of such prepayment.

(b) The District may prepay, from any source of available funds, all or any portion of the Base Rental Payments by depositing with the Trustee moneys or securities as provided, and subject to the terms and conditions set forth, in the defeasance provisions of the Trust Agreement sufficient to make such Base Rental Payments when due or to make such Base Rental Payments through a specified date on which the District has a right to prepay such Base Rental Payments pursuant to the provisions of the Lease Agreement summarized in paragraph (a) above, and to prepay such Base Rental Payments on such prepayment date, at a prepayment price determined in accordance with the provisions of the Lease Agreement summarized in paragraph (a) above.

(c) If less than all of the Base Rental Payments are prepaid pursuant to the provisions of the Lease Agreement then, as of the date of such prepayment pursuant to the provisions of the Lease Agreement summarized in paragraph (a) above, or the date of a deposit pursuant to the provisions of the Lease Agreement summarized in paragraph (b) above, the principal and interest components of the Base Rental Payments shall be recalculated in order to take such prepayment into account. The District agrees that if, following a partial prepayment of Base Rental Payments, the Property is damaged, destroyed or taken by eminent domain, or a defect in title to the Property is discovered, the District shall not be entitled to, and by such prepayment waives the right of, abatement of such prepaid Base Rental Payments and the District shall not be entitled to any reimbursement of such Base Rental Payments.

(d) If all of the Base Rental Payments are prepaid pursuant to the Lease Agreement and if all amounts due to the Insurer have been paid in full then, as of the date of such prepayment pursuant to the provisions of the Lease Agreement summarized in paragraph (a) above, or deposit pursuant to the provisions of the Lease Agreement summarized in paragraph (b) above, the term of the Lease Agreement shall be terminated.

(e) Prepayments of Base Rental Payments made pursuant to the Lease Agreement shall be applied to the prepayment of Certificates as provided in the prepayment provisions of the Trust Agreement.

(f) Before making any prepayment pursuant to the Lease Agreement, the District shall give written notice to the Corporation and the Insurer specifying the date on which the prepayment will be made, which date shall be not less than 40 nor more than 60 days from the date such notice is given, unless the Corporation agrees to a different notice period.

REPRESENTATIONS AND WARRANTIES; COVENANTS

Representations of the District. The District represents and warrants that, as of the Delivery Date:

(b) the Property is not located in a 100-year flood plain;

(e) no portion of the Property located in an area of high potential incidence of radon has an unventilated basement or subsurface portion which is occupied or used for any purpose other than the foundation or support of the improvements to the Property, respectively; and

The District has not received any notice of default or breach which has not been cured under any covenant, condition, restriction, right-of-way, reciprocal easement, agreement or other easement affecting the Property which is to be performed or complied with by it.

Representations of the Corporation. The Corporation represents and warrants that the Corporation, as of the Delivery Date, has the full power and authority to enter into, to execute and to deliver the Lease Agreement, the Assignment Agreement and the Trust Agreement, and to perform all of its duties and obligations thereunder, and has duly authorized the execution and delivery of the Lease Agreement, the Assignment Agreement and the Trust Agreement.

Right of Entry. The Corporation shall have the right to enter upon and to examine and inspect the Property during reasonable business hours (and in emergencies at all times) for any reasonable purpose connected with the Corporation's rights or obligations under the Lease Agreement, and for all other lawful purposes. The Insurer shall have the right to enter upon and to examine and inspect the Property during reasonable business hours (and in emergencies at all times) for any reasonable purpose connected with the Insurer's rights or obligations under the Lease Agreement.

Quiet Enjoyment. The District, by keeping and performing the covenants and agreements contained in the Lease Agreement, shall at all times during the term of the Lease Agreement peaceably and quietly have, hold and enjoy the Property without suit, trouble or hindrance from the Corporation.

Liens. In the event the District shall at any time during the term of the Lease Agreement cause any changes, alterations, additions, improvements, or other work to be done or performed or materials to be supplied, in or upon the Property, the District shall pay, when due, all sums of money that may become due for, or purporting to be for, any labor, services, materials, supplies or equipment furnished or alleged to have been furnished to or for the District in, upon or about the Property and that may be secured by a mechanics', materialmen's or other lien against the Property or the Corporation's interest therein, and shall cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due; provided, however, that if the District desires to contest any such lien, it may do so as long as such contest is in good faith. If any such lien shall be reduced to final judgment and such judgment or such process as may be issued for the enforcement thereof is not promptly

stayed, or if so stayed and said stay thereafter expires, the District shall forthwith pay and discharge said judgment.

Taxes. (a) The District shall pay or cause to be paid all taxes and assessments of any type or nature charged to the Corporation or affecting the Property or the respective interests or estates therein; provided, however, that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the District shall be obligated to pay only such installments as are required to be paid during the term of the Lease Agreement as and when the same become due.

(b) After giving notice to the Corporation, the Insurer and the Trustee, the District or any sublessee may, at the District's or such sublessee's expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Corporation, the Insurer or the Trustee shall notify the District or such sublessee that, in the opinion of independent counsel, by nonpayment of any such items, the interest of the Corporation in the Property will be materially endangered or the Property, or any part thereof, will be subject to loss or forfeiture, in which event the District or such sublessee shall promptly pay such taxes, assessments or charges or provide the Corporation with full security against any loss which may result from nonpayment, in form satisfactory to the Corporation, the Insurer and the Trustee.

Assignment and Subleasing. Neither the Lease Agreement nor any interest of the District thereunder shall be sold, mortgaged, pledged, assigned, or transferred by the District by voluntary act or by operation of law or otherwise; provided, however, that the Property may be subleased in whole or in part by the District with the prior written consent of the Corporation and the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) and provided further that, any such sublease shall be subject to all of the following conditions:

(a) the Lease Agreement and the obligation of the District to make all Rental Payments thereunder shall remain the primary obligation of the District;

(b) the District shall, within 30 days after the delivery thereof, furnish or cause to be furnished to the Corporation and the Trustee a true and complete copy of such sublease;

(c) no such sublease by the District shall cause the Property to be used for a purpose other than a governmental or proprietary function authorized under the provisions of the Constitution and laws of the State of California;

(d) any sublease of the Property by the District shall explicitly provide that such sublease is subject to all rights of the Corporation under the Lease Agreement, including the right to re-enter and re-let the Property or terminate the Lease Agreement upon a default by the District; and

(e) the District shall furnish the Trustee with an Opinion of Counsel to the effect that such sublease will not, in and of itself, cause the interest evidenced by the Certificates to be included in gross income for federal income tax purposes.

Environmental Compliance. (a) Neither the District nor the Corporation shall use or permit the Property or any part thereof to be used to generate, manufacture, refine, treat, store, handle, transport or dispose of, transfer, produce or process Hazardous Materials, except, and only to the extent, if necessary to maintain the improvements on the Property and then only in compliance with all Environmental Regulations, nor shall it permit, as a result of any intentional or unintentional act or omission on its part or

by any tenant, subtenant, licensee, guest, invitee, contractor, employee or agent, the storage, transportation, disposal or use of Hazardous Materials or the Release or threat of Release of Hazardous Materials on, from or beneath the Property or onto any other property excluding, however, those Hazardous Materials in those amounts ordinarily found in the inventory of school districts, the use, storage, treatment, transportation and disposal of which shall be in compliance with all Environmental Regulations. Upon the occurrence of any Release or threat of Release of Hazardous Materials, the Corporation or the District shall promptly commence and perform, or cause to be commenced and performed promptly, without cost to the Trustee, all investigations, studies, sampling and testing, and all remedial, removal and other actions necessary to clean up and remove all Hazardous Materials so released on, from or beneath the Property or other property, in compliance with all Environmental Regulations. Notwithstanding anything to the contrary contained in the Lease Agreement, underground storage tanks shall only be permitted subject to compliance with the provisions of the Lease Agreement summarized in paragraph (d) below and only to the extent necessary to maintain the improvements on the Property.

(b) The District and the Corporation shall comply with, and shall cause all tenants, subtenants, licensees, guests, invitees, contractors, employees and agents on the Property to comply with, all Environmental Regulations, and shall keep the Property free and clear of any liens imposed pursuant thereto (provided, however, that any such liens, if not discharged, may be bonded). The District and the Corporation shall cause each tenant under any lease, and use their best efforts to cause all of such tenant's subtenants, agents, licensees, employees, contractors, guests and invitees and the guests and invitees of all of the foregoing to comply with all Environmental Regulations with respect to the Property; provided, however, that the Corporation and the District shall remain solely responsible for ensuring such compliance and such limitation shall not diminish or affect in any way the Corporation's or the District's obligations contained in the provisions of the Lease Agreement summarized in paragraph (c) below. Upon receipt of any notice from any Person with regard to the Release of Hazardous Materials on, from or beneath the Property, the District or the Corporation, as appropriate, shall give prompt written notice thereof to the District or the Corporation, as appropriate, the Trustee and the Insurer prior to the expiration of any period in which to respond to such notice under any Environmental Regulation.

(c) Irrespective of whether any representation or warranty contained in the provisions of the Lease Agreement described under the heading "REPRESENTATIONS AND WARRANTIES; COVENANTS – Representations of the District" is not true or correct, the Corporation and the District shall, to the extent permitted by law, defend, indemnify and hold harmless the Corporation, the Insurer and the Trustee and any director, member, officer, employee, successor or assignee thereof, from and against any claims, demands, penalties, fines, attorneys' fees (including attorneys' fees incurred to enforce the indemnification contained in the provisions of the Lease Agreement described under the heading "REPRESENTATIONS AND WARRANTIES; COVENANTS – Environmental Compliance"), consultants' fees, investigation and laboratory fees, liabilities, settlements (five Insurance Business Days' prior notice of which the Corporation, the Insurer or the Trustee, as appropriate, shall have delivered to the District), court costs, damages, losses, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, occurring in whole or in part, arising out of, or in any way related to, (i) the presence, disposal, Release, threat of Release, removal, discharge, storage or transportation of any Hazardous Materials on, from or beneath the Property, (ii) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (iii) any lawsuit brought or threatened, settlement reached (five Insurance Business Days' prior notice of which the Corporation, the Insurer or the Trustee, as appropriate, shall have delivered to the District), or governmental order relating to Hazardous Materials on, from or beneath the Property, (iv) any violation of Environmental Regulations or the provisions of the Lease Agreement summarized in paragraphs (a) or (b) above by the District or the Corporation or any of their agents, tenants, employees, contractors, licensees, guests, subtenants or invitees, and (v) the imposition of any governmental lien for the recovery of environmental cleanup or removal costs. To the extent that either the Corporation or the District is strictly liable under any

Environmental Regulation, the District's obligation to the Corporation, the Insurer and the Trustee and the other indemnitees under the foregoing indemnification shall likewise be without regard to fault on its part with respect to the violation of any Environmental Regulation which results in liability to any indemnitee. The obligations and liabilities under the provisions of the Lease Agreement summarized in this paragraph (c) shall survive the payment of all Certificates and the discharge of the Trust Agreement.

(d) The District shall conform to and carry out a reasonable program of maintenance and inspection of all underground storage tanks, and shall maintain, repair and replace such tanks only in accordance with Laws and Regulations, including but not limited to Environmental Regulations.

Condemnation. So long as the Certificates are Outstanding, the District, to the extent it may lawfully so bind itself, shall not exercise the power of condemnation with respect to the Property. To the extent permitted by law, if for any reason the foregoing covenant is determined to be unenforceable or if the District shall fail or refuse to abide by such covenant and condemns the Property, the value of the District's leasehold estate under the Lease Agreement in the Property shall be not less than the amount sufficient to pay the Base Rental Payments to the first date on which they may be prepaid pursuant to the prepayment provisions of the Lease Agreement and to prepay the Base Rental Payments on such date.

Other Obligations. Except for the Certificates and Permitted Encumbrances, the District shall not, during the term of the Lease Agreement, issue or incur or cause to be executed and delivered, directly or indirectly, any additional certificates of participation, notes, bonds or other indebtedness that are either (a) payable from or secured by lease payments or rentals payable under the Lease Agreement, or (b) secured by, or granted a lien on, the Property.

Corporation Not Liable; Indemnification. None of the Corporation, the Insurer and the Trustee and all directors, members, officers and employees thereof shall be liable to the District or to any other Person for any death, injury or damage that may result to any person or property by or from any cause whatsoever in, on or about the Property. To the extent permitted by law, the District shall, at its expense, indemnify and hold the Corporation, the Insurer and the Trustee and all directors, members, officers and employees thereof harmless against and from any and all claims by or on behalf of any Person arising from the acquisition, construction, occupation, use, operation, maintenance, possession, conduct or management of or from any work done in or about the Property or from the subletting of any part thereof, including any liability for violation of conditions, agreements, restrictions, laws, ordinances, or regulations affecting the Property or the occupancy or use thereof, but excepting the negligence or willful misconduct of the Person seeking indemnity. The District, at its expense, shall pay and indemnify and save the Corporation, the Insurer and the Trustee and all directors, members, officers and employees thereof harmless against and from any and all claims arising from (a) any condition of the Property and the adjoining sidewalks and passageways, (b) any breach or default on the part of the District in the performance of any covenant or agreement to be performed by the District pursuant to the Lease Agreement, (c) any act or negligence of licensees in connection with their use, occupancy or operation of the Property, or (d) any accident, injury or damage whatsoever caused to any person, firm or corporation in or about the Property or upon or under the sidewalks and from and against all costs, reasonable counsel fees, expenses and liabilities incurred in any action or proceeding brought by reason of any claim referred to in the Lease Agreement, but excepting the negligence or willful misconduct of the Person seeking indemnity. In the event that any action or proceeding is brought against the Corporation, the Insurer or the Trustee or any director, member, officer or employee thereof, by reason of any such claim, the District, upon notice from the Corporation, the Insurer or the Trustee or such director, member, officer or employee thereof, shall resist or defend such action or proceeding by counsel reasonably satisfactory to the Corporation, the Insurer or the Trustee or such director, member, officer or employee thereof.

Notwithstanding the fact that it is the intention of the parties that the Corporation, the Insurer and the Trustee and all directors, members, officers and employees thereof shall not incur any pecuniary liability by reason of the terms of the Lease Agreement, or the undertakings required of the Corporation under the Lease Agreement or any director, member, officer or employee thereof, by reason of the execution and delivery of the Certificates, by reason of the execution or authorization of any document or certification in connection with the Certificates, including the Trust Agreement, the Lease Agreement or any preliminary or final official statement, by reason of the performance or nonperformance of any act required of any of them by the Lease Agreement or the Trust Agreement or by reason of the performance or nonperformance of any act requested of any of them by the District, the Corporation, the Insurer or the Trustee, including all claims, liabilities, damages, losses or expenses arising in connection with the violation of any statute or regulation pertaining to the foregoing; nevertheless, if the Corporation, the Insurer or the Trustee or any director, member, officer or employee thereof should incur any such pecuniary liability, then in such event the District shall indemnify and hold harmless the Corporation, the Insurer and the Trustee, and all directors, members, officers and employees thereof, against all claims by or on behalf of any Person arising out of the same, or in connection with any action or proceeding brought thereon, but excepting the negligence or willful misconduct of the Person seeking indemnity, and upon notice from the Corporation, the Insurer or the Trustee, the District shall defend the Corporation, the Insurer and the Trustee in any such action or proceeding. The provisions of the Lease Agreement summarized under the heading "REPRESENTATIONS AND WARRANTIES; COVENANTS – Corporation Not Liable; Indemnification," shall survive the termination of the Lease Agreement for any claim, proceeding or action arising from any event or omission occurring during the term of the Lease Agreement.

Title to Property upon Termination. Upon the termination or expiration of the term of the Lease Agreement, other than as provided in the Lease Agreement summarized under the headings "DEFAULTS AND REMEDIES – Defaults and Remedies" and "EMINENT DOMAIN; PREPAYMENT – Eminent Domain," and the first date upon which the Certificates are no longer Outstanding, all right, title and interest in and to the Property shall vest in the District. Upon any such termination or expiration, the Corporation shall execute such conveyances, deeds and other documents as may be necessary to effect such vesting of record.

NO CONSEQUENTIAL DAMAGES; USE OF THE PROPERTY; SUBSTITUTION OR RELEASE

No Consequential Damages. In no event shall the Corporation be liable for any incidental, indirect, special or consequential damage in connection with or arising out of the Lease Agreement or the District's use of the Property.

Use of the Property. The District shall not use, operate or maintain the Property improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by the Lease Agreement. In addition, the District shall comply in all respects, including, with respect to the use, maintenance and operation of the Property) with all laws of the jurisdictions in which its operations may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the Property; provided, however, that the District may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of the Corporation, adversely affect the estate of the Corporation in and to any of the Property or its interest or rights under the Lease Agreement.

Substitution or Release of the Property. The District shall have the right, but only with the written consent of the Insurer, to substitute alternate real property for any portion of the Property or to release a portion of the Property from the Lease Agreement pursuant to the Lease Agreement. All costs and expenses incurred in connection with such substitution or release shall be borne by the District. Notwithstanding any

substitution or release pursuant to the Lease Agreement, there shall be no reduction in or abatement of the Base Rental Payments due from the District under the Lease Agreement as a result of such substitution or release. Any such substitution or release of any portion of the Property shall be subject to the following specific conditions, which are made by the Lease Agreement conditions precedent to such substitution or release:

(a) an independent certified real estate appraiser selected by the District shall have found (and shall have delivered a certificate to the District, the Insurer and the Trustee setting forth its findings) that the Property, as constituted after such substitution or release, (i) has an annual fair rental value greater than or equal to 105% of the maximum amount of Base Rental Payments payable by the District in any Rental Period, and (ii) has a useful life equal to or greater than the useful life of the Property, as constituted prior to such substitution or release;

(b) the District shall have obtained or caused to be obtained a CLTA or an ALTA title insurance policy or policies with respect to any substituted property in the amount of the fair market value of such substituted property of the type and with the endorsements described in the Lease Agreement; provided, however, that such fair market value shall have been determined by an independent certified real estate appraiser selected by the District, which appraiser shall have delivered a certificate to the District, the Insurer and the Trustee setting forth its findings;

(c) the District shall have provided the Trustee with an Opinion of Counsel to the effect that such substitution or release will not, in and of itself, cause the interest evidenced by the Certificates to be included in gross income for federal income tax purposes;

(d) the District, the Corporation and the Trustee shall have executed, and the District shall have caused to be recorded with the Riverside County Recorder, any document necessary to reconvey to the District the portion of the Property being substituted or released and to include any substituted real property in the description of the Property contained in the Lease Agreement and in the Ground Lease; and

(e) the District shall have certified to the Corporation and the Insurer that the substituted real property is of approximately the same degree of essentiality to the District as the portion of the Property for which it is being substituted.

MISCELLANEOUS

Net-Net-Net Lease. The Lease Agreement shall be deemed and construed to be a “net-net-net lease” and the Rental Payments shall be an absolute net return to the Corporation, free and clear of any expenses, charges or set-off whatsoever and notwithstanding any dispute between the District and the Corporation.

Amendments. (a) The Lease Agreement and the Ground Lease, and the rights and obligations of the Corporation and the District thereunder, may be amended at any time by an amendment thereto which shall become binding upon execution by the District and the Corporation, but only with the written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) and the Owners of a majority of the aggregate amount of principal evidenced by the Certificates then Outstanding, provided that no such amendment shall (i) extend the payment date of any Base Rental Payment, reduce the interest component or principal component of any Base Rental Payment or change the prepayment terms and provisions, without the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) and the Owner of each Certificate so affected, or (ii) reduce the percentage of the aggregate amount of principal evidenced by the Certificates,

the consent of the Owners of which is required for the execution of any amendment of the Lease Agreement or the Ground Lease without the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) and the Owners of all the Certificates then Outstanding.

(b) The Lease Agreement and the Ground Lease, and the rights and obligations of the District and the Corporation thereunder, may also be amended at any time by an amendment thereto which shall become binding upon execution by the District and the Corporation, but without the written consents of any Owners, but only with the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) and only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the agreements, conditions, covenants and terms required by the Corporation or the District to be observed or performed therein other agreements, conditions, covenants and terms thereafter to be observed or performed by the Corporation or the District, or to surrender any right or power reserved therein to or conferred therein on the Corporation or the District;

(ii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained therein or in regard to questions arising thereunder that the Corporation or the District may deem desirable or necessary and not inconsistent therewith;

(iii) to make such additions, deletions or modifications as may be necessary or appropriate to assure the exclusion from gross income for federal income tax purposes of the interest components of Base Rental Payments;

(iv) to provide for the substitution or release of a portion of the Property in accordance with the provisions of the Lease Agreement; or

(v) to make such other changes therein or modifications thereto as the Corporation or the District may deem desirable or necessary, and which shall not materially adversely affect the interests of the Insurer or the Owners.

Assignment to Trustee; Effect. The District understands and agrees that, upon the execution and delivery of the Assignment Agreement, which is occurring simultaneously with the execution and delivery of the Lease Agreement, all right, title and interest of the Corporation in and to the Lease Agreement will be sold, assigned and transferred to the Trustee for the benefit of the Owners of the Certificates. The District consents to such sale, assignment and transfer. Upon the execution and delivery of the Assignment Agreement, references in the operative provisions of the Lease Agreement to the Corporation shall be deemed to be references to the Trustee, as assignee of the Corporation.

Rights of Insurer. As long as the Insurance Policy is in effect and the Insurer is not in default in respect of its payment obligations thereunder, the Insurer shall be deemed to be the sole and exclusive Owner of the Outstanding Certificates for purposes of all defaults and remedies; provided, however, that the Insurer shall not be deemed to be the sole and exclusive Owner of the Outstanding Certificates for purposes of all defaults and remedies, and shall not have the right to direct District, Corporation, Trustee or Owner action, during any period if:

(a) the Insurer shall fail to make any payment under the Insurance Policy when due and such failure shall continue for three Business Days;

(b) any material provision of the Insurance Policy shall be held to be invalid by a final, non-appealable order of a court of competent jurisdiction, or the validity or enforceability thereof shall be contested in writing by the Insurer; or

(c) a proceeding shall have been instituted in a court having jurisdiction in the premises seeking an order for relief, rehabilitation, reorganization, conservation, liquidation or dissolution in respect of the Insurer under Article 16 of the Insurance Law of the State of New York or any successor provision thereto and such proceeding is not terminated for a period of 90 consecutive days or such court enters an order granting the relief sought in such proceeding.

Third-Party Beneficiary. The Insurer is a third-party beneficiary of the Lease Agreement.

Governing Law. The Lease Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

THE ASSIGNMENT AGREEMENT

Assignment. Pursuant to the Assignment Agreement, the Corporation, for good and valuable consideration, the receipt of which is acknowledged, does sell, assign and transfer to the Trustee, irrevocably and absolutely, without recourse, for the benefit of the owners of the Certificates, all of its right, title and interest in and to the Ground Lease and the Lease Agreement, including its right to receive the Base Rental Payments to be paid by the District under and pursuant to the Lease Agreement; provided, however, that the Corporation shall retain its rights under the Lease Agreement to indemnification and to payment or reimbursement of its reasonable costs and expenses. The assignment is absolute and, as of the effective date of the Assignment Agreement, will be presently effective. All such right, title and interest so sold, assigned and transferred by the Corporation to the Trustee shall be administered by the Trustee in accordance with the provisions of the Trust Agreement, the Lease Agreement and the Ground Lease.

Acceptance. The Trustee accepts the foregoing sale, assignment and transfer, subject to the terms and provisions of the Trust Agreement, and agrees that all of the Base Rental Payments shall be applied and the right, title and interest so sold, assigned and transferred shall be exercised by the Trustee as provided in the Trust Agreement, the Lease Agreement and the Ground Lease.

Conditions. Excepting only the sale, assignment and transfer to the Trustee of the Corporation's right, title and interest in and to the Ground Lease and the Lease Agreement pursuant to the Assignment Agreement, the Assignment Agreement shall impose no obligations whatsoever upon the Trustee beyond those expressly provided in the Trust Agreement, the Lease Agreement and the Ground Lease.

Third-Party Beneficiary. The Insurer is a third-party beneficiary of the Assignment Agreement.

Amendment. The Assignment Agreement shall not be amended, supplemented or otherwise modified without the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy).

Governing Law. The Assignment Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California.

THE TRUST AGREEMENT

TERMS AND CONDITIONS OF CERTIFICATES

Certificate Registration Books. (a) The Trustee shall keep at its Principal Office sufficient books for the registration and transfer of the Certificates, which books shall be available for inspection and copying by the District and the Insurer at reasonable hours and under reasonable conditions; and upon presentation for such purpose the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer the Certificates on such books as provided in the Trust Agreement.

(b) The Trustee may treat the Owner of any Certificate as the absolute owner of such Certificate for all purposes, whether or not the principal or interest evidenced by such Certificate shall be overdue, and the Trustee shall not be affected by any knowledge or notice to the contrary; and payment of the interest and principal evidenced by such Certificate shall be made only to such Owner, which payments shall be valid and effectual to satisfy and discharge the liability evidenced by such Certificate to the extent of the sum or sums so paid.

Transfer and Payment of Certificates; Exchange of Certificates. Each Certificate is transferable by the Owner thereof, in person or by his attorney duly authorized in writing, at the Principal Office of the Trustee, upon surrender of such Certificate for cancellation accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee.

Whenever any Certificate shall be surrendered for transfer, the Trustee shall execute and deliver a new Certificate or Certificates evidencing principal in the same aggregate amount and having the same stated Principal Payment Date. The Trustee shall require the payment by any Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

Each Certificate may be exchanged at the Principal Office of the Trustee for Certificates evidencing principal in a like aggregate amount and having the same stated Principal Payment Date in such Authorized Denominations as the Owner thereof may request. The Trustee shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Trustee shall not be required to transfer or exchange any Certificate during the period commencing on the date five days before the date of selection of Certificates for prepayment and ending on the date of mailing notice of such prepayment, nor shall the Trustee be required to transfer or exchange any Certificate or portion thereof selected for prepayment from and after the date of mailing the notice of prepayment thereof.

Book-Entry System. (a) The Certificates shall initially be executed and delivered as Book-Entry Certificates and the Certificates for each stated Principal Payment Date shall be in the form of a separate single fully registered Certificate (which may be typewritten). The ownership of each Book-Entry Certificate shall be registered in the Registration Books in the name of the Nominee, as nominee of the Depository. Payment of principal or interest evidenced by any Book-Entry Certificate registered in the name of the Nominee shall be made on the applicable payment date by wire transfer of New York clearing house or equivalent next day funds or by wire transfer of same day funds to the account of the Nominee. Such payments shall be made to the Nominee at the address which is, on the Record Date, shown for the Nominee in the Registration Books.

(b) With respect to Book-Entry Certificates, the District, the Corporation and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant

holds an interest in such Book-Entry Certificates. Without limiting the immediately preceding sentence, the District, the Corporation and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in Book-Entry Certificates, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Registration Books, of any notice with respect to Book-Entry Certificates, including any notice of prepayment, (iii) the selection by the Depository and its Participants of the beneficial interests in Book-Entry Certificates to be prepaid in the event Certificates are prepaid in part, (iv) the payment to any Participant or any other person, other than an Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest evidenced by Book-Entry Certificates, or (v) any consent given or other action taken by the Depository as Owner.

(c) The District and the Trustee may treat and consider the person in whose name each Book-Entry Certificate is registered in the Registration Books as the absolute Owner of such Book-Entry Certificate for the purpose of payment of principal, prepayment premium, if any, and interest evidenced by such Certificate, for the purpose of selecting any Certificates, or portions thereof, to be prepaid, for the purpose of giving notices of prepayment and other matters with respect to such Certificate, for the purpose of registering transfers with respect to such Certificate, for the purpose of obtaining any consent or other action to be taken by Owners and for all other purposes whatsoever, and the District, the Corporation and the Trustee shall not be affected by any notice to the contrary.

(d) In the event of a prepayment of all or a portion of a Certificate, the Depository, in its discretion, (i) may request the Trustee to execute and deliver a new Certificate, or (ii) if DTC is the sole Owner of such Certificate, shall make an appropriate notation on the Certificate indicating the date and amounts of the reduction in principal evidenced thereby resulting from such prepayment, except in the case of final payment, in which case such Certificate must be presented to the Trustee prior to payment.

(e) The Trustee shall pay all principal, premium, if any, and interest evidenced by the Certificates only to or “upon the order of” (as that term is used in the Uniform Commercial Code as adopted in the State of California) the respective Owner, as shown in the Registration Books, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal, premium, if any, and interest evidenced by the Certificates to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Registration Books, shall receive a Certificate evidencing principal, premium, if any, and interest evidenced by the Certificates. Upon delivery by the Depository to the Owners, the Trustee and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions in the Trust Agreement with respect to Record Dates, the word Nominee in the Trust Agreement shall refer to such nominee of the Depository.

(f) In order to qualify the Book-Entry Certificates for the Depository’s book-entry system, the District shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the Corporation, the District or the Trustee any obligation whatsoever with respect to persons having interests in such Book-Entry Certificates other than the Owners, as shown on the Registration Books. Such Letter of Representations may provide the time, form, content and manner of transmission, of notices to the Depository. In addition to the execution and delivery of a Letter of Representations by the District, the District, the Corporation and the Trustee shall take such other actions, not inconsistent with the Trust Agreement, as are reasonably necessary to qualify Book-Entry Certificates for the Depository’s book-entry program.

(g) In the event the District determines that it is in the best interests of the Beneficial Owners that they be able to obtain certificated Certificates and that such Certificates should therefore be made available and notifies the Depository and the Trustee of such determination, the Depository will notify the

Participants of the availability through the Depository of certificated Certificates. In such event, the Trustee shall transfer and exchange certificated Certificates as requested by the Depository and any other Owners in appropriate amounts. In the event (i) the Depository determines not to continue to act as securities depository for Book-Entry Certificates, or (ii) the Depository shall no longer so act and gives notice to the Trustee of such determination, then the District shall discontinue the Book-Entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered Certificate for each stated Principal Payment Date of such Book-Entry Certificates, registered in the name of such successor or substitute qualified securities depository or its nominee. If the District fails to identify another qualified securities depository to replace the Depository, then the Certificates shall no longer be restricted to being registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Certificates shall designate, in accordance with the provisions of the Trust Agreement described under the headings “TERMS AND CONDITIONS OF CERTIFICATES – Transfer and Payment of Certificates; Exchange of Certificates” and “– Certificates Mutilated, Lost, Destroyed or Stolen.” Whenever the Depository requests the District to do so, the District will cooperate with the Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Book-Entry Certificates to any Participant having Book-Entry Certificates credited to its account with the Depository, and (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Book-Entry Certificates.

(h) Notwithstanding any other provision of the Trust Agreement to the contrary, if DTC is the sole Owner of the Certificates, so long as any Book-Entry Certificate is registered in the Registration Books in the name of the Nominee, all payments of principal, premium, if any, and interest evidenced by such Certificate and all notices with respect to such Certificate shall be made and given, respectively, as provided in the Letter of Representations or as otherwise instructed by the Depository.

(i) In connection with any notice or other communication to be provided to Owners pursuant to the Trust Agreement by the District, the Corporation or the Trustee, with respect to any consent or other action to be taken by Owners, the Trustee shall establish a record date for such consent or other action and give the Depository notice of such record date no later than 15 calendar days in advance of such record date to the extent possible. Notice to the Depository shall be given only when DTC is the sole Owner of the Certificates.

Temporary Certificates. The Certificates may be initially delivered in temporary form exchangeable for definitive Certificates when ready for delivery, which temporary Certificates shall be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Trustee, shall be in fully registered form and shall contain such reference to any of the provisions of the Trust Agreement as may be appropriate. Every temporary Certificate shall be executed and delivered by the Trustee upon the same conditions and terms and in substantially the same manner as definitive Certificates. If the Trustee executes and delivers temporary Certificates, it shall prepare and execute definitive Certificates without delay, and thereupon the temporary Certificates may be surrendered at the Principal Office of the Trustee in exchange for such definitive Certificates, and until so exchanged such temporary Certificates shall be entitled to the same benefits under the Trust Agreement as definitive Certificates executed and delivered under the Trust Agreement.

Certificates Mutilated, Lost, Destroyed or Stolen. If any Certificate shall become mutilated, the Trustee, at the expense of the Owner thereof, shall execute and deliver a new Certificate evidencing a like principal amount and having the same stated Principal Payment Date and number in exchange and substitution for the Certificate so mutilated, but only upon surrender to the Trustee of the Certificate so mutilated. Every mutilated Certificate so surrendered to the Trustee shall be canceled by it and disposed of in a manner deemed appropriate by the Trustee. If any Certificate shall be lost, destroyed or stolen,

evidence of such loss, destruction or theft may be submitted to the Trustee, and if such evidence is satisfactory to the Trustee and indemnity satisfactory to the Trustee shall be given, the Trustee, at the expense of the Owner thereof, shall execute and deliver a new Certificate evidencing a like principal amount and having the same stated Principal Payment Date, numbered as the Trustee shall determine, in lieu of and in substitution for the Certificate so lost, destroyed or stolen. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Certificate executed and delivered by it under this paragraph and of the expenses which may be incurred by it under this paragraph. Any Certificate executed and delivered under the provisions of this paragraph in lieu of any Certificate alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of the Trust Agreement with all other Certificates executed and delivered thereunder, and the Trustee shall not be required to treat both the original Certificate and any replacement Certificate as being Outstanding for the purpose of determining the amount of Certificates which may be executed and delivered under the Trust Agreement or for the purpose of determining any percentage of Certificates Outstanding thereunder, but both the original and replacement Certificate shall be treated as one and the same. Notwithstanding any other provision of this paragraph, in lieu of executing and delivering a new Certificate for a Certificate which has been lost, destroyed or stolen and which evidences principal that is then payable, the Trustee may make payment of such Certificate to the Owner thereof if so instructed by the District.

FUNDS AND ACCOUNTS; RENTAL PAYMENTS

Pledge; Base Rental Payment Fund. (a) Subject only to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth in the Trust Agreement, in order to secure the District's obligations under the Trust Agreement and under the Lease Agreement, the District irrevocably pledges to the Owners, and grants a lien on and a security interest in, all of its right, title and interest, if any, in and to all amounts on deposit from time to time in the funds and accounts established under the Trust Agreement (other than the Rebate Fund), which amounts shall be used for the payment of the Base Rental Payments in accordance with the terms of the Trust Agreement and of the Lease Agreement. Said pledge shall constitute a first lien on and security interest in such assets, which shall immediately attach to such assets and be effective, binding and enforceable against the District, its successors, purchasers of any of such assets, creditors and all others asserting rights therein, to the extent set forth in, and in accordance with, the Trust Agreement, irrespective of whether those parties have notice of the pledge of, lien on and security interest in such assets and without the need for any physical delivery, recordation, filing or further act.

(b) It is the intent of the parties to the Trust Agreement that the Corporation not have any right, title or interest in or to the amounts on deposit from time to time in the funds and accounts established under the Trust Agreement. If, contrary to the intent of the parties to the Trust Agreement, the Corporation is found to have any right, title or interest in or to any such amounts, then, subject only to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth in the Trust Agreement, the Corporation irrevocably pledges to the Owners, and grants a lien on and a security interest in, all of its right, title and interest, if any, in and to all amounts on deposit from time to time in the funds and accounts established under the Trust Agreement (other than the Rebate Fund). Said pledge shall constitute a first lien on and security interest in such assets, which shall immediately attach to such assets and be effective, binding and enforceable against the Corporation, its successors, purchasers of any of such assets, creditors and all others asserting rights therein, to the extent set forth in, and in accordance with, the Trust Agreement, irrespective of whether those parties have notice of the pledge of, lien on and security interest in such assets and without the need for any physical delivery, recordation, filing or further act.

(c) All Base Rental Payments shall be paid directly by the District to the Trustee, and if received by the Corporation at any time shall be deposited by the Corporation with the Trustee within one

Business Day after the receipt thereof. All Base Rental Payments paid by the District shall be deposited by the Trustee in the Base Rental Payment Fund, which the Trustee shall establish and maintain until all required Base Rental Payments are paid in full pursuant to the Lease Agreement and until the first date upon which the Certificates are no longer Outstanding. The moneys in the Base Rental Payment Fund shall be held in trust by the Trustee and shall be disbursed only for the purposes and uses authorized in the Trust Agreement. Any Net Proceeds of rental interruption insurance received with respect to the Property shall be deposited in the Base Rental Payment Fund.

(d) Pursuant to the Assignment Agreement, the Corporation has sold, assigned and transferred to the Trustee, irrevocably and absolutely, for the benefit of the Owners, all of its right, title and interest in and to the Ground Lease and the Lease Agreement, including its right to receive Base Rental Payments to be paid by the District under and pursuant to the Lease Agreement; provided, however, that the Corporation has retained the rights to indemnifications and to payment or reimbursement of its reasonable costs and expenses under the Lease Agreement. The Corporation shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the District, or with respect to the performance by the District of the other agreements and covenants required to be performed by it contained in the Ground Lease, the Lease Agreement or the Trust Agreement, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained in the Trust Agreement.

Deposit of Base Rental Payments. The Trustee shall transfer the amounts on deposit in the Base Rental Payment Fund, at the times and in the manner provided in the Trust Agreement, to the following respective funds, each of which the Trustee agrees to establish and maintain until all required Base Rental Payments are paid in full pursuant to the Lease Agreement and until the first date upon which the Certificates are no longer Outstanding. The moneys in each of such funds shall be held in trust by the Trustee and shall be disbursed only for the purposes and uses authorized in the Trust Agreement.

(a) *Interest Fund.* The Trustee, on each Interest Payment Date, shall deposit in the Interest Fund that amount of moneys representing the portion of the Base Rental Payments designated as the interest component coming due on such Interest Payment Date. On each Interest Payment Date, the Trustee shall withdraw from the Interest Fund, for payment to the Owners, the interest evidenced by the Certificates coming due on such Interest Payment Date.

(b) *Principal Fund.* The Trustee, on each Principal Payment Date and each Mandatory Sinking Account Payment Date, shall deposit in the Principal Fund that amount of moneys representing the portion of the Base Rental Payments designated as the principal component coming due on such Principal Payment Date or Mandatory Sinking Account Payment Date. On each Principal Payment Date and each Mandatory Sinking Account Payment Date, the Trustee shall withdraw from the Principal Fund, for payment to the Owners, the principal evidenced by the Certificates due and payable on such Principal Payment Date or upon earlier prepayment from Mandatory Sinking Account Payments.

(c) *Prepayment Fund.* The Trustee, on the prepayment date specified in the Written Request of the District filed with the Trustee at the time that any prepaid Base Rental Payment is paid to the Trustee pursuant to the Lease Agreement, shall deposit in the Prepayment Fund that amount of moneys representing the portion of the Base Rental Payments designated as prepaid Base Rental Payments. Additionally, the Trustee shall deposit in the Prepayment Fund any amounts required to be deposited therein pursuant to the provisions of the Trust Agreement described under the heading "FUNDS AND ACCOUNTS; RENTAL PAYMENTS – Application of Net Proceeds" or the provisions of the Trust Agreement described under the heading "FUNDS AND ACCOUNTS; RENTAL PAYMENTS – Title Insurance." Moneys in the Prepayment Fund shall be used by the Trustee for the purpose of paying the interest, premium, if any, and principal evidenced by the Certificates to be prepaid. All moneys held by the Trustee in the Prepayment

Fund shall either be held uninvested or invested in Defeasance Securities, which mature in sufficient amounts and on the dates needed to make the prepayments of Certificates for which such moneys were deposited.

Application of Net Proceeds. If the Property or any portion thereof shall be damaged or destroyed, subject to the further requirements of the Trust Agreement summarized under the heading “FUNDS AND ACCOUNTS; RENTAL PAYMENTS – Application of Net Proceeds,” the District shall, as expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair or replacement thereof, unless the District elects not to repair or replace the Property or the affected portion thereof in accordance with the provisions of the Trust Agreement.

The Net Proceeds of any insurance (other than Net Proceeds of rental interruption insurance), including the proceeds of any self-insurance, received on account of any damage or destruction of the Property or a portion thereof shall as soon as possible be deposited with the Trustee and be held by the Trustee in a special account to be established by the Trustee, as an account subject to the provisions of the Trust Agreement, and made available for and, to the extent necessary, shall be applied to the cost of repair or replacement of the Property or the affected portion thereof upon receipt of a Written Request of the District, together with invoices therefor. Pending such application, such proceeds may be invested by the Trustee as directed by the District in Permitted Investments that mature not later than such times as moneys are expected to be needed to pay such costs of repair or replacement.

Notwithstanding the foregoing, the District shall, within 60 days of the occurrence of the event of damage or destruction, notify the Trustee and the Insurer in writing as to whether the District intends to replace or repair the Property or the portions of the Property which were damaged or destroyed. If the District does intend to replace or repair the Property or portions thereof, the District shall deposit with the Trustee the full amount of any insurance deductible to be deposited to the special account.

If such damage, destruction or loss was such that there resulted a substantial interference with the District’s right to the use or occupancy of the Property and an abatement in whole or in part of Rental Payments would result from such damage or destruction pursuant to the rental abatement provisions of the Lease Agreement (disregarding, for the purpose of determining whether such an abatement would result, whether moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Trust Agreement), then the District shall be required either to (a) apply sufficient funds from the insurance proceeds and other legally available funds to the replacement or repair of the Property or the portions thereof which have been damaged to the condition which existed prior to such damage or destruction, or (b) apply sufficient funds from the insurance proceeds and other legally available funds to the prepayment, as set forth in the Trust Agreement, in full of all the Outstanding Certificates or all of those Outstanding Certificates which would have been payable from that portion of the Base Rental Payments which would be abated as a result of the damage or destruction (disregarding, for the purpose of determining what portion of the Base Rental Payments would be so abated, whether moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Trust Agreement). Funds to be applied to the prepayment of Certificates in accordance with clause (b) above shall be deposited in the Prepayment Fund. Any proceeds of any insurance, including the proceeds of any self-insurance remaining after the portion of the Property which was damaged or destroyed is restored to and made available to the District in substantially the same condition and annual fair rental value as that which existed prior to the damage or destruction as required by clause (a) above or the prepayment of Certificates as required by clause (b) above, in each case as evidenced by a Written Certificate of the District to such effect, shall be deposited in the Reserve Fund to the extent that the amount therein is less than the Reserve Requirement (taking into account amounts available under any Reserve Facility). If the District is not required to replace or repair the Property, or the affected portion thereof, as set forth in clause (a) above or to use such amounts to prepay Certificates as set forth in clause (b) above, then such proceeds shall be

deposited in the Reserve Fund to the extent that the amount therein is less than the Reserve Requirement (taking into account amounts available under any Reserve Facility). Any amounts not required to be so deposited into the Reserve Fund shall, if there is first delivered to the Trustee and the Insurer a Written Certificate of the District to the effect that the annual fair rental value of the Property after such damage or destruction, and after any repairs or replacements made as a result of such damage or destruction, is at least equal to 100% of the maximum amount of Base Rental Payments becoming due under the Lease Agreement in the then current Rental Period or any subsequent Rental Period and the fair replacement value of the Property after such damage or destruction is at least equal to the sum of the then unpaid principal components of Base Rental Payments, be paid to the District to be used for any lawful purpose.

The proceeds of any award in eminent domain with respect to the Property shall be deposited by the Trustee in the Prepayment Fund and applied to the prepayment of Outstanding Certificates pursuant to the Trust Agreement.

Title Insurance. Proceeds of any policy of title insurance received by the Trustee in respect of the Property shall be applied and disbursed by the Trustee as follows:

(a) if the District determines (and sets forth in a Written Certificate of the District) that the title defect giving rise to such proceeds has not substantially interfered with its use and occupancy of the Property and will not result in an abatement of Rental Payments payable by the District under the Lease Agreement, such proceeds shall, with the written approval of the Insurer, be remitted to the District and used for any lawful purpose thereof; or

(b) if the District determines that the title defect giving rise to such proceeds has substantially interfered with its use and occupancy of the Property and would result in an abatement in whole or in part of Rental Payments payable by the District under the Lease (disregarding, for the purpose of determining whether such an abatement would result, whether moneys are available for the payment of Rental Payments in any of the funds and accounts established under the Trust Agreement), then the District shall, in a Written Request of the District, direct the Trustee to, and the Trustee shall, immediately deposit such proceeds in the Prepayment Fund and such proceeds shall, with the written approval of the Insurer, be applied to the prepayment of Certificates in the manner provided in the Trust Agreement.

Reserve Fund. (a) The Trustee shall establish and maintain the Reserve Fund until all required Base Rental Payments are paid in full pursuant to the Lease Agreement and until the first date upon which the Certificates are no longer Outstanding. There shall be deposited in the Reserve Fund on the Delivery Date the Reserve Policy pursuant to the Trust Agreement. The moneys in the Reserve Fund and any Reserve Facility shall be held in trust by the Trustee and shall be used and disbursed only for the purposes and uses authorized in the Trust Agreement.

(b) The District may substitute a Reserve Facility for all or a part of the Reserve Facility then on deposit in the Reserve Fund by depositing such substitute Reserve Facility with the Trustee so long as, at the time of such substitution, the amount on deposit in the Reserve Fund, together with the amount available under such Reserve Facility and any previously substituted Reserve Facilities, shall be at least equal to the Reserve Requirement; provided, however, that, prior to any such substitution, the Trustee shall have received the written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy). The District shall not substitute any Reserve Facility in lieu of all or any portion of moneys on deposit in the Reserve Fund without the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy). Moneys for which a Reserve Facility has been substituted as provided in the Trust Agreement shall be transferred, at the election of the District, to the Base Rental Payment Fund, or upon receipt of an Opinion of Counsel to

the effect that such transfer, in and of itself, will not adversely affect the exclusion of interest evidenced by the Certificates from gross income for federal income tax purposes, to a special account to be held by the Trustee and applied to the payment of capital costs of the District, as directed in a Written Request of the District. Any amounts paid pursuant to any Reserve Facility shall be deposited in the Reserve Fund.

(c) Amounts on deposit in the Reserve Fund which were not derived from payments under any Reserve Facility credited to the Reserve Fund to satisfy a portion of the Reserve Requirement shall be used and withdrawn by the Trustee prior to using and withdrawing any amounts derived from payments under any such Reserve Facility. In order to accomplish such use and withdrawal of such amounts not derived from payments under any such Reserve Facility, the Trustee shall, as and to the extent necessary, liquidate any investments purchased with such amounts. If and to the extent that, more than one Reserve Facility is credited to the Reserve Fund to satisfy a portion of the Reserve Requirement, drawings thereunder, and repayment of expenses with respect thereto, shall be made on a pro-rata basis (calculated by reference to the policy limits available thereunder without regard to the legal or financial ability or willingness of any Reserve Facility provider to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw).

If, on any Interest Payment Date, the amount on deposit in the Interest Fund is insufficient to pay the interest evidenced by the Certificates payable on such Interest Payment Date, the Trustee shall transfer from the Reserve Fund and deposit in the Interest Fund an amount sufficient to make up such deficiency. If a Reserve Facility is credited to the Reserve Fund to satisfy a portion of the Reserve Requirement, the Trustee shall make a claim for payment under such Reserve Facility, in accordance with the provisions thereof, in an amount which, together with other available moneys in the Reserve Fund, will be sufficient to make said deposit in the Interest Fund.

If, on any Principal Payment Date or Mandatory Sinking Account Payment Date, the amount on deposit in the Principal Fund is insufficient to pay the principal evidenced by the Certificates payable on such Principal Payment Date or Mandatory Sinking Account Payment Date, the Trustee shall transfer from the Reserve Fund and deposit in the Principal Fund an amount sufficient to make up such deficiency. If a Reserve Facility is credited to the Reserve Fund to satisfy a portion of the Reserve Requirement, the Trustee shall make a claim for payment under such Reserve Facility, in accordance with the provisions thereof, in an amount which, together with other available moneys in the Reserve Fund, will be sufficient to make said deposit in the Principal Fund.

Moneys, if any, on deposit in the Reserve Fund shall be withdrawn and applied by the Trustee for the final payment of principal and interest evidenced by the Certificates.

(d) In the event of any transfer from the Reserve Fund or the making of any claim under any Reserve Facility, the Trustee shall, within five days thereafter, provide written notice to the District of the amount and the date of such transfer or claim.

(e) To the extent that proceeds of a payment under the Reserve Policy are applied to the payment of interest or principal evidenced by a Certificate, the Reserve Insurer shall become the Owner of such portion of such Certificate and the right to receive payment of such interest or principal and shall be fully subrogated to all of the Owner's rights thereunder to the extent of such payment, including the Owner's rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims for interest, the Trustee shall note the Reserve Insurer's rights as subrogee on the Registration Books, and (ii) in the case of subrogation as to claims for principal, the Trustee shall note the Reserve Insurer's rights as subrogee on the Registration Books upon surrender of the Certificate evidencing such principal by the Owner thereof to the Trustee.

(f) If, as a result of the District's non-payment, when due, of all or a portion of a Base Rental Payment (other than a non-payment caused by an abatement of Rental Payments pursuant to the Lease Agreement), a claim has been made under the Reserve Policy and the Reserve Insurer has paid such claim, the first of Base Rental Payments, including the interest component thereof, calculated at the Insurer Rate as provided in the Lease Agreement, thereafter received from the District under the Lease Agreement and not needed to pay the principal or interest evidenced by the Certificates on the next Interest Payment Date, Principal Payment Date or Mandatory Sinking Account Payment Date shall be paid to the Reserve Insurer, as the Owner of the Certificates (or portions thereof) evidencing such delinquent Base Rental Payment, in repayment of such payment by the Reserve Insurer until such payment is paid in full. If as a result of the District's non-payment of all or a portion of a Base Rental Payment (which non-payment is caused by an abatement of Rental Payments pursuant to the Lease Agreement), a claim has been made on the Reserve Policy and the Reserve Insurer has paid such claim, the Reserve Insurer, as the Owner of the Certificates (or portions thereof) evidencing such abated Base Rental Payment, shall be entitled to receive, during the extension of the term of the Lease Agreement provided for in the Lease Agreement, any amounts paid in respect of such abated and unpaid Base Rental Payment pursuant to the provisions of the Lease Agreement summarized in paragraph (b) under the heading "RENTAL PAYMENTS – Base Rental Payments" and under the heading "RENTAL PAYMENTS – Payment Provisions." Any such payment by the District pursuant to the provisions of the Trust Agreement summarized under this heading ("FUNDS AND ACCOUNTS; RENTAL PAYMENTS – Reserve Fund") shall be applied first to the interest component of such delinquent Base Rental Payment due the Reserve Insurer and second to the principal components of such delinquent Base Rental Payment due the Reserve Insurer.

(g) If (i) the sum of the amount on deposit in the Reserve Fund, plus the amount available under all available Reserve Facilities, is less than the Reserve Fund Requirement, (ii) there are no amounts then due to the Reserve Insurer under the Reserve Policy, and (iii) there are no amounts then due to the provider of any other Reserve Facility under such Reserve Facility, the first of Base Rental Payments thereafter received from the District under the Lease Agreement and not needed to pay the principal or interest evidenced by the Certificates on the next Interest Payment Date, Principal Payment Date or Mandatory Sinking Account Payment Date shall be used, first, to reinstate the amounts available under the Reserve Facilities that have been drawn upon and, second, to increase the amount on deposit in the Reserve Fund, so that the amount available under the Reserve Facilities, when added to the amount on deposit in the Reserve Fund, shall equal the Reserve Requirement.

(h) If, as a result of the payment of principal or interest evidenced by the Certificates or otherwise, the Reserve Requirement is reduced, amounts on deposit in the Reserve Fund in excess of such reduced Reserve Requirement shall be transferred to the Base Rental Payment Fund.

(i) On any date on which Certificates are defeased in accordance with the Trust Agreement, the Trustee shall, if so directed in a Written Request of the District, transfer any moneys in the Reserve Fund in excess of the Reserve Requirement resulting from such defeasance to the entity or fund so specified in such Written Request of the District, to be applied to such defeasance.

Costs of Issuance Fund. The Trustee shall establish and maintain a separate special fund to be held by the Trustee designated the "Costs of Issuance Fund." On the Delivery Date, there shall be deposited in the Costs of Issuance Fund the amount required to be deposited therein pursuant to the Trust Agreement. The Trustee shall disburse moneys from the Costs of Issuance Fund on such dates and in such amounts as are necessary to pay Costs of Issuance, in each case upon the Written Request of the District, stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against the Costs of Issuance Fund. On the last Business Day that is no later than six months after the Delivery Date, the Trustee shall transfer any amounts then

remaining in the Costs of Issuance Fund to the Base Rental Payment Fund and the Trustee shall close the Costs of Issuance Fund.

Rebate Fund. (a) In addition to the other funds and accounts created pursuant to the Trust Agreement, the Trustee shall establish and maintain the “Rebate Fund.” There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement, for payment to the United States of America. Notwithstanding defeasance of the Certificates pursuant to the Trust Agreement or anything to the contrary contained therein, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by the provisions of the Trust Agreement summarized in this paragraph and by the Tax Certificate (which is incorporated in the Trust Agreement by reference). The Trustee shall have no liability or responsibility to enforce compliance by the District with the terms of the Tax Certificate. The Trustee may conclusively rely upon the District’s determinations, calculations and certifications required by the Tax Certificate. The Trustee shall have no responsibility to independently make any calculation or determination or to review the District’s calculations.

(b) Any funds remaining in the Rebate Fund after payment in full of all of the principal and interest evidenced by the Certificates and after payment of any amounts described in the Trust Agreement summarized in this paragraph, shall be withdrawn by the Trustee and remitted to the District.

Investments. (a) *General.* Except as otherwise provided in the Trust Agreement, all moneys in any of the funds or accounts established pursuant to the Trust Agreement and held by the Trustee shall be invested by the Trustee solely in Permitted Investments, as directed in writing by the District two Business Days prior to the making of such investment. Moneys in all funds and accounts held by the Trustee shall be invested in Permitted Investments maturing not later than the date on which it is estimated that such moneys will be required for the purposes specified in the Trust Agreement; provided, however, that Permitted Investments in which moneys in the Reserve Fund are so invested shall mature no later than the earlier of five years from the date of investment or the final stated Principal Payment Date of the Certificates; provided, further, that if such Permitted Investments may be redeemed at par so as to be available on each Interest Payment Date, any amount in the Reserve Fund may be invested in such redeemable Permitted Investments maturing on any date on or prior to the final stated Principal Payment Date of the Certificates. Absent timely written direction from the District, the Trustee shall invest any funds held by it in Permitted Investments described in clause (h) of the definition thereof.

(b) *Role and Responsibilities of the Trustee.* The Trustee or an affiliate thereof may act as principal or agent in the acquisition or disposition of any such Permitted Investment and shall be entitled to a customary and reasonable fee therefor. The Trustee shall not be liable or responsible for any loss suffered in connection with any such investment made by it under the terms of and in accordance with the Trust Agreement. The Trustee shall sell or present for redemption any obligations so purchased whenever it shall be necessary in order to provide moneys to meet any payment of the funds so invested, and the Trustee shall not be liable or responsible for any losses resulting from any such investment sold or presented for redemption.

The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions as they occur, the District will not receive such confirmation to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements which shall include detail for all investment transactions made by the Trustee under the Trust Agreement. The Trustee may make any investments under the Trust Agreement through its own bond or investment department or trust investment

department, or those of its parent or any affiliate. The Trustee or any of its affiliates may act as sponsor, advisor or manage in connection with any investments made by the Trustee under the Trust Agreement.

(c) *Valuation.* Investments (except investment agreements) in any fund or account established under the Trust Agreement shall be valued, exclusive of accrued interest, (i) not less often than semi-annually no later than February 15 and August 15 or more frequently if deemed necessary by the Insurer but not more often than monthly, and (ii) upon any draw upon the Reserve Fund. All investments of amounts deposited in any fund or account established under the Trust Agreement shall be valued at the market value thereof.

(d) *Earnings.* Subject to the provisions of the Trust Agreement related to the Rebate Fund, any interest or profits received with respect to investments held in any of the funds or accounts established under the Trust Agreement (other than the Reserve Fund) shall be retained therein. Subject to the provisions of the Trust Agreement related to the Rebate Fund, any interest or profits received with respect to investments held in the Reserve Fund shall be transferred to the Base Rental Payment Fund. Notwithstanding the foregoing, any such transfer shall be made from the Reserve Fund only if and to the extent that, after such transfer, the amount on deposit in the Reserve Fund, together with amounts available to be drawn on all Reserve Facilities, if any, available therein, is at least equal to the Reserve Requirement.

COVENANTS

Compliance with Trust Agreement. The Trustee will execute and deliver the Certificates only in accordance with the provisions of the Trust Agreement, and each of the Corporation and the District shall faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in the Trust Agreement required to be complied with, kept, observed and performed by it.

Compliance with Ground Lease and Lease Agreement. Each of the Corporation and the District shall faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in the Ground Lease and the Lease Agreement required to be complied with, kept, observed and performed by it and, together with the Trustee, shall enforce the Ground Lease and the Lease Agreement against the other party thereto in accordance with their respective terms.

Observance of Laws and Regulations. The Corporation, the District and the Trustee shall faithfully comply with, keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on them by contract, or prescribed by any law of the United States of America or of the State of California, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by them, including their right to exist and carry on their respective businesses, to the end that such franchises, rights and privileges shall be maintained and preserved and shall not become abandoned, forfeited or in any manner impaired.

Other Liens. The District will keep the Property and all parts thereof free from judgments and materialmen's and mechanics' liens and free from all claims, demands, encumbrances and other liens of whatever nature or character, other than Permitted Encumbrances, and free from any claim or liability which materially impairs the District in conducting its business or utilizing the Property, and the Trustee at its option (after first giving the District ten days' written notice to comply therewith and failure of the District to so comply within such ten-day period) may defend against any and all actions or proceedings, or may pay or, with the written consent of the Insurer, compromise any claim or demand asserted in any such actions or proceedings; provided, however, that, in defending against any such actions or proceedings or in paying or compromising any such claims or demands, the Trustee shall not in any event be deemed to have waived or released the District from liability for or on account of any of its agreements and covenants

contained in the Trust Agreement, or from its obligation thereunder to perform such agreements and covenants. The Trustee shall have no liability with respect to any determination made in good faith to proceed or decline to defend, pay or compromise any such claim or demand.

So long as any Certificates are Outstanding, neither the Trustee or the District shall create or suffer to be created any pledge of or lien on the amounts on deposit in any of the funds or accounts created under the Trust Agreement, other than the pledge and lien thereof.

The Trustee shall not encumber the Property other than in accordance with the Ground Lease, the Lease Agreement, the Trust Agreement and the Assignment Agreement.

Prosecution and Defense of Suits. The District shall promptly, upon request of the Trustee, the Insurer or any Owner, take such action from time to time as may be necessary or proper to remedy or cure any cloud upon or defect in the title to the Property or any part thereof, whether now existing or hereafter developing, shall prosecute all actions, suits or other proceedings as may be appropriate for such purpose and shall indemnify and save the Trustee, the Insurer and every Owner harmless from all cost, damage, expense or loss, including attorneys' fees, which they or any of them may incur by reason of any such cloud, defect, action, suit or other proceeding.

Recordation. The District will record, or cause to be recorded, with the appropriate county recorder, the Lease Agreement, the Ground Lease and the Assignment Agreement, or memoranda thereof.

Tax Covenants. (a) The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of interest evidenced by the Certificates under Section 103 of the Code. Without limiting the generality of the foregoing, the District will comply with the requirements of the Tax Certificate, which is incorporated in the Trust Agreement as if fully set forth therein. This covenant shall survive payment in full or defeasance of the Certificates.

(b) In the event that at any time the District is of the opinion that for purposes of the Trust Agreement related to the tax covenants it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the Trustee in any of the funds or accounts established thereunder, the District shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of the Trust Agreement related to the tax covenants, if the District shall provide to the Trustee an Opinion of Counsel to the effect that any specified action required under the Trust Agreement related to the tax covenants is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest evidenced by the Certificates, the Trustee may conclusively rely on such opinion in complying with the requirements of the Trust Agreement and of the Tax Certificate, and the covenants thereunder shall be deemed to be modified to that extent.

Continuing Disclosure. Each of the District and the Trustee shall comply with and carry out all of the provisions of the Continuing Disclosure Agreement applicable to it. Notwithstanding any other provision of the Trust Agreement, failure of the District or the Trustee to comply with the Continuing Disclosure Agreement shall not constitute an event of default under the Trust Agreement; provided, however, that the Trustee may (and, at the written direction of any Participating Underwriter or the Owners of at least 25% of the aggregate amount of principal evidenced by Outstanding Certificates and upon being indemnified to its reasonable satisfaction, shall) or any Owner or Beneficial Owner of the Certificates may

take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Further Assurances. Whenever and so often as requested to do so by the Trustee, the Insurer or any Owner, the Corporation and the District will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee, the Insurer and the Owners all advantages, benefits, interests, powers, privileges and rights conferred or intended to be conferred upon them by the Trust Agreement, the Assignment Agreement, the Ground Lease or the Lease Agreement.

DEFAULT AND LIMITATIONS OF LIABILITY

Action on Default. If an event of default (within the meaning of the Lease Agreement) shall happen, then such event of default shall constitute an event of default under the Trust Agreement. The Trustee, as assignee of the Corporation, may give notice of an event of default under the Lease Agreement to the District, and shall do so if directed in writing to do so by the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) or the Owners of not less than a majority of the aggregate principal evidenced by Certificates then Outstanding. In each and every case during the continuance of an event of default, the Trustee (a) may, with the prior written consent of the Insurer, at the direction of the Owners of not less than a majority of the aggregate principal evidenced by Certificates then Outstanding, and (b) shall, upon being indemnified to its reasonable satisfaction, so long as the Insurer is not in default in its payment obligations under the Insurance Policy, at the direction of the Insurer, upon notice in writing to the District and the Corporation, exercise any of the remedies granted to the Corporation under the Lease Agreement and, in addition, with the written consent or at the written direction of the Insurer, take whatever action at law or in equity may appear necessary or desirable to enforce its rights as assignee pursuant to the Assignment Agreement or to protect and enforce any of the rights vested in the Trustee or the Owners by the Trust Agreement or by the Certificates, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in the Trust Agreement.

Other Remedies of the Trustee. Subject to the provisions of the Trust Agreement summarized under the heading “DEFAULT AND LIMITATIONS OF LIABILITY – Action on Default,” the Trustee shall have the right:

- (a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the District or any member, director, officer or employee thereof, and to compel the District or any such member, director, officer or employee to perform or carry out its or his or her duties under law and the agreements and covenants required to be performed by it or him or her contained in the Trust Agreement;
- (b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee or the Owners; or
- (c) by suit in equity upon the happening of any event of default under the Trust Agreement to require the District to account as the trustee of an express trust.

Non-Waiver. So long as the Insurer is not in default in its payment obligations under the Insurance Policy, the Trustee shall not waive any default or breach of duty or contract under the Trust Agreement without the prior written consent of the Insurer. A waiver of any default or breach of duty or contract by

the Trustee shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every right or remedy conferred upon the Trustee by law or by the provisions of the Trust Agreement summarized under the heading “DEFAULT AND LIMITATIONS OF LIABILITY” may be enforced and exercised from time to time and as often the Trustee shall deem expedient.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the Trustee, the Insurer or any Owner, then subject to any adverse determination, the Trustee, the Insurer, such Owner, the Corporation and the District shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

Remedies Not Exclusive. Subject to the provisions of the Trust Agreement summarized under the heading “DEFAULT AND LIMITATIONS OF LIABILITY – Action on Default,” no remedy in the Trust Agreement conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given thereunder now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any law. The assertion or employment of any right or remedy under the Trust Agreement, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

No Liability by the Corporation to the Owners. The Corporation shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the District, or with respect to the performance by the District of the other agreements and covenants required to be performed by it contained in the Lease Agreement, the Ground Lease or in the Trust Agreement, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained therein.

No Liability by the District to the Owners. Except for the payment when due of the Base Rental Payments and the performance of the other agreements and covenants required to be performed by it contained in the Lease Agreement, the Ground Lease or the Trust Agreement, the District shall not have any obligation or liability to the Owners with respect to the Trust Agreement or the preparation, execution, delivery or transfer of the Certificates or the disbursement of the Base Rental Payments by the Trustee to the Owners, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained therein.

No Liability of the Trustee to the Owners. Except as expressly provided in the Trust Agreement, the Trustee shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the District, or with respect to the performance by the Corporation or the District of the other agreements and covenants required to be performed by them, respectively, contained in the Lease Agreement, the Ground Lease or the Trust Agreement.

Application of Amounts After Default. All payments received by the Trustee with respect to the rental of the Property after a default by the District pursuant to the provisions of the Lease Agreement summarized under the heading “DEFAULTS AND REMEDIES” (including, without limitation, any proceeds received in connection with the sale, assignment or sublease of the Corporation’s right, title and interest in the Ground Lease), and all damages or other payments received by the Trustee for the enforcement of any rights and powers of the Trustee under such provisions of the Lease Agreement, shall be deposited into the Base Rental Payment Fund and as soon as practicable thereafter applied:

(a) to the payment of all amounts due the Trustee under the provisions of the Trust Agreement summarized under the heading “THE TRUSTEE – Compensation and Indemnification”;

(b) to the payment of all amounts then due for interest evidenced by the Certificates, in respect of which, or for the benefit of which, money has been collected (other than Certificates which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of interest evidenced by such Certificates due and payable;

(c) to the payment of all amounts then due for principal evidenced by the Certificates, in respect of which, or for the benefit of which, money has been collected (other than Certificates which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of principal evidenced by such Certificates due and payable; and

(d) to the extent not included in paragraphs (b) or (c) above, to the payment of all amounts then due under the Trust Agreement to the Insurer.

Trustee May Enforce Claims Without Possession of Certificates. All rights of action and claims under the Trust Agreement or the Certificates may be prosecuted and enforced by the Trustee without the possession of any of the Certificates or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Owners of the Certificates in respect of which such judgment has been recovered.

Limitation on Suits. No Owner of any Certificate shall have any right to institute any proceeding, judicial or otherwise, with respect to the Trust Agreement, or for the appointment of a receiver or trustee, or for any other remedy thereunder, unless (a) such Owner shall have previously given written notice to the Trustee of a continuing event of default, (b) so long as the Insurer is not in default in its payment obligations under the Insurance Policy, such Owner shall have obtained the Insurer’s consent to such institution or appointment, (c) the Owners of not less than 25% of the aggregate amount of principal evidenced by Certificates then Outstanding shall have made written request to the Trustee to institute proceedings in respect of such event of default in its own name as Trustee under the Trust Agreement, (d) such Owner or Owners shall have afforded to the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, (e) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such proceedings, and (f) no direction inconsistent with such written request shall have been given to the Trustee during such 60 day period by the Owners of a majority of the aggregate amount of principal evidenced by Certificates then Outstanding; it being understood and intended that no one or more Owners of Certificates shall have any right in any manner whatever by virtue of, or by availing of, any provision of the Trust Agreement to affect, disturb or prejudice the rights of any other Owner of Certificates, or to obtain or seek to obtain priority or preference over any other Owner or to enforce any right under the Trust Agreement, except in the manner provided in the Trust Agreement and for the equal and ratable benefit of all the Owners of Certificates.

THE TRUSTEE

Duties and Liabilities of Trustee. The Trustee shall, prior to an event of default, and after the curing or waiver of all events of default which may have occurred, perform such duties and only such duties as are

expressly and specifically set forth in the Trust Agreement. The Trustee shall, during the existence of any event of default which has not been cured or waived, exercise such of the rights and powers vested in it by the Trust Agreement, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

Qualifications; Removal and Resignation; Successors. (a) The Trustee initially a party to the Trust Agreement and any successor thereto shall at all times be a trust company, national banking association or bank having trust powers in good standing in or incorporated under the laws of the United States or any state thereof, having (or if such trust company, national banking association or bank is a member of a bank holding company system, its parent bank holding company shall have) a combined capital and surplus of at least \$250,000,000, and subject to supervision or examination by a federal or state agency. If such trust company, national banking association or bank publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining agency above referred to, then for the purpose of this subsection the combined capital and surplus of such trust company, national banking association or bank shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) The District may, by an instrument in writing, upon at least 30 days' notice to the Trustee, remove the Trustee initially a party to the Trust Agreement and any successor thereto unless an event of default shall have occurred and then be continuing, and shall remove the Trustee initially a party to the Trust Agreement and any successor thereto if at any time (i) requested to do so by the Insurer (as long as the Insurer is not in default in its payment obligations under the Insurance Policy) or by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority of the aggregate amount of principal evidenced by the Certificates at the time Outstanding (or their attorneys duly authorized in writing), or (ii) the Trustee shall cease to be eligible in accordance with paragraph (a) above, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee.

(d) Upon removal or resignation of the Trustee, the District shall promptly appoint a successor Trustee by an instrument in writing, which appointment shall be subject to the prior written approval of the Insurer. Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee; provided, however, that any successor Trustee shall be qualified as provided in paragraph (a) above. If no qualified successor Trustee shall have been appointed and have accepted appointment within 45 days following notice of removal or notice of resignation as aforesaid, the removed or resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice, if any, as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under the Trust Agreement shall signify its acceptance of such appointment by executing and delivering to the District, the Corporation and its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee in the Trust

Agreement; but, nevertheless at the written request of the District, the Corporation or the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under the Trust Agreement and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in the Trust Agreement. Upon acceptance of appointment by a successor Trustee as provided in this paragraph, the successor Trustee shall, within 15 days after such acceptance, mail, by first class mail postage prepaid, a notice of the succession of such Trustee to the trusts under the Trustee to the Owners at the addresses shown on the Registration Books.

(e) Any trust company, national banking association or bank into which the Trustee may be merged or converted or with which it may be consolidated or any trust company, national banking association or bank resulting from any merger, conversion or consolidation to which it shall be a party or any trust company, national banking association or bank to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such trust company, national banking association or bank shall be eligible under paragraph (a) above, shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything in the Trust Agreement to the contrary notwithstanding.

Liabilities of the Trustee. (a) The recitals of facts in the Trust Agreement shall be taken as statements of the District, and the Trustee shall not assume responsibility for the correctness of the same. The Trustee shall, however, be responsible for its representations contained in the Certificates.

(b) The Trustee makes no representations as to the validity or sufficiency of the Trust Agreement, the Lease Agreement, or of the assignment made to it by the Assignment Agreement, or in respect of the security afforded by the Trust Agreement, and the Trustee shall incur no responsibility in respect thereof. The Trustee shall be under no responsibility or duty with respect to (i) the delivery of the Certificates for value, (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee, or (iii) the application of any moneys paid to the District or others in accordance with the Trust Agreement, except as to the application of any moneys paid to it in its capacity as Trustee.

(f) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

(g) The immunities and protections extended to the Trustee also extend to its directors, officers, employees and agents.

(h) Before taking action under the provisions of the Trust Agreement described under the headings “DEFAULT AND LIMITATIONS OF LIABILITY” or “THE TRUSTEE” or upon the direction of the Owners, the Trustee may require indemnity satisfactory to the Trustee be furnished to it to protect it against all fees and expenses, including those of its attorneys and advisors, and protect it against all liability it may incur.

(i) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate amount of principal evidenced by the Certificates at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under the Trust Agreement.

(j) The Trustee may become the Owner of Certificates with the same rights it would have if it were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners, whether or not such committee shall represent the Owners of a majority in aggregate amount of principal evidenced by the Certificates then Outstanding.

(k) The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Certificates.

(l) The Trustee shall not be liable for the failure to take any action required to be taken by it under the Trust Agreement if and to the extent that the Trustee's taking such action is prevented by reason of an act of God, terrorism, war, riot, strike, fire, flood, earthquake, epidemic or other, similar occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care.

(o) The Trustee shall not be responsible for or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions of the Trust Agreement.

Right to Rely on Documents and Opinions. (a) The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bonds or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) Whenever in the administration of the duties imposed upon it by the Trust Agreement, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under the Trust Agreement, such matter (unless other evidence in respect thereof be specifically prescribed in the Trust Agreement) may be deemed to be conclusively proved and established by a Written Certificate of the District, and such Written Certificate of the District shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of the Trust Agreement in reliance upon such Written Certificate of the District, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

(c) The Trustee may consult with counsel, who may be counsel to the District or the Corporation, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under the Trust Agreement in good faith and in accordance therewith.

The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with prudent corporate trust industry standards, in which accurate entries shall be made of all transactions made by it relating to the proceeds of the Certificates, the Base Rental Payments received by it and all funds and accounts established by it pursuant to the Trust Agreement. Such books of record and account shall be available for inspection by the District, the Corporation and the Insurer during regular business hours and upon reasonable notice and under reasonable circumstances as agreed to by the Trustee. The Trustee shall deliver to the District a monthly accounting of the funds and accounts it holds under the Trust Agreement; provided, however, that the Trustee shall not be obligated to deliver an accounting for any fund or account that (a) has a balance of zero, and (b) has not had any activity since the last reporting date.

Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of the Trust Agreement shall be retained in its possession and shall be subject during business hours and upon reasonable notice to the inspection of the District, the Corporation, the Owners and their agents and representatives duly authorized in writing.

The District shall pay to the Trustee from time to time all reasonable compensation pursuant to a pre-approved fee letter for all services rendered under the Trust Agreement, and also all reasonable expenses, charges, legal and consulting fees pursuant to a pre-approved fee letter and other disbursements pursuant to a pre-approved fee letter and those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under the Trust Agreement. The District shall, to the extent permitted by law, indemnify and save the Trustee harmless against any costs, claims, expenses (including fees and expenses of its counsel), and liabilities which it may incur in the exercise and performance of its powers and duties under the Trust Agreement, including the enforcement of any remedies and the defense of any suit, and which are not due to its negligence or its willful misconduct. The duty of the District to indemnify the Trustee shall survive the resignation or removal of the Trustee and the termination and discharge of the Trust Agreement.

AMENDMENT OF OR SUPPLEMENT TO TRUST AGREEMENT

Amendment or Supplement. (a) The Trust Agreement and the rights and obligations of the District, the Corporation, if any, the Owners and the Trustee thereunder may be amended or supplemented at any time by an amendment thereof or supplement thereto which shall become binding when the prior written consents of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) and the Owners of a majority of the aggregate amount of principal evidenced by the Certificates then Outstanding, exclusive of Certificates disqualified as provided in the Trust Agreement as summarized under the heading “AMENDMENT OF OR SUPPLEMENT TO TRUST AGREEMENT – Disqualified Certificates,” are filed with the Trustee. (b) The Trust Agreement and the rights and obligations of the District, the Corporation, if any, the Owners and the Trustee thereunder may also be amended or supplemented at any time by an amendment thereof or supplement thereto which shall become binding upon execution, with the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy), but without the written consents of any Owners and only for any one or more of the following purposes:

(i) to add to the agreements, conditions, covenants and terms required by the District to be observed or performed in the Trust Agreement, other agreements, conditions, covenants and terms thereafter to be observed or performed by the District, or to surrender any right or power reserved therein to or conferred therein on the District;

(ii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained in the Trust Agreement or in regard to questions arising thereunder which the District may deem desirable or necessary and not inconsistent therewith;

(iii) to make such additions, deletions or modifications as may be necessary or appropriate to assure the exclusion from gross income for federal income tax purposes of interest evidenced by the Certificates; or

(iv) for any other reason, provided such amendment or supplement does not adversely affect the rights or interests of the Owners; provided, however, that the District and the Trustee may rely in entering into any such amendment or supplement upon an Opinion of Counsel stating that the requirements of this paragraph have been met with respect to such amendment or supplement.

The Trustee is not obligated to enter into any amendment or supplement that adversely affects the rights or obligations of the Trustee.

The Insurer shall be provided with a full original transcript of all proceedings relating to the amendment of or supplement to the Trust Agreement pursuant to the provisions of the Trust Agreement summarized under the heading “AMENDMENT OR SUPPLEMENT TO TRUST AGREEMENT – Amendment or Supplement.”

Disqualified Certificates. Certificates owned or held by or for the account of the District (but excluding Certificates held in any pension or retirement fund of the District) shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Certificates provided in the provisions of the Trust Agreement summarized under the heading “AMENDMENT OF OR SUPPLEMENT TO TRUST AGREEMENT” and shall not be entitled to consent to or take any other action provided in such provisions, and the Trustee may adopt appropriate regulations to require each Owner,

before its consent provided for in the Trust Agreement shall be deemed effective, to reveal if the Certificates as to which such consent is given are disqualified as provided therein.

Endorsement or Replacement of Certificates After Amendment or Supplement. After the effective date of any action taken as provided above, the Trustee may determine that the Certificates may bear a notation by endorsement in form approved by the Trustee as to such action, and in that case upon demand of the Owner of any Outstanding Certificate and presentation of such Certificate for such purpose at the Principal Office of the Trustee a suitable notation as to such action shall be made on such Certificate. If the Trustee shall receive an Opinion of Counsel advising that new Certificates modified to conform to such action are necessary, modified Certificates shall be prepared, and in that case upon demand of the Owner of any Outstanding Certificates such new Certificates shall be exchanged at the Principal Office of the Trustee without cost to each Owner for Certificates then Outstanding upon surrender of such Outstanding Certificates.

Amendment by Mutual Consent. Subject to the receipt of the prior written consent of the Insurer as provided in the Trust Agreement, the provisions of the Trust Agreement summarized under the heading "AMENDMENT OF OR SUPPLEMENT TO TRUST AGREEMENT" shall not prevent any Owner from accepting any amendment as to the particular Certificates owned by such Owner, provided that due notation thereof is made on such Certificates.

DEFEASANCE

Discharge of Trust Agreement. (a) If there shall be paid (i) to the Owners of all Outstanding Certificates the principal, interest and premium, if any, evidenced thereby at the times and in the manner stipulated therein and in the Trust Agreement, and (ii) all other amounts due under the Trust Agreement and under the Lease Agreement, then the Owners shall cease to be entitled to the pledge of the assets provided for in the Trust Agreement, and all agreements, covenants and other obligations of the Corporation and the District under the Trust Agreement shall thereupon cease, terminate and become void and the Trust Agreement shall be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Corporation and the District all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the District all money or securities held by it pursuant to the Trust Agreement which are not required for the payment of the principal, interest and premium, if any, evidenced by the Certificates.

(b) Subject to the provisions of paragraph (a) above, when any Certificate shall have been paid and if, at the time of such payment, each of the Corporation and the District shall have kept, performed and observed all of the covenants and promises in the Trust Agreement and the Lease Agreement required or contemplated to be kept, performed and observed by it or on its part on or prior to that time, then the Trust Agreement shall be considered to have been discharged in respect of such Certificate and such Certificate shall cease to be entitled to the pledge of the assets provided in the Trust Agreement, and all agreements, covenants and other obligations of the Corporation and the District under the Trust Agreement shall cease, terminate, become void and be completely discharged and satisfied as to such Certificate.

(c) Notwithstanding the discharge and satisfaction of the Trust Agreement or the discharge and satisfaction of the Trust Agreement in respect of any Certificate, those provisions of the Trust Agreement relating to the payment of the principal, interest and premium, if any, evidenced by Certificates, exchange and transfer of Certificates, replacement of mutilated, destroyed, lost or stolen Certificates, the safekeeping and cancellation of Certificates, and the duties of the Trustee in connection with all of the foregoing, shall remain in effect and shall be binding upon the Trustee and the Owners of such Certificate, and the Trustee shall continue to be obligated to hold in trust any moneys or investments then held by the Trustee for the payment of the principal, interest and premium, if any, evidenced by such Certificate, and

to pay to the Owner of such Certificate the funds so held by the Trustee as and when such payment becomes due.

Certificates Deemed To Have Been Paid. (a) If moneys shall have been set aside and held by the Trustee for the payment or prepayment of the principal evidenced by any Certificate and the payment of the interest evidenced thereby to the stated Principal Payment Date or prepayment date thereof, such Certificate shall be deemed to have been paid within the meaning and with the effect provided in the Trust Agreement described under the heading “DEFEASANCE – Discharge of Trust Agreement.” Any Outstanding Certificate shall prior to its stated Principal Payment Date or the prepayment date thereof be deemed to have been paid within the meaning of and with the effect expressed in the Trust Agreement described under the heading “DEFEASANCE – Discharge of Trust Agreement” if (i) in case any of such Certificates is to be prepaid on any date prior to its stated Principal Payment Date, the District shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail, on a date in accordance with the provisions of the Trust Agreement, notice of prepayment of such Certificate on said prepayment date, said notice to be given in accordance with the provisions of the Trust Agreement, (ii) there shall have been deposited with the Trustee either (A) money in an amount which shall be sufficient, or (B) Defeasance Securities, the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys which shall be sufficient to pay when due the interest evidenced by such Certificate to become due on and prior to its stated Principal Payment Date or the prepayment date thereof, as the case may be, and the principal and premium, if any, evidenced by such Certificate, and (iii) in the event such Certificate is not by its terms subject to prepayment within the next succeeding 60 days, the District shall have given the Trustee in form satisfactory to it irrevocable instructions to mail as soon as practicable, a notice to the Owner of such Certificate that the deposit required by clause (ii) above has been made with the Trustee and that such Certificate is deemed to have been paid in accordance with the provisions of the Trust Agreement described under the heading “DEFEASANCE – Certificates Deemed to Have Been Paid,” and stating stated Principal Payment Date or prepayment date upon which money is to be available for the payment of the principal and premium, if any, evidenced by such Certificate.

(b) No Certificate shall be deemed to have been paid pursuant to clause (ii) of paragraph (a) above unless (i) all amounts currently due to the Insurer under the Insurance Policy and to the Reserve Insurer under the Reserve Policy shall have been paid in full, and (ii) the District shall have caused to be delivered to the District and the Trustee (A) an executed copy of a Verification Report with respect to such deemed payment, addressed to the District, the Insurer and the Trustee, in form and in substance acceptable to the District and the Insurer, (B) a copy of the escrow agreement entered into in connection with the deposit pursuant to clause (ii)(B) of paragraph (a) above resulting in such deemed payment, which escrow agreement shall provide that no substitution of Defeasance Securities shall be permitted except with other Defeasance Securities and upon delivery of a new Verification Report and no reinvestment of Defeasance Securities shall be permitted except as contemplated by the original Verification Report or upon delivery of a new Verification Report, in form and substance acceptable to the Insurer, and (C) a copy of an Opinion of Counsel, dated the date of such deemed payment and addressed to the District, the Insurer and the Trustee, in form and in substance acceptable to the District and the Insurer, to the effect that such Certificate has been paid within the meaning and with the effect expressed in the Trust Agreement, the Trust Agreement has been discharged in respect of such Certificate and all agreements, covenants and other obligations of the District and the Corporation under the Trust Agreement as to such Certificate have ceased, terminated, become void and been completely discharged and satisfied. In the event a forward purchase agreement is to be employed in connection with the Defeasance Securities purchased to defease Certificates, such agreement shall be subject to the approval of the Insurer and shall be accompanied by such opinions of counsel as may be required by the Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five (5) Business Days prior to the funding of the escrow.

Unclaimed Moneys. Subject to the escheat laws of the State, any moneys held by the Trustee in trust for the payment and discharge of the interest or principal evidenced by any of the Certificates which remain unclaimed for two years after the date when such interest or principal evidenced by such Certificates have become payable, if such moneys were held by the Trustee at such date, or for two years after the date of deposit of such moneys if deposited with the Trustee after the date when the interest and principal evidenced by such Certificates have become payable, shall, at the Written Request of the District be repaid by the Trustee to the District as its absolute property free from trust, and the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of the interest and principal evidenced by such Certificates.

INSURANCE POLICY AND RESERVE POLICY PROVISIONS

Insurer To Be Deemed Owner; Rights of the Insurer; Payments by the Insurer; Notices. The provisions of the Trust Agreement described under the heading “INSURANCE POLICY AND RESERVE POLICY PROVISIONS” shall apply notwithstanding any other provision of the Trust Agreement to the contrary so long as the Insurer is not in default in its payment obligations under the Insurance Policy.

(a) The Insurer shall at all times be deemed the sole and exclusive Owner of the Outstanding Certificates for the purposes of all approvals, consents, waivers, institution of any action, and the direction of all remedies, including but not limited to approval of or consent to any amendment of or supplement to the Trust Agreement which requires the consent or approval of the Owners of a majority of the aggregate principal evidenced by the Certificates then Outstanding pursuant to the Trust Agreement; provided, however, that the Insurer shall not be deemed to be the sole and exclusive Owner of the Outstanding Certificates with respect to any amendment or supplement to the Trust Agreement which seeks to amend or supplement the Trust Agreement for the purposes set forth in clauses (i), (ii) or (iv) of paragraph (a) of the provisions of the Trust Agreement summarized under the heading “AMENDMENT OF OR SUPPLEMENT TO TRUST AGREEMENT – Amendment or Supplement,” and provided further that the Insurer shall not be deemed the sole and exclusive Owner of the Outstanding Certificates with respect to any amendment or supplement to the Trust Agreement, and shall not have the right to direct or consent to District, Corporation, Trustee or Owner action as provided in the Trust Agreement, if:

(i) the Insurer shall be in payment default under the Insurance Policy and such failure shall continue for three Business Days;

(ii) any material provision of the Insurance Policy shall be held to be invalid by a final, non-appealable order of a court of competent jurisdiction, or the validity or enforceability thereof shall be contested in writing by the Insurer; or

(iii) a proceeding shall have been instituted in a court having jurisdiction in the premises seeking an order for relief, rehabilitation, reorganization, conservation, liquidation or dissolution in respect of the Insurer under Article 16 of the Insurance Law of the State of New York or any successor provision thereto and such proceeding is not terminated for a period of 90 consecutive days or such court enters an order granting the relief sought in such proceeding.

(b) To the extent that the Insurer makes payment of any interest or principal evidenced by a Certificate, it shall become the Owner of such portion of such Certificate and the right to receive payment of such interest or principal and shall be fully subrogated to all of the Owner’s rights thereunder in accordance with the terms of the Insurance Policy to the extent of such payment, including the Owner’s rights to payment thereof (which subrogation rights shall include the rights of any such Owner in connection with any Insolvency Proceeding). To evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Trustee shall note the Insurer’s rights as subrogee on the Registration Books upon

receipt of proof from the Insurer as to payment of such interest to the Owner of the Certificate evidencing such interest, and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Insurer's rights as subrogee on the Registration Books upon surrender of the Certificate evidencing such principal by the Owner thereof to the Trustee.

(c) In the event that the interest or principal evidenced by a Certificate shall be paid by the Insurer pursuant to the terms of the Insurance Policy, (i) such Certificate shall continue to be Outstanding under the Trust Agreement, (ii) the pledge of the amounts on deposit in the funds and accounts established under the Trust Agreement and all covenants, agreements and other obligations of the District thereunder and under the Lease Agreement shall continue to exist, (iii) the Insurer shall be fully subrogated to all of the rights of such Owner in accordance with the terms and conditions of paragraph (b) above and the Insurance Policy, and (iv) neither the Trust Agreement nor the Lease Agreement shall be discharged unless and until all amounts due to the Insurer have been paid in full.

(d) If an event of default (within the meaning of the Lease Agreement) shall have occurred and be continuing, the Insurer may, regardless of whether a claim has been made under the Insurance Policy, at any time and at its sole option, pay to the Owners all or any portion of the interest or principal evidenced by the Certificates (at a price equal to 100% of the principal evidenced by the Certificates so purchased) prior to the stated Principal Payment Dates thereof; provided, however, that such payment by the Insurer shall not accelerate the District's obligation to make Rental Payments under the Lease Agreement. The Trustee shall accept such payments on behalf of the Owners and the Insurer's obligations under the Insurance Policy shall be discharged to the extent of such payments.

(e) The Insurer shall be notified (i) by the District at least 30 days (or such lesser time as agreed by the Insurer) in advance of the execution of any amendment of or supplement to the Trust Agreement and of any amendment to the Lease Agreement or the Ground Lease in the event consent of the Owners is not required for such amendment or supplement, (ii) by the Trustee within five Insurance Business Days of the Trustee's having knowledge of the occurrence of any event of default (within the meaning of the Lease Agreement), and (iii) by the Trustee of any prepayment of Certificates (including the principal evidenced by, and the CUSIP numbers of, such Certificates to be prepaid) at the same time that the Owners of the Certificates to be prepaid are notified. In addition, all notices, reports, certificates and opinions (i) to be delivered to or by the Trustee or to the Owners or available at the request of the Owners pursuant to the Trust Agreement, or (ii) to be delivered by the District pursuant to the Lease Agreement or the Assignment Agreement shall also be delivered to the Insurer.

(f) The Trustee shall also notify the Insurer (i) immediately, upon the withdrawal of amounts on deposit in the Reserve Fund, other than amounts comprising investment earnings thereon which may be withdrawn in accordance with the terms of the Trust Agreement, upon a claim being made under any Reserve Facility or upon the determination that a deficiency in the Reserve Fund exists as a result of fluctuations in the market value of investments held therein, and (ii) immediately upon the resignation or removal of the Trustee or the appointment of a successor Trustee.

(g) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Certificates may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(h) Subject to and conditioned upon payment of any interest or principal evidenced by the Certificates by or on behalf of the Insurer, each Owner, by its purchase of Certificates, assigns to the Insurer, but only to the extent of all payments made by the Insurer, all rights to the payment of interest or principal evidenced by the Certificates, including, without limitation, any amounts due to the Owners in respect of securities law violations arising from the offer and sale of the Certificates, which are then due for payment.

The Insurer may exercise any option, vote, right, power or the like with respect to Certificates to the extent it has made a payment of principal evidenced by Certificates pursuant to the Insurance Policy. The foregoing assignment is in addition to, and not in limitation of, rights of subrogation otherwise available to the Insurer in respect of such payments. The Trustee shall take such action and deliver such instruments as may be reasonably requested or required by the Insurer to effectuate the purpose or provisions of this paragraph.

(i) The Insurer shall have the right to advance any payment required to be made by the District in order to prevent an event of default under the Trust Agreement and the Trustee shall be required to accept such advance. The District shall, upon demand, reimburse the Insurer for any such advance.

(j) The rights granted under the Trust Agreement, the Lease Agreement or the Ground Lease to the Insurer to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit of or on behalf of the Owners, nor does such action evidence any position of the Insurer, positive or negative, as to whether Owner consent is required in addition to consent of the Insurer.

(k) Pursuant to the Trust Agreement, the District agrees, to the extent permitted by law, to pay or reimburse the Insurer any and all charges, fees, costs and expenses which the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in the Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement, (ii) the pursuit of any remedies under the Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement, or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement, or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement.

(l) The Insurer shall be entitled to pay principal or interest evidenced by the Certificates that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the District (as such terms are defined in the Insurance Policy) thereof in accordance with the Trust Agreement, whether or not the Insurer has received a Notice (as defined in the Insurance Policy) of Nonpayment or a claim upon the Insurance Policy.

(m) The Trustee shall promptly notify the Insurer of either of the following as to which it has actual knowledge: (i) the commencement of any proceeding by or against the District or the Corporation commenced under the United States Bankruptcy Code or any successor statute or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding"), and (ii) the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer (a "Preference Claim") of any payment of interest or principal evidenced by the Certificates. Each Owner, by its purchase of Certificates, and the Trustee agrees that the Insurer may at any time during the continuation of an Insolvency Proceeding direct all matters relating to such Insolvency Proceeding, including, without limitation, (i) all matters relating to any Insolvency Proceeding or Preference Claim, (ii) the direction of any appeal of any order relating to any Insolvency Proceeding or Preference Claim, (iii) the posting of any surety, supersedes or performance bond pending any such appeal, and (iv) to accept or reject any plan of adjustment. In addition, the Trustee (solely with respect to the Certificates) and each Owner delegate and assign to the Insurer, to the fullest extent permitted by law, the

rights of the Trustee and each Owner in the conduct of any Insolvency Proceeding, including, without limitation, any rights of any party to an adversary proceeding action with respect to any court order issued in connection with any such Insolvency Proceedings.

(n) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Trust Agreement would adversely affect the security for the Certificates or the rights of the Owners, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(o) Any reorganization or liquidation plan with respect to the District must be acceptable to the Insurer. In the event of any such reorganization or liquidation, the Insurer shall have the right to vote on behalf of all Owners (so long as the Insurer is not in default in its payment obligations under the Insurance Policy).

(p) The District will permit the Insurer to discuss the affairs, finances and accounts of the District or any information the Insurer may reasonably request regarding the security for the Certificates with appropriate officers of the District and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the District on any Business Day upon reasonable prior notice.

(q) The obligations set forth in paragraphs (k) and (m) above shall survive discharge or termination of the Trust Agreement and the Lease Agreement.

Deposits to Policy Payments Account; Payments Under the Insurance Policy. (a) So long as the Insurance Policy shall be in full force and effect, the District and the Trustee agree to comply with the provisions of the provisions of the Trust Agreement described under the heading “INSURANCE POLICY AND RESERVE POLICY PROVISIONS – Deposits to Policy Payments Account; Payments Under the Insurance Policy.”

(b) If, on the third Insurance Business Day prior to a Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date there is not on deposit with the Trustee, after making all transfers and deposits required under the Trust Agreement, moneys sufficient to pay the interest or principal evidenced by the Certificates due on such Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date, the Trustee shall give notice to the Insurer and to the Insurer’s Fiscal Agent (if any) by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Insurance Business Day. If, on the second Insurance Business Day prior to such Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date, there continues to be a deficiency in the amount available to pay the interest or principal evidenced by the Certificates due on such Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay the interest evidenced by the Certificates and the amount required to pay principal evidenced by the Certificates, confirmed in writing to the Insurer and the Insurer’s Fiscal Agent (if any) by 12:00 noon, New York City time, on such second Insurance Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

(c) The Trustee shall designate any portion of principal evidenced by Certificates paid by the Insurer, whether by virtue of Mandatory Sinking Account Payment, the stated Principal Payment Date or the Insurer’s election to pay said amounts prior to the stated Principal Payment Date pursuant to paragraph (e) of the provisions of the Trust Agreement summarized under the heading “INSURANCE POLICY AND RESERVE POLICY PROVISIONS – Insurer To Be Deemed Owner; Rights of the Insurer; Payments by

the Insurer; Notices,” on its books as a reduction in the principal evidenced by Certificates registered to the then current Owners, whether DTC or its nominee or otherwise, and shall issue a replacement Certificate to the Insurer, registered in the name of Assured Guaranty Municipal Corp., evidencing principal in an amount equal to the principal so paid (without regard to Authorized Denominations); provided that the Trustee’s failure to so designate any payment or issue any replacement Certificate shall have no effect on the amount of principal or interest evidenced by any Certificate payable by the District or the subrogation rights of the Insurer.

(d) The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of the interest and principal evidenced by any Certificate. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Owners known as the “Policy Payments Account” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Owners and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners in the same manner as payments of interest and principal evidenced by the Certificates are to be made with respect to the Certificates under the provisions of the Trust Agreement. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to make payments of interest and principal with other funds available to make such payments.

If, as a result of the District’s non-payment, when due, of all or a portion of a Base Rental Payment (other than a non-payment caused by an abatement of Rental Payments pursuant to the Lease Agreement), the Insurer has paid interest or principal evidenced by the Certificates pursuant to the Insurance Policy, (i) the first of Base Rental Payments thereafter received from the District under the Lease Agreement that are not required to be paid to the Reserve Insurer pursuant to paragraph (f) of the provisions of the Trust Agreement summarized under the heading “FUNDS AND ACCOUNTS; RENTAL PAYMENTS – Reserve Fund,” and (ii) the interest payable with respect to such delinquent Base Rental Payments, calculated at the Insurer Rate as provided in the Lease Agreement, shall be paid to the Insurer, as the Owner of the Certificates (or portions thereof) evidencing such delinquent Base Rental Payment in repayment of such payment by the Insurer until such payment is paid in full. If, as a result of the District’s non-payment of all or a portion of a Base Rental Payment (which non-payment is caused by an abatement of Rental Payments pursuant to the Lease Agreement), the Insurer has paid interest or principal evidenced by the Certificates pursuant to the Insurance Policy, the Insurer, as the Owner of the Certificates (or portions thereof) representing such abated Base Rental Payment, shall be entitled to receive, during the extension of the term of the Lease Agreement provided for in the Lease Agreement, any amounts paid in respect of such abated and unpaid Base Rental Payment pursuant to the provisions of the Lease Agreement summarized in paragraph (b) under the heading “RENTAL PAYMENTS – Base Rental Payments” and under the heading “RENTAL PAYMENTS – Payment Provisions” that are not required to be paid to the Reserve Insurer pursuant to paragraph (f) of the provisions of the Trust Agreement summarized under the heading “FUNDS AND ACCOUNTS; RENTAL PAYMENTS – Reserve Fund.” Any such payment by the District pursuant to the provisions of the Trust Agreement summarized under the heading “INSURANCE POLICY AND RESERVE POLICY PROVISIONS – Deposits to Policy Payments Account; Payments Under the Insurance Policy” shall be applied first to the interest component of such delinquent Base Rental Payment due the Insurer and second to the principal components of such delinquent Base Rental Payment due the Insurer.

(e) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date shall promptly be remitted to the Insurer.

Reporting Requirements. (a) The District shall provide to the Insurer (i) within 180 days after the end of each fiscal year of the District, a Written Certificate of the District certifying that the District is not aware of any event of default or of any default under the Trust Agreement or under the Lease Agreement, (ii) within 180 days after the end of each fiscal year of the District, audited financial statements for such fiscal year, (iii) within 30 days after the approval thereof, each annual budget of the District, and, (iv) from time to time, such other information, data or reports as the Insurer may reasonably request.

(b) The Trustee shall provide the Insurer with notice of any default under the Trust Agreement or under the Lease Agreement within five Business Days of obtaining knowledge thereof. The District shall provide the Insurer with notice of any default under the Trust Agreement or under the Lease Agreement within five Business Days of obtaining knowledge thereof.

(c) The District shall provide the Insurer with prior notice of the advance refunding or prepayment of any of the Certificates, including the principal amount, maturities and CUSIP numbers thereof.

(d) The District shall provide the Insurer with notice of the resignation or removal of the Trustee or the Depository, and the appointment of, and acceptance of duties by, any successor thereto.

(e) Each of the District and the Trustee agrees that it will, if it has actual knowledge thereof, promptly notify the Insurer of (i) the commencement of any Insolvency Proceeding by or against the District, and (ii) the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal or interest evidenced by the Certificate.

(f) The Trustee shall, at the time any report, notice or correspondence is delivered to Owners of the Certificates pursuant to the provisions of the Trust Agreement, deliver a copy of such report, notice or correspondence to the Insurer.

(g) The District shall provide the Insurer with all information furnished pursuant to the Continuing Disclosure Agreement simultaneously with the furnishing of such information.

(h) The Trustee shall notify the Insurer of any failure of the District to provide notices, certificates and other information under the Trust Agreement or the Lease Agreement.

Reserve Policy Provisions. As long as the Reserve Policy shall be in full force and effect, the Trustee agrees to comply with the following provisions:

(a) If, on the fifth Insurance Business Day prior to a Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date moneys on deposit in the Base Rental Payment Fund, the Interest Fund and/or the Principal Fund, as applicable, plus all amounts on deposit in and credited to the Reserve Fund in excess of the amount of the Reserve Policy, are insufficient to pay the amount of principal and interest coming due, the Trustee shall give notice to the Reserve Insurer by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day.

(b) The District agrees, to the extent permitted by law, to pay or reimburse the Reserve Insurer any and all charges, fees, costs and expenses which the Reserve Insurer may reasonably pay or incur,

including, but not limited to, fees and expenses of attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with any actions taken to facilitate payments under the Reserve Policy or the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of the Trust Agreement or the Lease Agreement. For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation with the actions described in the preceding sentence. The District agrees that failure to pay such costs and expenses on a timely basis will result in the accrual of interest on the unpaid amount at the Insurer Rate, compounded semi-annually, from the date that payment is first due to the Reserve Insurer until the date the Reserve Insurer is paid in full. The obligations set forth in this paragraph shall survive discharge or termination of the Trust Agreement and the Lease Agreement.

MISCELLANEOUS

Benefits of Trust Agreement. Nothing contained in the Trust Agreement, expressed or implied, is intended to give to any person other than the Trustee, the Corporation, the District, the Insurer, the Reserve Insurer and the Owners any claim, remedy or right under or pursuant to the Trust Agreement, and any agreement, condition, covenant or term required in the Trust Agreement to be observed or performed by or on behalf of the District or the Corporation shall be for the sole and exclusive benefit of the Trustee, the Corporation, the District, the Insurer, the Reserve Insurer and the Owners.

Successor Deemed Included in all References to Predecessor. Whenever the Trustee, the Corporation or the District, or any officer thereof, is named or referred to in the Trust Agreement, such reference shall be deemed to include the successor to the powers, duties and functions that are presently vested in the Trustee, the Corporation or the District, or such officer, and all agreements, conditions, covenants and terms required by the Trust Agreement to be observed or performed by or on behalf of the Trustee, the Corporation or the District, or any officer thereof, shall bind and inure to the benefit of the respective successors thereof whether so expressed or not.

Execution of Documents by Owners. Any declaration, request or other instrument which is permitted or required in the Trust Agreement to be executed by Owners may be in one or more instruments of similar tenor and may be executed by Owners in person or by their attorneys appointed in writing. The fact and date of the execution by any Owner or his attorney of any declaration, request or other instrument or of any writing appointing such attorney may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state or territory in which he purports to act that the person signing such declaration, request or other instrument or writing acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer, or by such other proof as the Trustee may accept which it may deem sufficient.

The ownership of any Certificates and the amount, payment date, number and date of owning the same may be proved by the Registration Books.

Any declaration, request or other instrument in writing of the Owner of any Certificate shall bind all future Owners of such Certificate with respect to anything done or suffered to be done by the District or the Trustee in good faith and in accordance therewith.

Waiver of Personal Liability. Notwithstanding anything contained in the Trust Agreement to the contrary, no member, officer or employee of the District shall be individually or personally liable for the payment of any moneys, including without limitation, the interest or principal evidenced by the Certificates, but nothing contained in the Trust Agreement shall relieve any member, officer or employee of the District

from the performance of any official duty provided by any applicable provisions of law, by the Lease Agreement or by the Trust Agreement.

Acquisition of Certificates by District. All Certificates acquired by the District, whether by purchase or gift or otherwise, shall be surrendered to the Trustee for cancellation.

Content of Certificates. Every Written Certificate of the District and every Written Certificate of the Corporation with respect to compliance with any agreement, condition, covenant or term contained in the Trust Agreement shall include (a) a statement that the person making or giving such certificate has read such agreement, condition, covenant or term and the definitions in the Trust Agreement relating thereto, (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements contained in such certificate are based, (c) a statement that, in the opinion of the signer, the signer has made or caused to be made such examination or investigation as is necessary to enable the signer to express an informed opinion as to whether or not such agreement, condition, covenant or term has been complied with, and (d) a statement as to whether, in the opinion of the signer, such agreement, condition, covenant or term has been complied with.

Any Written Certificate of the District and any Written Certificate of the Corporation may be based, insofar as it relates to legal matters, upon an Opinion of Counsel, unless the person making or giving such certificate knows that the Opinion of Counsel with respect to the matters upon which each person's certificate may be based, as aforesaid, is erroneous, or in the exercise of reasonable care should have known that the same was erroneous. Any Opinion of Counsel may be based, insofar as it relates to factual matters, upon information which is in the possession of the District or the Corporation upon a representation by an officer or officers of the District or the Corporation, as the case may be, unless the counsel executing such Opinion of Counsel knows that the representation with respect to the matters upon which such counsel's opinion may be based, as aforesaid, is erroneous, or in the exercise of reasonable care should have known that the same was erroneous.

Funds and Accounts. Any fund or account required to be established and maintained under the Trust Agreement by the Trustee may be established and maintained in the accounting records of the Trustee either as an account or a fund, and may, for the purposes of such accounting records, any audits thereof and any reports or statements with respect thereto, be treated either as an account or a fund, but all such records with respect to all such funds and accounts shall at all times be maintained in accordance with sound accounting practice and with due regard for the protection of the security of the Certificates and the rights of the Owners. The Trustee may commingle any of the moneys held by it under the Trust Agreement for investment purposes only; provided, however, that the Trustee shall account separately for the moneys in each fund or account established pursuant to the Trust Agreement.

INDEPENDENT AUDITOR'S REPORT

Governing Board
San Jacinto Unified School District
San Jacinto, California

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the San Jacinto Unified School District (the District) as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *2017-2018 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*, issued by the California Education Audit Appeals Panel as regulations. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the District, as of June 30, 2018, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter - Change in Accounting Principles

As discussed in Note 1 and Note 16 to the financial statements, in 2018, the District adopted new accounting guidance, GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 5 through 13, Budgetary Comparison Schedule on page 69, Schedule of Changes in the District's Total OPEB Liability and Related Ratios on page 70, Schedule of the District's Proportionate Share of the Net Pension Liability on page 71, and the Schedule of District Contributions on page 72, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying supplementary information such as the combining and individual non-major fund financial statements and Schedule of Expenditures of Federal Awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)* and the other supplementary information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The accompanying supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 4, 2018, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

This section of San Jacinto Unified School District's (the District) annual financial report presents our discussion and analysis of the District's financial performance during the fiscal year ended on June 30, 2018, with comparative information from June 30, 2017. Please read it in conjunction with the District's financial statements, which immediately follow this section.

OVERVIEW OF THE FINANCIAL STATEMENTS

The Financial Statements

The financial statements presented herein include all of the activities of the District and its component units using the integrated approach as prescribed by Governmental Accounting Standards Board (GASB) Statement No. 34.

The *Government-Wide Financial Statements* present the financial picture of the District from the economic resources measurement focus using the accrual basis of accounting. These statements include all assets of the District, as well as all liabilities (including long-term obligations). Additionally, certain eliminations have occurred as prescribed by the statement in regards to interfund activity, payables, and receivables.

The *Fund Financial Statements* include statements for each of the two categories of activities: governmental and fiduciary.

The *Governmental Funds* are prepared using the current financial resources measurement focus and modified accrual basis of accounting.

The *Fiduciary Funds* are agency funds, which only report a balance sheet and do not have a measurement focus.

Reconciliation of the Fund Financial Statements to the Government-Wide Financial Statements is provided to explain the differences created by the integrated approach.

The Primary unit of the government is the San Jacinto Unified School District.

SAN JACINTO UNIFIED SCHOOL DISTRICT

MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2018

REPORTING THE DISTRICT AS A WHOLE

The Statement of Net Position and the Statement of Activities

The *Statement of Net Position* and the *Statement of Activities* report information about the District as a whole and about its activities. These statements include *all* assets and liabilities of the District using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the District's net position and changes in them. Net position is the difference between assets and deferred outflows of resources, and liabilities and deferred inflows of resources, which is one way to measure the District's financial health, or financial position. Over time, increases or decreases in the District's net position will serve as a useful indicator of whether the financial position of the District is improving or deteriorating. Other factors to consider are changes in the District's property tax base and the condition of the District's facilities.

The relationship between revenues and expenses is the District's *operating results*. Since the governing board's responsibility is to provide services to our students and not to generate profit as commercial entities do, one must consider other factors when evaluating the *overall health* of the District. The quality of the education and the safety of our schools will likely be an important component in this evaluation.

In the *Statement of Net Position* and the *Statement of Activities*, we report the District activities as follows:

Governmental Activities - Most of the District's services are reported in this category. This includes the education of kindergarten through grade twelve students, adult education students, the operation of child development activities, and the on-going effort to improve and maintain buildings and sites. Property taxes, State income taxes, user fees, interest income, Federal, State, and local grants, as well as general obligation bonds, finance these activities.

SAN JACINTO UNIFIED SCHOOL DISTRICT

MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2018

REPORTING THE DISTRICT'S MOST SIGNIFICANT FUNDS

Fund Financial Statements

The Fund Financial Statements provide detailed information about the most significant funds - not the District as a whole. Some funds are required to be established by State law. However, management establishes many other funds to help it control and manage money for particular purposes or to show that it is meeting legal responsibilities for using certain taxes, grants, and other money that it receives from the U.S. Department of Education.

Governmental Funds - Most of the District's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. These funds are reported using an accounting method called *modified accrual* accounting, which measures cash and all other *financial* assets that can readily be converted to cash. The governmental fund statements provide a detailed *short-term view* of the District's general government operations and the basic services it provides. Governmental fund information helps determine whether there are more or fewer financial resources that can be spent in the near future to finance the District's programs. The differences of results in the governmental fund financial statements to those in the government-wide financial statements are explained in a reconciliation following each governmental fund financial statement.

THE DISTRICT AS A TRUSTEE

Reporting the District's Fiduciary Responsibilities

The District is the trustee, or *fiduciary*, for funds held on behalf of others, like our funds for associated student body activities. The District's fiduciary activities are reported in the *Fiduciary Funds - Statement of Net Position*. We exclude these activities from the District's other financial statements because the District cannot use these assets to finance its operations. The District is responsible for ensuring that the assets reported in these funds are used for their intended purposes.

THE DISTRICT AS A WHOLE

Net Position

The District's net position was \$57.2 million for the fiscal year ended June 30, 2018. Of this amount, \$(67.4) million was unrestricted. Restricted net position are reported separately to show legal constraints from debt covenants and enabling legislation that limit the governing board's ability to use those net position for day-to-day operations. Our analysis below, in summary form, focuses on the net position (Table 1) and change in net position (Table 2) of the District's governmental activities.

Changes in Net Position

The results of this year's operations for the District as a whole are reported in the *Statement of Activities* on page 15. Table 2 takes the information from the Statement, rounds off the numbers, and rearranges them slightly so you can see our total revenues for the year.

Governmental Activities

As reported in the *Statement of Activities* on page 15, the cost of all of our governmental activities this year was \$162.9 million. However, the amount that our taxpayers ultimately financed for these activities through local taxes was only \$16.7 million because the cost was paid by those who benefited from the programs (\$1.0 million) or by other governments and organizations who subsidized certain programs with grants and contributions (\$26.8 million). We paid for the remaining "public benefit" portion of our governmental activities with \$119.1 million in Federal and State aid, and with other revenues, like interest and general entitlements.

SAN JACINTO UNIFIED SCHOOL DISTRICT

MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2018

In Table 3, we have presented the cost of each of the District's largest functions: instruction, instruction-related activities, home-to-school transportation, other pupil services, administration, plant services, and all other services, as well as each program's *net* cost (total cost less revenues generated by the activities). As discussed above, net cost shows the financial burden that was placed on the District's taxpayers by each of these functions. Providing this information allows our citizens to consider the cost of each function in comparison to the benefits they believe are provided by that function.

MANAGEMENT'S DISCUSSION AND ANALYSIS JUNE 30, 2018

General Fund Budgetary Highlights

Over the course of the year, the District revises its budget as it attempts to deal with unexpected changes in revenues and expenditures. The final amendment to the budget was adopted in June 2018 (a schedule showing the District's original and final budget amounts compared with amounts actually paid and received is provided in our annual report on page 69).

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2018, the District had \$197.4 million in a broad range of capital assets (net of depreciation), including land, buildings, and furniture and equipment. This amount represents a net increase (including additions, deductions, and depreciation) of \$12.1 million from last year (Table 5).

Table 5

(Amounts in millions)

	Governmental Activities

Buildings and improvements	159.0	158.5
Equipment	2.4	2.0
Total	\$ 197.4	\$ 185.3

This year's land and construction expenditures were primarily related to the acquisition and installation costs associated with the San Jacinto Leadership Academy's six new portable classrooms, the Culinary Arts Center at San Jacinto High School, the Lunch Enclosure at Megan Cope Elementary, and modernization projects at DeAnza Elementary and Park Hill Elementary. We present more detailed information regarding our capital assets in Note 5 of the financial statements.

Long-Term Obligations

At the end of this year, the District had \$125.2 million in long-term obligations outstanding versus \$120.2 million last year, an increase of 4.2 percent. Long-term obligations consisted of:

Total	\$ 125.2	\$ 120.2

Other obligations include compensated absences and the total other postemployment benefits (OPEB) liability. We present more detailed information regarding our long-term obligations in Note 9 of the financial statements.

MANAGEMENT'S DISCUSSION AND ANALYSIS

JUNE 30, 2018

Aggregate Net Pension Liability (NPL)

At year-end, the District had an aggregate net pension liability of \$111.8 million. The District has, therefore, recorded its proportionate share of net pension liabilities for CalSTRS and CalPERS.

SIGNIFICANT ACCOMPLISHMENTS OF FISCAL YEAR 2017-2018 ARE NOTED BELOW:

Facility Highlights

- Asphalt installations under solar canopies at Megan Cope Elementary, San Jacinto Leadership Academy/Record Elementary, and Monte Vista Middle Schools allowed for shaded areas where students can eat and collaborate.
- Opened newly furnished and reimagined 21st Century Media Center at San Jacinto High School.
- Culinary Arts facility construction included demolition and expansion of existing rooms, walls, ceiling, lighting, flooring, and new equipment (sinks, appliances). Scheduled project completion is Fall 2018.
- District Office ADA accessibility and Media Center redesign.
- Groundbreaking on Soboba Aquatic Center at San Jacinto High School.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

In considering the District Budget for the 2018-2019 year, the Governing Board and management used the following criteria:

The key assumptions in our revenue forecast are:

- 1) Funded COLA of 3.70 percent. Local Control Funding Formula Gap Percentage of 100 percent.
- 2) Unduplicated pupil count of 83.01 percent.
- 3) Zero growth projection due to continued slow economic recovery for the region.

RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED JUNE 30, 2018

Total Net Change in Fund Balances - Governmental Funds **\$ (695,095)**
Amounts Reported for Governmental Activities in the Statement of Activities are Different Because:

Capital outlays to purchase or build capital assets are reported in governmental funds as expenditures; however, for governmental activities, those costs are shown in the Statement of Net Position and allocated over their estimated useful lives as annual depreciation expenses in the Statement of Activities.

This is the amount by which capital outlays exceeds depreciation for the period.

Capital outlays	\$ 17,412,360	
Depreciation expense	(5,372,742)	
Net Expense Adjustment		12,039,618

Some of the capital assets acquired this year were financed with capital leases. The amount financed by the leases is reported in the governmental funds as a source of financing. On the other hand, the capital leases are not revenues in the Statement of Activities, but rather constitute long-term obligations in the Statement of Net Position.

(1,557,324)

In the Statement of Activities, certain operating expenses - compensated absences (vacations) and special termination benefits (early retirement) are measured by the amounts earned during the year. In the governmental funds, however, expenditures for these items are measured by the amount of financial resources used (essentially, the amounts actually paid). Compensated absences earned were more than the amounts used by \$(21,690).

(21,690)

In the governmental funds, pension costs are based on employer contributions made to pension plans during the year. However, in the Statement of Activities, pension expense is the net effect of all changes in the deferred outflows, deferred inflows, and net pension liability during the year.

(5,903,092)

In the governmental funds, OPEB costs are based on employer contributions made to pension plans during the year. However, in the Statement of Activities, pension expenses is the net effect of all changes in the deferred outflows, deferred inflows, and net pension liability during the year.

(130,371)

Proceeds received from the issuance of Certificates of Participation is revenue in the governmental funds, but it increases long-term obligations in the Statement of Net Position and does not affect the Statement of Activities.

(4,910,000)

Governmental funds report the effect of premiums, discounts, and issuance costs, and the deferred amount on a refunding when the debt is first issued, whereas the amounts are deferred and amortized over the life of the debt in the Statement of Activities.

Premium on issuance of Certificates of Participation		(371,335)

RECONCILIATION OF THE GOVERNMENTAL FUNDS STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES TO THE STATEMENT OF ACTIVITIES, CONTINUED FOR THE YEAR ENDED JUNE 30, 2018

Repayment of principal is an expenditure in the governmental funds, but it reduces long-term obligations in the Statement of Net Position and does not affect the Statement of Activities.

General obligation bonds	\$ 854,287
Certificates of participation	895,000
Capital leases	199,129

Under the modified basis of accounting used in the governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the Statement of Activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when the financial resources are available. This adjustment combines the net changes of the following balances:

Amortization of debt premium	\$ 532,797	
Amortization of discount on bond issuance	(25,468)	
Amortization of deferred amount on refunding	<u>(173,640)</u>	
Combined Adjustment		333,689

Interest on long-term obligations in the Statement of Activities differs from the amount reported in the governmental funds because interest is recorded as an expenditure in the funds when it is due, and thus requires the use of current financial resources. In the Statement of Activities, however, interest expense is recognized as the interest accrues, regardless of when it is due.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Financial Reporting Entity

The San Jacinto Unified School District (the District) was unified on March 29, 1944, under the laws of the State of California. The District operates under a locally elected five member Board form of government and provides educational services to grades K-12 as mandated by the State and/or Federal agencies. The District operates seven elementary schools, three middle schools, one comprehensive high school, one alternative high school, one adult education school, two Head Start preschools, one delegate State preschool, and one direct State preschool.

A reporting entity is comprised of the primary government, component units, and other organizations that are included to ensure the financial statements are not misleading. The primary government of the District consists of all funds, departments, boards, and agencies that are not legally separate from the District. For San Jacinto Unified School District, this includes general operations, food service, and student related activities of the District.

Component Units

Component units are legally separate organizations for which the District is financially accountable. Component units may also include organizations that are fiscally dependent on the District, in that the District approves their budget, the issuance of their debt or the levying of their taxes. In addition, component units are other legally separate organizations for which the District is not financially accountable but the nature and significance of the organization's relationship with the District is such that exclusion would cause the District's financial statements to be misleading or incomplete. For financial reporting purposes, the component units have a financial and operational relationship which meets the reporting entity definition criteria of the Governmental Accounting Standards Board (GASB) Statement No. 14, *The Financial Reporting Entity*, and thus are included in the financial statements of the District. The component units, although legally separate entities, are reported in the financial statements using the blended presentation method as if they were part of the District's operations because the governing board of the component units are essentially the same as the governing board of the District and because its purpose is to finance the construction of facilities to be used for the direct benefit of the District.

On August 20, 1990, members of the District's board of education and district employees formed a nonprofit benefit corporation, known as the San Jacinto Unified School District School Facilities Corporation (the Corporation), which is organized under Nonprofit Benefit Corporation Law of the State of California. The purpose of the Facilities Corporation is to provide financing assistance to the District for construction and acquisition of major capital facilities. The Corporation issued Certificates of Participation (COPs), a form of long-term obligations, which the District used to finance construction and acquisition of some of its facilities.

The Facilities Corporation's financial activity is presented in the financial statements as the COP Capital Projects Fund and COP Debt Service Fund. Certificates of participation issued by the Corporation are included as long-term obligations in the government-wide financial statements. Individually prepared financial statements of the Facilities Corporation may be obtained through the business office of the District.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

On June 1, 2017, members of the District's board of education and district employees formed a Joint Powers Act under *Section 6500 of the California Government Code*, known as the San Jacinto Unified School District Financing Authority. The purpose of the Financing Authority is to provide financing assistance to the District for construction and acquisition of major capital facilities under Community Facilities District's.

The Community Facilities District (CFD's) financial activity is presented in the financial statements as the CFD Capital Projects Fund. Individually prepared financial statements of the San Jacinto Unified School District's Financing Authority may be obtained through the business office of the District.

Pursuant to the Mello-Roos Community Facilities Act of 1982, the District established the Community Facilities Districts Nos. 2003-1, 2003-2, 2003-3, 2004-3, 2004-5, 2005-1, 2005-2, 2005-4, 2006-1, and 2006-2, legally constituted government entities, for the purpose of financing special capital projects. The Community Facilities District were authorized, at special elections, to incur indebtedness and subsequently sold bonds for the purpose of providing educational facilities within the District boundaries. The repayment of the bonds are not a general or special obligation of the Community Facilities District and the District, but rather are limited obligations payable solely from the proceeds of special taxes levied on property within the Community Facilities District.

The Community Facilities Districts' financial activity is presented in the financial statements in the CFD Capital Project Fund, and in an agency fund.

The following are those aspects of the relationship between the District and the Community Facilities Districts, which satisfy Statement Three criteria.

1. Manifestations of Oversight

- a. The Community Facilities Districts and the District have common boards.
- b. The Community Facilities Districts have no employees. The District's Superintendent functions as an agent of the Community Facilities District.
- c. The District exercises significant influence over operations of the Community Facilities Districts as all projects of the Community Facilities Districts involve the San Jacinto Unified School District.

2. Accountability for Fiscal Matters

The District is responsible for preparation of the annual budgets for the Community Facilities Districts.

3. Scope of Public Service

The Community Facilities Districts were created specifically to finance capital improvements for the San Jacinto Unified School District.

Other Related Entities

Charter School The District has approved a charter for San Jacinto Valley Academy pursuant to *Education Code* Section 47605. The San Jacinto Valley Academy was granted and approved on June 9, 1997, for a term of three years commencing July 1, 1997. The charter was renewed an additional five year extension on June 10, 2014; extending the term through August 30, 2019.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

The San Jacinto Valley Academy Charter School (the Charter School) is not operated by the District. The Charter School operates and provides school services as an independent entity and is not considered a component unit of the District. The District's General Fund includes property taxes received for the charter school and a corresponding expense in other outgo.

The Charter School is required in its individual charter agreement to have an annual financial audit performed. Additionally, the Charter School is to provide the District with an annual performance report.

Basis of Presentation - Fund Accounting

The accounting system is organized and operated on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. The District's funds are grouped into two broad fund categories: governmental and fiduciary.

Governmental Funds Governmental funds are those through which most governmental functions typically are financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purposes for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the District's major and non-major governmental funds:

Major Governmental Funds

General Fund The General Fund is the chief operating fund for all districts. It is used to account for the ordinary operations of the District. All transactions except those accounted for in another fund are accounted for in this fund.

Building Fund The Building Fund exists primarily to account separately for proceeds from the sale of bonds (*Education Code* Section 15146) and may not be used for any purposes other than those for which the bonds were issued.

Non-Major Governmental Funds

Special Revenue Funds The Special Revenue funds are established to account for the proceeds from specific revenue sources (other than trusts, major capital projects, or debt service) that are restricted or committed to the financing of particular activities, that compose a substantial portion of the inflows of the fund, and that are reasonably expected to continue. Additional resources that are restricted, committed, or assigned to the purpose of the fund may also be reported in the fund.

Adult Education Fund The Adult Education Fund is used to account separately for Federal, State, and local revenues that are restricted or committed for adult education programs and is to be expended for adult education purposes only.

Child Development Fund The Child Development Fund is used to account separately for Federal, State, and local revenues to operate child development programs and is to be used only for expenditures for the operation of child development programs.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

Cafeteria Fund The Cafeteria Fund is used to account separately for Federal, State, and local resources to operate the food service program (*Education Code* Sections 38090-38093) and is used only for those expenditures authorized by the governing board as necessary for the operation of the District's food service program (*Education Code* Sections 38091 and 38100).

Deferred Maintenance Fund The Deferred Maintenance Fund is used to account separately for revenues that are restricted or committed for deferred maintenance purposes (*Education Code* Section 17582).

Capital Project Funds The Capital Project funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities and other capital assets (other than those financed by proprietary funds and trust funds).

Capital Facilities Fund The Capital Facilities Fund is used primarily to account separately for monies received from fees levied on developers or other agencies as a condition of approval (*Education Code* Sections 17620-17626 and *Government Code* Section 65995 et seq.). Expenditures are restricted to the purposes specified in *Government Code* Sections 65970-65981 or to the items specified in agreements with the developer (*Government Code* Section 66006).

County School Facilities Fund The County School Facilities Fund is established pursuant to *Education Code* Section 17070.43 to receive apportionments from the 1998 State School Facilities Fund (Proposition 1A), the 2002 State School Facilities Fund (Proposition 47), the 2004 State School Facilities Fund (Proposition 55), the 2006 State School Facilities Fund (Proposition 1D), or the 2016 State School Facilities Fund (Proposition 51) authorized by the State Allocation Board for new school facility construction, modernization projects, and facility hardship grants, as provided in the Leroy F. Greene School Facilities Act of 1998 (*Education Code* Section 17070 et seq.).

Certificates of Participation (COP) Capital Projects Fund The COP Capital Projects Fund is used to account for capital projects financed by Certificates of Participation.

Community Facilities District (CFD) Capital Projects Fund The CFD Capital Projects Fund is used to account for capital projects financed by Mello-Roos Community Facilities Districts and similar entities that are considered blended component units of the District under generally accepted accounting principles (GAAP).

Debt Service Funds The Debt Service funds are used to account for the accumulation of resources for, and the payment of, principal and interest on general long-term obligations.

Bond Interest and Redemption Fund The Bond Interest and Redemption Fund is used for the repayment of bonds issued for a District (*Education Code* Sections 15125-15262).

Certificates of Participation (COP) Debt Service Fund The COP Debt Service Fund is used to account for the accumulation of resources for the payment of principal and interest on certificates of participation and are considered blended component units of the District under generally accepted accounting principles (GAAP).

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

Fiduciary Funds Fiduciary funds are used to account for assets held in trustee or agent capacity for others that cannot be used to support the District's own programs. The fiduciary fund category is split into four classifications: pension trust funds, investment trust funds, private-purpose trust funds, and agency funds. The key distinction between trust and agency funds is that trust funds are subject to a trust agreement that affects the degree of management involvement and the length of time that the resources are held.

Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. Such funds have no equity accounts since all assets are due to individuals or entities at some future time. The District's agency funds include:

- Debt Service Special Tax Bonds - this is an Agency fund used to account for the resources accumulated for the repayment of special assessment debt of the component unit described under financial reporting entity.
- Student Funds - are Agency funds used to account for student fund activities.

Basis of Accounting - Measurement Focus

Government-Wide Financial Statements The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. This is the same approach used in the preparation of the proprietary fund financial statements, but differs from the manner in which governmental fund financial statements are prepared.

The government-wide Statement of Activities presents a comparison between expenses, both direct and indirect, and program revenues for each segment of the District and for each governmental function, and excludes fiduciary activity. Direct expenses are those that are specifically associated with a service, program, or department and are therefore, clearly identifiable to a particular function. The District does not allocate indirect expenses to functions in the Statement of Activities, except for depreciation. Program revenues include charges paid by the recipients of the goods or services offered by the programs and grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues are presented as general revenues. The comparison of program revenues and expenses identifies the extent to which each program or business segment is self-financing or draws from the general revenues of the District. Eliminations have been made to minimize the double counting of internal activities.

Net position should be reported as restricted when constraints placed on net position are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation. The net position restricted for other activities result from special revenue funds and the restrictions on their use.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

Fund Financial Statements Fund financial statements report detailed information about the District. The focus of governmental financial statements is on major funds rather than reporting funds by type. Each major fund is presented in a separate column. Non-major funds are aggregated and presented in a single column.

Governmental Funds All governmental funds are accounted for using the flow of current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The Statement of Revenues, Expenditures, and Changes in Fund Balances reports on the sources (revenues and other financing sources) and uses (expenditures and other financing uses) of current financial resources. This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements, therefore, include reconciliations with brief explanations to better identify the relationship between the government-wide financial statements, prepared using the economic resources measurement focus and the accrual basis of accounting, and the governmental fund financial statements, prepared using the flow of current financial resources measurement focus and the modified accrual basis of accounting.

Fiduciary Funds Fiduciary funds are accounted for using the flow of economic resources measurement focus and the accrual basis of accounting. Fiduciary funds are excluded from the government-wide financial statements because they do not represent resources of the District.

Revenues - Exchange and Non-Exchange Transactions Revenue resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded on the accrual basis when the exchange takes place. On a modified accrual basis, revenue is recorded in the fiscal year in which the resources are measurable and become available. Available means that the resources will be collected within the current fiscal year or are expected to be collected soon enough thereafter, to be used to pay liabilities of the current fiscal year. Generally, available is defined as collectible within 90 days. However, to achieve comparability of reporting among California districts and so as not to distort normal revenue patterns, with specific respect to reimbursement grants and corrections to State-aid apportionments, the California Department of Education has defined available for districts as collectible within one year. The following revenue sources are considered to be both measurable and available at fiscal year-end: State apportionments, interest, certain grants, and other local sources.

Non-exchange transactions, in which the District receives value without directly giving equal value in return, include property taxes, certain grants, entitlements, and donations. Revenue from property taxes is recognized in the fiscal year in which the taxes are received. Revenue from certain grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include time and purpose restrictions. On a modified accrual basis, revenue from non-exchange transactions must also be available before it can be recognized.

Unearned Revenue Unearned revenue arises when potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period or when resources are received by the District prior to the incurrence of qualifying expenditures. In subsequent periods, when both revenue recognition criteria are met, or when the District has a legal claim to the resources, the liability for unearned revenue is removed from the balance sheet and revenue is recognized.

Certain grants received before the eligibility requirements are met are recorded as unearned revenue. On the governmental fund financial statements, receivables that will not be collected within the available period are also recorded as unearned revenue.

Expenses/Expenditures On the accrual basis of accounting, expenses are recognized at the time they are incurred. The measurement focus of governmental fund accounting is on decreases in net financial resources (expenditures) rather than expenses. Expenditures are generally recognized in the accounting period in which the related fund liability is incurred, if measurable, and typically paid within 90 days. Principal and interest on long-term obligations, which has not matured, are recognized when paid in the governmental funds as expenditures. Allocations of costs, such as depreciation and amortization, are not recognized in the governmental funds, but are recognized in the entity-wide statements.

Investments

Investments held at June 30, 2018, with original maturities greater than one year are stated at fair value. Fair value is estimated based on quoted market prices at year-end. All investments not required to be reported at fair value are stated at cost or amortized cost. Fair values of investments in County investment pools are determined by the program sponsor.

Stores Inventories

Inventories consist of expendable food and supplies held for consumption. Inventories are stated at cost, on the first-in, first-out basis. The costs of inventory items are recorded as expenditures in the governmental type funds.

Capital Assets and Depreciation

The accounting and reporting treatment applied to the capital assets associated with a fund are determined by its measurement focus. Capital assets are long-lived assets of the District. The District maintains a capitalization threshold of \$5,000. The District does not possess any infrastructure. Improvements are capitalized; the costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized, but are expensed as incurred.

When purchased, such assets are recorded as expenditures in the governmental funds and capitalized in the government-wide Statement of Net Position. The valuation basis for capital assets is historical cost, or where historical cost is not available, estimated historical cost based on replacement cost. Donated capital assets are capitalized at estimated fair market value on the date donated.

Depreciation is computed using the straight-line method. Estimated useful lives of the various classes of depreciable capital assets are as follows: buildings, 20 or 50 years; improvements, 20 years; equipment, 5 to 20 years.

Interfund Balances

On fund financial statements, receivables and payables resulting from short-term interfund loans are classified as "due to other funds/due from other funds". These amounts are eliminated in the governmental activities columns of the Statement of Net Position.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2018

Compensated Absences

Compensated absences are accrued as a liability as the benefits are earned. The entire compensated absence liability is reported on the government-wide Statement of Net Position. For governmental funds, the current portion of unpaid compensated absences is recognized upon the occurrence of relevant events such as employee resignations and retirements that occur prior to year-end that have not yet been paid with expendable available financial resources. These amounts are reported in the fund from which the employees who have accumulated leave are paid.

Sick leave is accumulated without limit for each employee at the rate of one day for each month worked. Leave with pay is provided when employees are absent for health reasons; however, the employees do not gain a vested right to accumulated sick leave. Employees are never paid for any sick leave balance at termination of employment or any other time. Therefore, the value of accumulated sick leave is not recognized as a liability in the District's financial statements. However, credit for unused sick leave is applicable to all classified school members who retire after January 1, 1999. At retirement, each member will receive .004 year of service credit for each day of unused sick leave. Credit for unused sick leave is applicable to all certified employees and is determined by dividing the number of unused sick days by the number of base service days required to complete the last school year, if employed full-time.

Accrued Liabilities and Long-Term Obligations

All payables, accrued liabilities, and long-term obligations are reported in the government-wide fund financial statements. In general, governmental fund payables and accrued liabilities that, once incurred, are paid in a timely manner and in full from current financial resources are reported as obligations of the governmental funds.

However, claims and judgments, compensated absences, special termination benefits, and contractually required pension contributions that will be paid from governmental funds are reported as a liability in the governmental fund financial statements only to the extent that they are due for payment during the current year. Bonds, capital leases, and other long-term obligations are recognized as liabilities in the governmental fund financial statements when due.

Debt Issuance Costs, Premiums, and Discounts

In the government-wide financial statements, long-term obligations are reported as liabilities in the applicable governmental activities Statement of Net Position. Debt premiums and discounts, as well as issuance costs related to prepaid insurance costs are amortized over the life of the bonds using the straight line method.

In governmental fund financial statements, bond premiums and discounts, as well as debt issuance costs are recognized in the current period. The face amount of the debt is reported as other financing sources. Premiums received on debt issuance are also reported as other financing sources. Issuance costs, whether or not withheld from the actual debt proceeds, are reported as debt services expenditures.

Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position also reports deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period and so will not be recognized as an expense or expenditure until then. The District reports deferred outflows of resources for pension related items and for OPEB related items.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

In addition to liabilities, the Statement of Net Position reports a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period and so will not be recognized as revenue until then. The District reports deferred inflows of resources for pension related items.

Pensions

For purposes of measuring the net pension liability and deferred outflows/inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the California State Teachers Retirement System (CalSTRS) and the California Public Employees' Retirement System (CalPERS) plan for schools (Plans) and additions to/deductions from the Plans' fiduciary net position have been determined on the same basis as they are reported by CalSTRS and CalPERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Member contributions are recognized in the period in which they are earned. Investments are reported at fair value.

Fund Balances - Governmental Funds

As of June 30, 2018, fund balances of the governmental funds are classified as follows:

Nonspendable - amounts that cannot be spent either because they are in nonspendable form or because they are legally or contractually required to be maintained intact.

Restricted - amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Committed - amounts that can be used only for specific purposes determined by a formal action of the governing board. The governing board is the highest level of decision-making authority for the District. Commitments may be established, modified, or rescinded only through resolutions or other action as approved by the governing board.

Assigned - amounts that do not meet the criteria to be classified as restricted or committed but that are intended to be used for specific purposes. Under the District's adopted policy, only the governing board, Superintendent, or designee may assign amounts for specific purposes.

Unassigned - all other spendable amounts.

Spending Order Policy

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available, the District considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the District considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the governing board has provided otherwise in its commitment or assignment actions.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

Minimum Fund Balance Policy

The governing board adopted a minimum fund balance policy for the General Fund in order to protect the district against revenue shortfalls or unpredicted on-time expenditures. The policy requires a Reserve for Economic Uncertainties consisting of unassigned amounts equal to no less than five percent of General Fund expenditures and other financing uses.

Net Position

Net position represents the difference between assets and liabilities. Net position net of investment in capital assets, consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction, or improvement of those assets. The District has related debt outstanding as of June 30, 2018. Net position is reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the District or through external restrictions imposed by creditors, grantors, or laws or regulations of other governments. The District first applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available. The government-wide financial statements report \$22,808,747 of restricted net position.

Interfund Activity

Exchange transactions between funds are reported as revenues in the seller funds and as expenditures/expenses in the purchaser funds. Flows of cash or goods from one fund to another without a requirement for repayment are reported as interfund transfers. Interfund transfers are reported as other financing sources/uses in governmental funds. Repayments from funds responsible for particular expenditures/expenses to the funds that initially paid for them are not presented in the financial statements. Interfund transfers are eliminated in the governmental activities columns of the Statement of Activities.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Property Tax

Secured property taxes attach as an enforceable lien on property as of January 1. Taxes are payable in two installments on November 1 and February 1 and become delinquent on December 10 and April 10, respectively. Unsecured property taxes are payable in one installment on or before August 31. The County of Riverside bills and collects the taxes on behalf of the District. Local property tax revenues are recorded when received.

Change in Accounting Principles

In June 2015, the GASB issued Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. The primary objective of this Statement is to improve accounting and financial reporting by State and local governments for postemployment benefits other than pensions (other postemployment benefits or OPEB). It also improves information provided by State and local governmental employers about financial support for OPEB that is provided by other entities. This Statement results from a comprehensive review of the effectiveness of existing standards of accounting and financial reporting for all postemployment benefits (pensions and OPEB) with regard to providing decision-useful information, supporting assessments of accountability and inter-period equity, and creating additional transparency.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

This Statement replaces the requirements of Statements No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions*, as amended, and No. 57, *OPEB Measurements by Agent Employers and Agent Multiple-Employer Plans*, for OPEB. Statement No. 74, *Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans*, establishes new accounting and financial reporting requirements for OPEB plans.

The District has implemented the provisions of this Statement as of June 30, 2018.

In March 2017, the GASB issued Statement No. 85, *Omnibus 2017*. The objective of this Statement is to address practice issues that have been identified during implementation and application of certain GASB statements. This Statement addresses a variety of topics including issues related to blending component units, goodwill, fair value measurement and application, and postemployment benefits (pensions and other postemployment benefits [OPEB]). Specifically, this Statement addresses the following topics:

- Blending a component unit in circumstances in which the primary government is a business-type activity that reports in a single column for financial statement presentation;
- Reporting amounts previously reported as goodwill and "negative" goodwill;
- Classifying real estate held by insurance entities;
- Measuring certain money market investments and participating interest-earning investment contracts at amortized cost;
- Timing of the measurement of pension or OPEB liabilities and expenditures recognized in financial statements prepared using the current financial resources measurement focus;
- Recognizing on behalf payments for pensions or OPEB in employer financial statements;
- Presenting payroll-related measures in required supplementary information for purposes of reporting by OPEB plans and employers that provide OPEB;
- Classifying employer-paid member contributions for OPEB;
- Simplifying certain aspects of the alternative measurement method for OPEB; and
- Accounting and financial reporting for OPEB provided through certain multiple-employer defined benefit OPEB plans.

The District has implemented the provisions of this Statement as of June 30, 2018.

In May 2017, the GASB issued Statement No. 86, *Certain Debt Extinguishment Issues*. The primary objective of this Statement is to improve consistency in accounting and financial reporting for in-substance defeasance of debt by providing guidance for transactions in which cash and other monetary assets acquired with only existing resources—resources other than the proceeds of refunding debt—are placed in an irrevocable trust for the sole purpose of extinguishing debt. This Statement also improves accounting and financial reporting for prepaid insurance on debt that is extinguished and notes to financial statements for debt that is defeased in substance.

The District has implemented the provisions of this Statement as of June 30, 2018.

New Accounting Pronouncements

In November 2016, the GASB issued Statement No. 83, *Certain Asset Retirement Obligations*. This Statement addresses accounting and financial reporting for certain asset retirement obligations (AROs). An ARO is a legally enforceable liability associated with the retirement of a tangible capital asset. A government that has legal obligations to perform future asset retirement activities related to its tangible capital assets should recognize a liability based on the guidance in this Statement.

This Statement establishes criteria for determining the timing and pattern of recognition of a liability and a corresponding deferred outflow of resources for AROs. This Statement requires that recognition occur when the liability is both incurred and reasonably estimable. The determination of when the liability is incurred should be based on the occurrence of external laws, regulations, contracts, or court judgments, together with the occurrence of an internal event that obligates a government to perform asset retirement activities. Laws and regulations may require governments to take specific actions to retire certain tangible capital assets at the end of the useful lives of those capital assets, such as decommissioning nuclear reactors and dismantling and removing sewage treatment plants. Other obligations to retire tangible capital assets may arise from contracts or court judgments. Internal obligating events include the occurrence of contamination, placing into operation a tangible capital asset that is required to be retired, abandoning a tangible capital asset before it is placed into operation, or acquiring a tangible capital asset that has an existing ARO.

The requirements of this Statement are effective for reporting periods beginning after June 15, 2018. Early implementation is encouraged.

In January 2017, the GASB issued Statement No. 84, *Fiduciary Activities*. The objective of this Statement is to improve guidance regarding the identification of fiduciary activities for accounting and financial reporting purposes and how those activities should be reported.

This Statement establishes criteria for identifying fiduciary activities of all State and local governments. The focus of the criteria generally is on (1) whether a government is controlling the assets of the fiduciary activity and (2) the beneficiaries with whom a fiduciary relationship exists. Separate criteria are included to identify fiduciary component units and postemployment benefit arrangements that are fiduciary activities.

The requirements of this Statement are effective for reporting periods beginning after December 15, 2018. Early implementation is encouraged.

In June 2017, the GASB issued Statement No. 87, *Leases*. The objective of this Statement is to better meet the information needs of financial statement users by improving accounting and financial reporting for leases by governments. This Statement increases the usefulness of governments' financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases and recognized as inflows of resources or outflows of resources based on the payment provisions of the contract. It establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources, thereby enhancing the relevance and consistency of information about governments' leasing activities.

The requirements of this Statement are effective for the reporting periods beginning after December 15, 2019. Early implementation is encouraged.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

In April 2018, the GASB issued Statement No. 88, *Certain Disclosures Related to Debt, including Direct Borrowings and Direct Placements*. The primary objective of this Statement is to improve the information that is disclosed in notes to government financial statements related to debt, including direct borrowings and direct placements. It also clarifies which liabilities governments should include when disclosing information related to debt.

This Statement defines debt for purposes of disclosure in notes to financial statements as a liability that arises from a contractual obligation to pay cash (or other assets that may be used in lieu of cash) in one or more payments to settle an amount that is fixed at the date the contractual obligation is established.

This Statement requires that additional essential information related to debt be disclosed in notes to financial statements, including unused lines of credit; assets pledged as collateral for the debt; and terms specified in debt agreements related to significant events of default with finance-related consequences, significant termination events with finance-related consequences, and significant subjective acceleration clauses.

For notes to financial statements related to debt, this Statement also requires that existing and additional information be provided for direct borrowings and direct placements of debt separately from other debt.

The requirements of this Statement are effective for reporting periods beginning after June 15, 2018. Early implementation is encouraged.

In June 2018, the GASB issued Statement No. 89, *Accounting for Interest Cost Incurred Before the End of a Construction Period*. The objectives of this Statement are (1) to enhance the relevance and comparability of information about capital assets and the cost of borrowing for a reporting period and (2) to simplify accounting for interest cost incurred before the end of a construction period.

This Statement establishes accounting requirements for interest cost incurred before the end of a construction period. Such interest cost includes all interest that previously was accounted for in accordance with the requirements of paragraphs 5–22 of Statement No. 62, *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements*, which are superseded by this Statement. This Statement requires that interest cost incurred before the end of a construction period be recognized as an expense in the period in which the cost is incurred for financial statements prepared using the economic resources measurement focus. As a result, interest cost incurred before the end of a construction period will not be included in the historical cost of a capital asset reported in a business-type activity or enterprise fund.

This Statement also reiterates that in financial statements prepared using the current financial resources measurement focus, interest cost incurred before the end of a construction period should be recognized as an expenditure on a basis consistent with governmental fund accounting principles.

The requirements of this Statement are effective for reporting periods beginning after December 15, 2019. Earlier application is encouraged. The requirements of this Statement should be applied prospectively.

Policies and Practices

The District is authorized under *California Government Code* to make direct investments in local agency bonds, notes, or warrants within the State; U.S. Treasury instruments; registered State warrants or treasury notes; securities of the U.S. Government, or its agencies; bankers acceptances; commercial paper; certificates of deposit placed with commercial banks and/or savings and loan companies; repurchase or reverse repurchase agreements; medium term corporate notes; shares of beneficial interest issued by diversified management companies, certificates of participation, obligations with first priority security; and collateralized mortgage obligations.

Investment in County Treasury - The District is considered to be an involuntary participant in an external investment pool as the District is required to deposit all receipts and collections of monies with their County Treasurer (*Education Code* Section 41001). The fair value of the District's investment in the pool is reported in the accounting financial statements at amounts based upon the District's pro-rata share of the fair value provided by the County Treasurer for the entire portfolio (in relation to the amortized cost of that portfolio). The balance available for withdrawal is based on the accounting records maintained by the County Treasurer, which is recorded on the amortized cost basis.

Investments Authorized by Debt Agreements

Investments of debt proceeds held by bond trustee are governed by provisions of the debt agreements, rather than the general provisions of the *California Government Code* or the County's investment policy. These provisions allow for the acquisition of investment agreements with maturities of up to 30 years.

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The District manages its exposure to interest rate risk by investing in the Riverside County Investment Pool and having the pool purchase a combination of shorter term and longer term investments and by timing cash flows from maturities so that a portion of the portfolio is maturing or coming close to maturity evenly over time as necessary to provide the cash flow and liquidity needed for operations.

Credit Risk

Credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Presented below is the minimum rating required by the *California Government Code*, the District's investment policy, or debt agreements, and the actual rating as of the year-end for each investment type. Invesco Short-Term Investments Trust Treasury were rated by Standard & Poor's, and US Bank Funds and the Riverside County Investment Pool was rated by Fitch Ratings.

Custodial Credit Risk - Deposits

This is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District does have a policy for custodial credit risk for deposits. However, the *California Government Code* requires that a financial institution secure deposits made by state or local governmental units by pledging securities in an undivided collateral pool held by a depository regulated under state law (unless so waived by the governmental unit). The market value of the pledged securities in the collateral pool must equal at least 110 percent of the total amount deposited by the public agency. California law also allows financial institutions to secure public deposits by pledging first trust deed mortgage notes having a value of 150 percent of the secured public deposits and letters of credit issued by the Federal Home Loan Bank of San Francisco having a value of 105 percent of the secured deposits. As of June 30, 2018, the District had \$103,257 that was uninsured.

NOTE 3 - FAIR VALUE MEASUREMENTS

The District categorizes the fair value measurements of its investments based on the hierarchy established by generally accepted accounting principles. The fair value hierarchy, which has three levels, is based on the valuation inputs used to measure an asset's fair value. The following provides a summary of the hierarchy used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets that the District has the ability to access at the measurement date. Level 1 assets may include debt and equity securities that are traded in an active exchange market and that are highly liquid and are actively traded in over-the-counter markets.

Level 2 - Observable inputs, other than Level 1 prices, such as quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, or other inputs that are observable, such as interest rates and curves observable at commonly quoted intervals, implied volatilities, and credit spreads. For financial reporting purposes, if an asset has a specified term, a Level 2 input is required to be observable for substantially the full term of the asset.

Level 3 - Unobservable inputs should be developed using the best information available under the circumstances, which might include the District's own data. The District should adjust that data if reasonably available information indicates that other market participants would use different data or certain circumstances specific to the District are not available to other market participants.

Uncategorized - Investments in the Riverside County Investment Pool are not measured using the input levels above because the District's transactions are based on a stable net asset value per share. All contributions and redemptions are transacted at \$1.00 net asset value per share.

The District's fair value measurements are as follows at June 30, 2018:

Investment Type	Fair Value	Level 1 Inputs	Uncategorized
Money Market Funds - Invesco Short-Term Investments Trust Treasury	\$ 3,077,811	\$ 3,077,811	\$ -

No assets are accumulated in a trust that meets the criteria in paragraph 4 of GASB Statement No. 75. Management of the Plan is vested in the District management.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

Plan Membership

At June 30, 2017, the Plan membership consisted of the following:

Inactive employees or beneficiaries currently receiving benefits payments	41
Active employees	925
	<hr/>
	966

Benefits Provided

The Plan provides medical and dental insurance benefits to eligible retirees and their spouses. Benefits are provided through a third-party insurer, and the full cost of benefits is covered by the Plan. The District's governing board has the authority to establish and amend the benefit terms as contained within the negotiated labor agreements.

The benefit payment requirements of the Plan members and the District are established and may be amended by the District, the Teacher Education Association (TEA), the local California Service Employees Association (CSEA), and unrepresented groups. The benefit payment is based on projected pay-as-you-go financing requirements as determined annually through the agreements with the District, TEA, CSEA, and the unrepresented groups. For fiscal year 2016-2017, the District paid \$185,592 in benefits.

Total OPEB Liability of the District

The District's total OPEB liability of \$8,642,552 was measured as of June 30, 2017, and determined by an actuarial valuation as of that date.

Actuarial Assumptions

The total OPEB liability in the June 30, 2017 actuarial valuation was determined using the following assumptions, applied to all periods included in the measurement, unless otherwise specified:

Inflation	2.75 percent
Salary increases	2.75 percent
Discount rate	3.50 percent
Healthcare cost trend rates	4.00 percent

The discount rate was based on the Bond Buyer 20-Bond General Obligation Index.

Mortality rates were based on the 2009 CalSTRS Mortality Table for certificated employees and the 2014 CalPERS Active Mortality for Miscellaneous Employees Table for classified employees. Mortality rates vary by age and sex. (Unisex mortality rates are not often used as individual OPEB benefits do not depend on the mortality table used.) If employees die prior to retirement, past contributions are available to fund benefits for employees who live to retirement. After retirement, death results in benefit termination or reduction. Although higher mortality rates reduce service costs, the mortality assumption is not likely to vary from employer to employer.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2018

The actual assumptions used in the June 30, 2017 valuation were based on the results of an actual experience study as of January 2018.

The District purchases commercial insurance for property damage with coverage up to a maximum of \$300 million; subject to various policy sublimits generally ranging from \$1 million to \$50 million and deductibles ranging from \$25,000 to \$300,000 per occurrence. The District also purchases commercial insurance for general liability claims with coverage up to \$1 million per occurrence and \$2 million aggregate, with excess liability coverage over \$25 million, all subject to various deductibles up to \$20,000 per occurrence and per employee policy limit, subject to a deductible of \$100,000 per occurrence per claim, up to a maximum of \$1.5 million for 2018. NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

The details of each plan are as follows:

California State Teachers' Retirement System (CalSTRS)

Plan Description

The District contributes to the State Teachers Retirement Plan (STRP) administered by the California State Teachers' Retirement System (CalSTRS). STRP is a cost-sharing multiple-employer public employee retirement system defined benefit pension plan. Benefit provisions are established by State statutes, as legislatively amended, within the State Teachers' Retirement Law.

A full description of the pension plan regarding benefit provisions, assumptions (for funding, but not accounting purposes), and membership information is listed in the June 30, 2016, annual actuarial valuation report, Defined Benefit Program Actuarial Valuation. This report and CalSTRS audited financial information are publicly available reports that can be found on the CalSTRS website under Publications at: <http://www.calstrs.com/member-publications>.

Benefits Provided

The STRP provides retirement, disability and survivor benefits to beneficiaries. Benefits are based on members' final compensation, age and years of service credit. Members hired on or before December 31, 2012, with five years of credited service are eligible for the normal retirement benefit at age 60. Members hired on or after January 1, 2013, with five years of credited service are eligible for the normal retirement benefit at age 62. The normal retirement benefit is equal to 2.0 percent of final compensation for each year of credited service.

The STRP is comprised of four programs: Defined Benefit Program, Defined Benefit Supplement Program, Cash Balance Benefit Program and Replacement Benefits Program. The STRP holds assets for the exclusive purpose of providing benefits to members and beneficiaries of these programs. CalSTRS also uses plan assets to defray reasonable expenses of administering the STRP. Although CalSTRS is the administrator of the STRP, the State is the sponsor of the STRP and obligor of the trust. In addition, the State is both an employer and nonemployer contributing entity to the STRP.

The District contributes exclusively to the STRP Defined Benefit Program, thus disclosures are not included for the other plans.

Contributions

Required member, District and State of California contributions rates are set by the California Legislature and Governor and detailed in Teachers' Retirement Law. The contributions rates are expressed as a level percentage of payroll using the entry age normal actuarial method. In accordance with AB 1469, employer contributions into the CalSTRS will be increasing to a total of 19.1 percent of applicable member earnings phased over a seven year period. The contribution rates for each plan for the year ended June 30, 2018, are presented above and the District's total contributions were \$7,162,732.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At June 30, 2018, the District reported a liability for its proportionate share of the net pension liability that reflected a reduction for State pension support provided to the District. The amount recognized by the District as its proportionate share of the net pension liability, the related State support and the total portion of the net pension liability that was associated with the District were as follows:

Total net pension liability, including State share:	
District's proportionate share of net pension liability	\$ 81,029,083
State's proportionate share of net pension liability associated with the District	47,936,121
Total	<u>\$ 128,965,204</u>

The net pension liability was measured as of June 30, 2017. The District's proportion of the net pension liability was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating school districts and the State, actuarially determined. The District's proportionate share for the measurement periods of June 30, 2017 and June 30, 2016, was 0.0876 percent and 0.0861 percent, respectively, resulting in a net increase in the proportionate share of 0.0015 percent.

The deferred outflows of resources related to the net change in proportionate share of net pension liability, differences between expected and actual experience in the measurement of the total pension liability, and changes of assumptions will be amortized over the Expected Average Remaining Service Life (EARSL) of all members that are provided benefits (active, inactive, and retirees) as of the beginning of the measurement period. The EARSL for the measurement period is 7 years and will be recognized in pension expense as follows:

Actuarial Methods and Assumptions

Total pension liability for STRP was determined by applying update procedures to a financial reporting actuarial valuation as of June 30, 2016, and rolling forward the total pension liability to June 30, 2017. The financial reporting actuarial valuation as of June 30, 2016, used the following methods and assumptions, applied to all prior periods included in the measurement:

Valuation date	June 30, 2016
Measurement date	June 30, 2017
Experience study	July 1, 2010 through June 30, 2015
Actuarial cost method	Entry age normal
Discount rate	7.10%
Investment rate of return	7.10%
Consumer price inflation	2.75%
Wage growth	3.50%

CalSTRS uses a generational mortality assumption, which involves the use of a base mortality table and projection scales to reflect expected annual reductions in mortality rates at each age, resulting in increases in life expectancies each year into the future. The base mortality tables are CalSTRS custom tables derived to best fit the patterns of mortality among its members. The projection scale was set equal to 110 percent of the ultimate improvement factor from the Mortality Improvement Scale (MP-2016) table, issued by the Society of Actuaries.

SAN JACINTO UNIFIED SCHOOL DISTRICT

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. The best estimate ranges were developed using capital market assumptions from CalSTRS general investment consultant (Pension Consulting Alliance-PCA) as an input to the process. The actuarial investment rate of return assumption was adopted by the board in February 2017 in conjunction with the most recent experience study. For each future valuation, CalSTRS consulting actuary (Milliman) reviews the return assumption for reasonableness based on the most current capital market assumptions. Best estimates of 20-year geometrically-linked real rates of return and the assumed asset allocation for each major asset class for the year ended June 30, 2017, are summarized in the following table:

<u>Asset Class</u>	<u>Assumed Asset Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Global equity	47%	6.30%
Fixed income	12%	0.30%
Real estate	13%	5.20%
Private equity	13%	9.30%
Absolute Return/Risk Mitigating Strategies	9%	2.90%
Inflation sensitive	4%	3.80%
Cash/liquidity	2%	-1.00%

Discount Rate

The discount rate used to measure the total pension liability was 7.10 percent. The projection of cash flows used to determine the discount rate assumed the contributions from plan members and employers will be made at statutory contribution rates. Projected inflows from investment earnings were calculated using the long-term assumed investment rate of return (7.10 percent) and assuming that contributions, benefit payments and administrative expense occurred midyear. Based on these assumptions, the STRP's fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term assumed investment rate of return was applied to all periods of projected benefit payments to determine total pension liability.

The following presents the District's proportionate share of the net pension liability calculated using the current discount rate as well as what the net pension liability would be if it were calculated using a discount rate that is one percent lower or higher than the current rate:

<u>Discount Rate</u>	<u>Net Pension Liability</u>
1% decrease (6.10%)	\$ 118,976,418

Benefits Provided

CalPERS provides service retirement and disability benefits, annual cost of living adjustments and death benefits to plan members, who must be public employees and beneficiaries. Benefits are based on years of service credit, a benefit factor and the member's final compensation. Members hired on or after January 1, 2013, with five years of total service are eligible to retire at age 52 with statutorily reduced benefits. All members are eligible for non-duty disability benefits after five years of service. The Basic Death Benefit is paid to any member's beneficiary if the member dies while actively employed. An employee's eligible survivor may receive the 1957 Survivor Benefit if the member dies while actively employed, is at least age 50 (or 52 for members hired on or after January 1, 2013), and has at least five years of credited service. The cost of living adjustments for each plan are applied as specified by the Public Employees' Retirement Law.

Contributions

Section 20814(c) of the California Public Employees' Retirement Law requires that the employer contribution rates for all public employers be determined on an annual basis by the actuary and shall be effective on the July 1 following notice of a change in the rate. Total plan contributions are calculated through the CalPERS annual actuarial valuation process. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. The District is required to contribute the difference between the actuarially determined rate and the contribution rate of employees. The contributions rates are expressed as percentage of annual payroll. The contribution rates for each plan for the year ended June 30, 2018, are presented above and the total District contributions were \$2,768,569.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

As of June 30, 2018, the District reported net pension liabilities for its proportionate share of the CalPERS net pension liability totaling \$30,733,238. The net pension liability was measured as of June 30, 2017. The District's proportion of the net pension liability was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating school districts, actuarially determined. The District's proportionate share for the measurement periods of June 30, 2017 and June 30, 2016, was 0.1287 percent and 0.1252 percent, respectively, resulting in a net increase in the proportionate share of 0.0035 percent.

For the year ended June 30, 2018, the District recognized pension expense of \$6,509,070. At June 30, 2018, the District reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2018

In determining the long-term expected rate of return, CalPERS took into account both short-term and long-term market return expectations as well as the expected pension fund cash flows. Using historical returns of all the funds' asset classes, expected compound returns were calculated over the short-term (first ten years) and the long-term (11+ years) using a building-block approach. Using the expected nominal returns for both short-term and long-term, the present value of benefits was calculated for each fund. The expected rate of return was set by calculating the rounded single equivalent expected return that arrived at the same present value of benefits for cash flows as the one calculated using both short-term and long-term returns. The expected rate of return was then set equal to the single equivalent rate calculated above and adjusted to account for assumed administrative expenses. The target asset allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Assumed Asset Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Global equity	47%	5.38%
Global debt securities	19%	2.27%
Inflation assets	6%	1.39%
Private equity	12%	6.63%
Real estate	11%	5.21%
Infrastructure and Forestland	3%	5.36%
Liquidity	2%	-0.90%

Discount Rate

The discount rate used to measure the total pension liability was 7.15 percent. The projection of cash flows used to determine the discount rate assumed the contributions from plan members and employers will be made at statutory contribution rates. Based on these assumptions, the School Employer Pool fiduciary net position was projected to be available to make all projected future benefit payments to current plan members. Therefore, the long-term assumed investment rate of return was applied to all periods of projected benefit payments to determine total pension liability.

The following presents the District's proportionate share of the net pension liability calculated using the current discount rate as well as what the net pension liability would be if it were calculated using a discount rate that is one percent lower or higher than the current rate:

<u>Discount Rate</u>	<u>Net Pension Liability</u>

Employee Flexible Benefit Plan

The District adopted a Section 125 Flexible Benefit Plan, effective April 1, 2001. Eligible participants must be at least 17 years old and work a minimum of 15 hours per week. The participant is eligible on the first day of the month following 30 days of employment. The maximum salary reduction allowed per plan year is \$15,000. Available benefits of the plan are: Group Hospital and Surgery Insurance, Disability Income Insurance, Cancer Coverage, Dental/Vision Insurance, Group Life Insurance, Dependent Care Assistance Plan, and Medical Expense Reimbursement Plan. The District may, at its sole discretion, provide a non-elective contribution to provide benefits for each participant under the plan. This amount will be set by the District each plan year in a uniform and nondiscriminatory manner. The District did not make any non-elective contributions during the year ended June 30, 2018.

On Behalf Payments

The State of California makes contributions to CalSTRS on behalf of the District. These payments consist of State General Fund contributions to CalSTRS in the amount of \$3,898,235 (9.328 percent of annual payroll). Contributions are no longer appropriated in the annual *Budget Act* for the legislatively mandated benefits to CalPERS. Therefore, there is no on behalf contribution rate for CalPERS. Under accounting principles generally accepted in the United States of America, these amounts are to be reported as revenues and expenditures. Accordingly, these amounts have been recorded in these financial statements. On behalf payments have been included in the calculation of available reserves, but have not been included in the original budgeted amounts reported in the *General Fund - Budgetary Comparison Schedule*.

Grants

The District received financial assistance from Federal and State agencies in the form of grants. The disbursement of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the General Fund or other applicable funds. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the District at June 30, 2018.

Litigation

The District is involved in various litigation arising from the normal course of business. In the opinion of management and legal counsel, the disposition of all litigation pending is not expected to have a material adverse effect on the overall financial position of the District at June 30, 2018.

Operating Leases

The District has entered into various operating leases for buildings and equipment. None of these agreements contain purchase options. All agreements contain a termination clause providing for cancellation after a specified number of days written notice to lessors. It is expected that, in the normal course of business, most of these leases will be replaced by similar leases. Expenditures for rent under leases for the year ended June 30, 2018, amounted to \$239,687.

NOTE 15 - PARTICIPATION IN PUBLIC ENTITY RISK POOLS AND JOINT POWER AUTHORITIES

The District is a member of the Riverside Schools Insurance Authority (RSIA), Riverside County Employer/Employee Partnership for Benefits (REEP), Joint Education Transit (JET), and Riverside Schools Risk Management Authority (RSRMA) joint powers authorities (JPAs). The District pays an annual premium to the applicable entity for its health, workers' compensation, and property liability coverage. Payments for these services received are paid to the above mentioned JPAs. The relationships between the District, the pools, and the JPAs are such that they are not component units of the District for financial reporting purposes.

These entities have budgeting and financial reporting requirements independent of member units and their financial statements are not presented in these financial statements; however, fund transactions between the entities and the District are included in these statements. Audited financial statements are generally available from the respective entities.

NOTE TO REQUIRED SUPPLEMENTARY INFORMATION JUNE 30, 2018

NOTE 1 - PURPOSE OF SCHEDULES

Budgetary Comparison Schedule

The District employs budget control by object codes and by individual appropriation accounts. Budgets are prepared on the modified accrual basis of accounting in accordance with accounting principles generally accepted in the United State of America as prescribed by the Governmental Accounting Standards Board and provisions of the California *Education Code*. The governing board is required to hold a public hearing and adopt an operating budget no later than July 1 of each year. The adopted budget is subject to amendment throughout the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption with the legal restriction that expenditures cannot exceed appropriations by major object account.

The amounts reported as the original budgeted amounts in the budgetary statements reflect the amounts when the original appropriations were adopted. The amounts reported as the final budgeted amounts in the budgetary statements reflect the amounts after all budget amendments have been accounted for.

This schedule presents information for the original and final budgets and actual results of operations, as well as the variances from the final budget to actual results of operations.

Schedule of Changes in the District's Total OPEB Liability and Related Ratios

In the future, as data becomes available, ten years of information will be presented.

Changes in Benefit Terms - There were no changes in benefit terms since the previous valuations for both CalSTRS and CalPERS.

Changes of Assumptions - The CalSTRS plan rate of investment return assumption was changed from 7.60 percent to 7.10 percent since the previous valuation. The CalPERS plan rate of investment return assumption was changed from 7.65 percent to 7.15 percent since the previous valuation.

INDEPENDENT AUDITOR'S REPORTS

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Governing Board
San Jacinto Unified School District
San Jacinto, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of San Jacinto Unified School District (the District) as of and for the year ended June 30, 2018, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated December 4, 2018.

Emphasis of Matter - Change in Accounting Principles

As discussed in Note 1 and Note 16 to the financial statements, in 2018, the District adopted new accounting guidance, GASB Statement No. 75, *Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions*. Our opinion is not modified with respect to this matter.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR PROGRAM AND REPORT ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Governing Board
San Jacinto Unified School District
San Jacinto, California

Report on Compliance for Each Major Federal Program

We have audited San Jacinto Unified School District's (the District) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the District's major Federal programs for the year ended June 30, 2018. The District's major Federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the Federal statutes, regulations, and the terms and conditions of its Federal awards applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the District's major Federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major Federal program. However, our audit does not provide a legal determination of the District's compliance.

Opinion on Each Major Federal Program

In our opinion, the District complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended June 30, 2018.

Report on Internal Control Over Compliance

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major Federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major Federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the District. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Trust Agreement, the Lease Agreement, the Ground Lease, the Assignment Agreement and the Tax Certificate, including, without limitation, covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause the portion of Base Rental Payments designated as and constituting interest evidenced by the

Certificates to be included in gross income for federal income tax purposes. We call attention to the fact that the rights and obligations under the Certificates, the Trust Agreement, the Lease Agreement, the Ground Lease and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, receivership, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors' rights, to the application of equitable principles, to the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against school districts in the State of California. We express no opinion with respect to any indemnification, contribution, liquidated damages, penalty (including any remedy deemed to constitute a penalty), right of set-off, arbitration, judicial reference, choice of law, choice of forum, choice of venue, non-exclusivity of remedies, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the state or quality of title to or interest in any of the real or personal property described in the Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement or the accuracy or sufficiency of the description contained therein of any such property. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Certificates and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Trust Agreement, the Lease Agreement and the Ground Lease have been duly executed and delivered by, and constitute valid and binding obligations of, the District.

2. Assuming due authorization, execution and delivery of the Trust Agreement and the Certificates by the Trustee, the Certificates are entitled to the benefits of the Trust Agreement.

3. The portion of Base Rental Payments designated as and constituting interest paid by the District under the Lease Agreement and received by the registered owners of the Certificates is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. Such interest evidenced by the Certificates is not a specific preference item for purposes of the federal alternative minimum tax. We express no opinion regarding other tax consequences related to the ownership or disposition of the Certificates, or the amount, accrual or receipt of the portion of each Base Rental Payment constituting interest.

Faithfully yours,

ORRICK, HERRINGTON & SUTCLIFFE LLP

A default under this Disclosure Agreement shall not be deemed an Event of Default under the Trust Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the District, the Trustee or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. APPENDIX E

COUNTY OF RIVERSIDE POOLED INVESTMENT FUND

The following information and the investment policy of the County have been provided by the Treasurer-Tax Collector (the “County Treasurer”), and has not been confirmed or verified by the District or the Underwriter. No representation is made herein as to the accuracy or adequacy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof, or that the information contained or incorporated hereby by reference is correct as of any time subsequent to its date. Further information may be obtained from the County Treasurer.

The County Treasurer maintains one Pooled Investment Fund (the “PIF”) for all local jurisdictions having funds on deposit in the County Treasury. As of June 30, 2019, the portfolio assets comprising the PIF had a market value of \$6,836,213,591.28.

State law requires that all operating moneys of the County, school districts, and certain special districts be held by the County Treasurer. On June 30, 2018, the Auditor-Controller performed an analysis on the County Treasury which resulted in the identification and classification of “mandatory” vs. “discretionary” depositors. The County Auditor-Controller reports that collectively, these mandatory deposits constituted approximately 80.62% of the funds on deposit in the County Treasury, while approximately 19.38% of the total funds on deposit in the County Treasury represented discretionary deposits.

While State law permits other governmental jurisdictions to participate in the County’s PIF, the desire of the County Treasurer is to maintain a stable depositor base for those entities participating in the PIF.

All purchases of securities for the PIF are to be made in accordance with the County Treasurer’s 2018 Statement of Investment Policy, which is more restrictive than the investments authorized pursuant to Sections 53601 and 53635 of the California Government Code. The Policy Statement requires that all investment transactions be governed by first giving consideration to the safety and preservation of principal and liquidity sufficient to meet daily cash flow needs prior to achieving a reasonable rate of return on the investment. Investments are not authorized in reverse-repurchase agreements except for an unanticipated and immediate cash flow need that would otherwise cause the Treasurer to sell portfolio securities prior to maturity at a principal loss.

The investments in the Treasurer’s Pooled Investment Fund as of June 30, 2019 were as follows:

U.S. Treasury Securities	\$ 584,231,554.45	8.58%
Federal Agency Securities	3,865,922,356.83	56.76
Cash Equivalent & Money Market Funds	889,023,976.03	13.05
Commercial Paper	914,812,216.98	13.43
NCD	35,000,000.00	0.51
Medium Term Notes	288,841,412.34	4.824
Municipal Notes	233,302,074.65	3.43
Certificates of Deposit	-	-
Repurchase Agreements	-	-
Local Agency Obligations ⁽¹⁾	80,000.00	0.000
Total Book Value	\$6,811,213,591.28	100.00%
Book Yield	2.32%	
Weighted Average Maturity (years)	1.057	

⁽¹⁾ Represents County Obligations issued by the Riverside District Court Financing Corporation.

As of June 30, 2019, the market value of the PIF was 100.46% of book value. The Treasurer estimates that sufficient liquidity exists within the portfolio to meet daily expenditure needs without requiring any sale of securities at a principal loss prior to their maturity.

In keeping with Sections 53684 and 53844 of the California Government Code, all interest, income, gains and losses on the portfolio are distributed quarterly to participants based upon their average daily balance except for specific investments made on behalf of a particular fund. In these instances, Sections 53844 requires that the investment income be credited to the specific fund in which the investment was made.

The Board has established an “Investment Oversight Committee” in compliance with California Government Code Section 27131. Currently, the Committee is composed of the County Finance Director, the County Treasurer-Tax Collector, the County Superintendent of Schools, a school district representative and a public member at large. The purpose of the committee is to review the prudence of the County’s investment policy, portfolio holdings and investment procedures, and to make any findings and recommendations known to the Board. As of September 29, 2004, the State no longer required the County to have a local oversight committee; however, the County has elected to maintain the committee; however, the County has elected to maintain the committee. The committee is utilized by the County to safeguard public funds and to perform other internal control measures.

The County has obtained a rating on the PIF of “AAA-bf” from Moody’s Investors Service and “AAAf/S1” rating from Fitch Ratings. There is no assurance that such ratings will continue for any given period of time or that any such rating may not be lowered, suspended or withdrawn entirely by the respective rating agency if, in the judgment of such rating agency, circumstances so warrant.

Neither the District nor the Underwriter has made an independent investigation of the investments in the PIF and neither has made an assessment of the current County investment policy, a copy of which is attached hereto. The value of the various investments in the PIF will fluctuate on a daily basis as a result of a multitude of factors, including generally prevailing interest rates and other economic conditions. Additionally, the County Treasurer, with the approval of the IOC and the County Board of Supervisors, may change the County investment policy at any time. Therefore, there can be no assurance that the values of the various investments in the PIF will not vary significantly from the values described herein.

APPENDIX F
RIVERSIDE COUNTY INVESTMENT POLICY

[THIS PAGE INTENTIONALLY LEFT BLANK]

**COUNTY OF RIVERSIDE
OFFICE OF THE TREASURER-TAX-COLLECTOR
STATEMENT OF INVESTMENT POLICY**

INTRODUCTION

The Treasurer's Statement of Investment Policy is presented annually to the County Investment Oversight Committee for review and to the Board of Supervisors for approval, pursuant to the requirements of Sections 53646(a) and 27133 of the California Government Code (Code Section). This policy will become effective immediately upon approval by the Board of Supervisors.

SCOPE

The Treasurer's Statement of Investment Policy is limited in scope to only those county, school, special districts and other fund assets actually deposited and residing in the County Treasury. It does not apply to bond funds or other assets belonging to the County of Riverside, or any affiliated public agency the assets of which reside outside of the County Treasury.

FIDUCIARY RESPONSIBILITY

Code Section 27000.3 declares each treasurer, or governing body authorized to make investment decisions on behalf of local agencies, to be a trustee and therefore a fiduciary subject to the prudent investor standard. This standard, as stated in Code Section 27000.3 requires that "When investing, reinvesting, purchasing, acquiring, exchanging, selling, or managing public funds, the county treasurer or the board of supervisors, as applicable, shall act with care, skill, prudence, and diligence under the circumstances then prevailing, specifically including, but not limited to, the general economic conditions and the anticipated needs of the county and other depositors, that a prudent person acting in a like capacity and familiarity with those matters would use in the conduct of funds of a like character and with like aims, to safeguard the principal and maintain the liquidity needs of the county and the other depositors."

PORTFOLIO OBJECTIVES

The first and primary objective of the Treasurer's investment of public funds is to **safeguard investment principal**; second, to maintain sufficient **liquidity** within the portfolio to meet daily cash flow requirements; and third, to achieve a reasonable rate of return or **yield** on the portfolio consistent with these objectives. The portfolio shall be actively managed in a manner that is responsive to the public trust and consistent with State law.

AUTHORITY

Statutory authority for the Treasurer's investment and safekeeping functions are found in Code Sections 53601 and 53635 et. seq. The Treasurer's authority to make investments is to be renewed annually, pursuant to state law. It was last renewed by the Board of Supervisors on October 30, 2018 by County Ordinance No.767.22. Code Section 53607 effectively requires the legislative body to delegate investment authority of the County on an annual basis.

AUTHORIZED INVESTMENTS

Investments shall be restricted to those authorized in Code Sections 53601 and 53635 as amended

and as further restricted by this policy statement. All investments shall be governed by the restrictions shown in Schedule I which defines the type of investments authorized, maturity limitations, portfolio diversification, credit quality standards (two of the three nationally recognized ratings shall be used for corporate and municipal securities), and purchase restrictions that apply.

STAFF AUTHORIZED TO MAKE INVESTMENTS

Only the Treasurer-Tax Collector, Jon Christensen, Chief Investment Manager, Giovane Pizano, Deputy Investment Manager, Steve Faeth, and Assistant Investment Manager, Isela Licea, are authorized to make investments and to order the receipt and delivery of investment securities among custodial security clearance accounts.

AUTHORIZED BROKER/DEALERS

Securities transactions are limited solely to those noted on Schedule II of this policy.

DAILY ACCOUNTABILITY AND CONTROL

Except for emergencies or previous authorization by the Treasurer-Tax Collector, all investment transactions are to be conducted at the Treasurer-Tax Collector's office (if open and available to conduct business), documented, and reviewed by the Treasurer-Tax Collector. All investment transactions will be entered daily into the Treasurer's internal financial accounting system with copies to be filed on a timely basis. Portfolio income shall be reconciled daily against cash receipts and quarterly, prior to the distribution of earnings among those entities sharing in pooled fund investment income.

SECURITY CUSTODY & DELIVERIES

All securities, except for money market funds registered in the County's name and securities issued by the County or other local agencies shall be deposited for safekeeping with banks contracted to provide the County Treasurer with custodial security clearance services. These third party trust department arrangements provide the County with a perfected interest in, and ownership and control over, the securities held by the custodian on the County's behalf and are intended to protect the County from the bank's own creditors in the event of a bank default and filing for bankruptcy. Securities are **NOT** to be held in investment firm/broker dealer accounts. All security transactions are to be conducted on a "delivery versus payment basis." Confirmation receipts on all investments are to be reviewed immediately for conformity with County transaction documentation. Securities issued by local agencies purchased directly shall be held in the Treasurer's vault. The security holdings shall be reconciled with the custodian holding records daily. The Treasurer's Fiscal Compliance unit will audit purchases daily for compliance, and audit holding records monthly.

COMPETITIVE PRICING

Investment transactions are to be made at current market value and competitively priced whenever possible. Competitive pricing does not necessarily require submission of bids, but does require adequate comparative analysis. The current technology utilized by the Treasury provides this information.

MATURITY LIMITATIONS

No investment shall exceed a final maturity date of five years from the date of purchase unless it is authorized by the Board of Supervisors pursuant to Code Section 53601.

LIQUIDITY

The portfolio shall maintain a weighted average days to maturity (WAM) of less than 541 days or 1.5 years. To provide sufficient liquidity to meet daily expenditure requirements, the portfolio shall maintain at least 40% of its total value in securities having maturities 1 year or less.

SECURITIES LENDING

The Treasurer may engage in securities lending activity limited to 20% of the portfolio's book value on the date of transaction. Instruments involved in a securities lending program are restricted to those securities pursuant to Code Section 53601 and by the Treasurer's Statement of Investment Policy.

REVERSE REPURCHASE AGREEMENTS

The Treasury shall not engage in any form of leverage for the purpose of enhancing portfolio yield. There shall be no entry into reverse repurchase agreements except for temporary and unanticipated cash flow requirements that would cause the Treasurer to sell securities at a principal loss. Any reverse repurchase agreements are restricted pursuant to Code Section 53601 and by the Treasurer's Statement of Investment Policy.

MITIGATING MARKET & CREDIT RISKS

Safety of principal is the primary objective of the portfolio. Each investment transaction shall seek to minimize the County's exposure to market and credit risks by giving careful and ongoing attention to the: (1) credit quality standards issued by the nationally recognized rating agencies on the credit worthiness of each issuer of the security, (2) limiting the concentration of investment in any single firm as noted in Schedule I, (3) by limiting the duration of investment to the time frames noted in Schedule I, and (4) by maintaining the diversification and liquidity standards expressed within this policy.

TRADING & EARLY SALE OF SECURITIES

All securities are to be purchased with the intent of holding them until maturity. However, in an effort to minimize market and credit risks, securities may be sold prior to maturity either at a profit or loss when economic circumstances, trend in short-term interest rates, or a deterioration in credit-worthiness of the issuer warrants a sale of the securities to either enhance overall portfolio yield or to minimize further erosion and loss of investment principal. Such sales should take into account the short and long term impacts on the portfolio. However, the sale of a security at a loss can only be made after first securing the approval of the Treasurer-Tax Collector.

PURCHASE OF WHEN ISSUED SECURITIES

When issued (W.I.) purchases of securities and their subsequent sale prior to cash settlement are authorized as long as sufficient cash is available to consummate their acceptance into the Treasurer's portfolio on the settlement date.

PORTFOLIO REPORTS/AUDITING

Portfolio reports required by Code Sections 53607 and 27133(e) shall be filed monthly with the Board of Supervisors, Investment Oversight Committee, Superintendent of Schools, Executive Officer, County Auditor Controller and interested parties. Consistent with Board Policy B-21 (County Investment Policy Statement), § III A, an outside compliance audit will be conducted annually. Outside audits will be conducted at least biennially by an independent auditing firm selected by the Board of Supervisors, per Board Minute Order No. 3.48. Reports are posted monthly on the Treasurer's website:

<http://www.countytreasurer.org/Treasurer/TreasurersPooledInvestmentFund/MonthlyReports.aspx>

SPECIFIC INVESTMENTS

Specific investments for individual funds may be made in accordance with the Treasurer's Statement of Investment Policy, upon written request and approval of the responsible agency's governing board, and, approval of the Treasurer-Tax Collector. Investments outside of the policy may be made on behalf of such funds with approval of the governing Board and approval of the Treasurer-Tax Collector. All specific investments shall be memorialized by a Memorandum of Understanding. With the purchase of specific investments, the fund will be allocated the earnings and/or loss associated with those investments. The Treasurer-Tax Collector reserves the right to allocate a pro-rata charge for administrative costs to such funds.

PERFORMANCE EVALUATION

Portfolio performance is monitored daily and evaluated monthly in comparison to the movement of the Treasurer's Institutional Money Market Index (TIMMI), or other suitable index. Over time, the portfolio rate of return should perform in relationship to such an index. Regular meetings are to be conducted with the investment staff to review the portfolio's performance, in keeping with this policy, and, current market conditions.

INVESTMENT OVERSIGHT COMMITTEE

In accordance with Code Section 27130 et seq. of the Code, the Board of Supervisors has established an Investment Oversight Committee. The role of the Committee is advisory in nature. It has no input on day to day operations of the Treasury.

QUARTERLY DISTRIBUTION OF INVESTMENT EARNINGS

Portfolio income, including gains and losses (if any), will be distributed quarterly in compliance with Sections 53684 and 53844 of the Code which give the Treasurer broad authority to apportion earnings and losses among those participants sharing in pooled investment income, and, except for specific investments in which the interest income is to be credited directly to the fund from which the investment was made, all investment income is to be distributed pro-rata based upon each participant's average daily cash balance for the calendar quarter. Any subsequent adjustments of reported earnings by the Auditor-Controller will be first reviewed and approved by the Treasurer to assure compliance with Code Sections 53684 and 53844.

QUARTERLY APPORTIONMENT OF ADMINISTRATIVE COSTS

Prior to the quarterly apportionment of pooled fund investment income, the County Treasurer is permitted, pursuant to Code Section 27013, to deduct from investment income before the distribution thereof, the actual cost of the investment, audit, deposit, handling and distribution of such income. Accordingly, in keeping with Code Sections 27013, 27133(f), and 27135, the Treasury shall deduct from pooled fund investment earnings the actual cost incurred for: banking services, custodial safekeeping charges, the pro-rata annual cost of the salaries including fringe

benefits for the personnel in the Treasurer-Tax Collector's office engaged in the administration, investment, auditing, cashiering, accounting, reporting, remittance processing and depositing of public funds for investment, together with the related computer and office expenses associated with the performance of these functions. Costs are apportioned based upon average daily ending balances. Prior to gaining reimbursement for these costs, the Treasurer-Tax Collector shall annually prepare a proposed budget revenue estimate per Code Section 27013.

TREASURY OPERATIONS

Treasury operations are to be conducted in the most efficient manner to reduce costs and assure the full investment of funds. The Treasurer will maintain a policy regarding outgoing wires and other electronic transfers. Requests for outgoing transfers which do not arrive on a timely basis may be delayed. The County Treasurer may institute a fee schedule to more equitably allocate costs that would otherwise be spread to all depositors.

POLICY CRITERIA FOR AGENCIES SEEKING VOLUNTARY ENTRY

Should any agency solicit entry, the agency shall comply with the requirements of Section 53684 of the Code and adopt a resolution by the legislative or governing body of the local agency authorizing the deposit of excess funds into the County treasury for the purpose of investment by the County Treasurer. The resolution shall specify the amount of monies to be invested, the person authorized by the agency to coordinate the transaction, the anticipated time frame for deposits, the agency's willingness to be bound to the statutory 30-day written notice requirement for withdrawals, and acknowledging the Treasurer's ability to deduct pro-rata administrative charges permitted by Code Section 27013. Any solicitation for entry into the TPIF must have the County Treasurer's consent before the receipt of funds is authorized. The depositing entity will enter into a depository agreement with the Treasurer.

POLICY CRITERIA FOR VOLUNTARY PARTICIPANT WITHDRAWALS

With the Treasury being required to maintain a 40% liquidity position at all times during the calendar year, it is anticipated that sufficient funds will be on hand to immediately meet on demand all participant withdrawals for the full dollar amounts requested without having to make any allowance or pro-rata adjustment based on the current market value of the portfolio. In addition, any withdrawal by a local agency for the purpose of investing or depositing those funds outside the Pool shall have the prior written approval of the County Treasurer.

The Treasurer's approval of the withdrawal request shall be based on the availability of funds; the circumstances prompting the request; the dollar volume of similar requests; the prevailing condition of the financial markets, and, an assessment of the effect of the proposed withdrawal on the stability and predictability of the investments in the county treasury.

POLICY ON RECEIPT OF HONORARIA, GIFTS AND GRATUITIES

Neither the Treasurer-Tax Collector nor any member of his staff, shall accept any gift, gratuity or honoraria from financial advisors, brokers, dealers, bankers or other persons or firms conducting business with the County Treasurer which exceeds the limits established by the Fair Political Practices Commission (FPPC) and relevant portions of Code Section 27133. IOC members shall be subject to the limits included in the Board of Supervisors Policy B-21.

ETHICS & CONFLICTS OF INTEREST

Officers and staff members involved in the investment process shall refrain from any personal

business activity that compromises the security and integrity of the County's investment program or impairs their ability to make impartial and prudent investment decisions. In addition, the County Treasurer-Tax Collector, Assistant Treasurer-Tax Collector, , Investment Manager, and Assistant Investment Manager are required to file annually the applicable financial disclosure statements as mandated by the FPPC and County policy.

INVESTMENTS MADE FROM DEBT ISSUANCE PROCEEDS

The proceeds of a borrowing may be specifically invested per Schedule I of this policy (with the exception of Collateralized Time Deposits and Local Agency Obligations) as well as competitively bid investments (see County of Riverside Office Of The Treasurer-Tax Collector Policy Governing Competitively Bid Investments, dated March 3, 2011).

No pooled fund investments made from the proceeds of a borrowing, the monies of which are deposited in the County Treasury, shall be invested for a period of time exceeding the maturity date of the borrowing. Nor shall any monies deposited with a bank trustee or fiscal agent for the ultimate purpose of retiring the borrowing be invested beyond the maturity date of the borrowing.

POLICY ADOPTION & AMENDMENTS

This policy statement will become effective following adoption by the Board of Supervisors, and, will remain in force until subsequently amended in writing by the Treasurer-Tax Collector and approved by the Board.

APPENDIX G

BOOK-ENTRY ONLY SYSTEM

The description that follows of the procedures and recordkeeping with respect to beneficial ownership interests in the Certificates, payment of principal of, premium, if any, and interest evidenced by the Certificates to Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interests in the Certificates, and other related transactions by and between DTC, Participants and Beneficial Owners, is based on information furnished by DTC which the District, the Corporation and the Underwriter each believes to be reliable, but none of the District, the Corporation or the Underwriter takes responsibility for the completeness or accuracy thereof. The District, the Corporation and the Underwriter cannot and do not give any assurances that DTC, DTC Participants or Indirect Participants will distribute to the Beneficial Owners either (a) payments of principal, premium, if any, and interest with respect to the Certificates or (b) certificates representing ownership interests in or other confirmation of ownership interests in the Certificates, or that they will so do on a timely basis or that DTC, DTC Participants or DTC Indirect Participants will act in the manner described in this Official Statement. The current "Rules" applicable to DTC are on file with the Securities and Exchange Commission and the current "Procedures" of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Trust Company ("DTC"), will act as securities depository for the Certificates. The Certificates will be executed and delivered as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered Certificate will be executed and delivered for each stated Principal Payment Date of the Certificates, each in the aggregate amount of the principal evidenced by Certificates with such stated Principal Payment Date, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com. The information on such website is not incorporated into this Official Statement by reference or otherwise.

Purchases of Certificates under the DTC system must be made by or through Direct Participants, which will receive a credit for the Certificates on DTC's records. The ownership interest of each actual purchaser of each Certificate ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect

Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners, however, are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Certificates are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Certificates, except in the event that use of the book-entry system for the Certificates is discontinued.

To facilitate subsequent transfers, all Certificates deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Certificates with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Certificates; DTC's records reflect only the identity of the Direct Participants to whose accounts such Certificates are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Certificates may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Certificates, such as redemptions, tenders, defaults, and proposed amendments to the Trust Agreement and the Lease Agreement. For example, Beneficial Owners of Certificates may wish to ascertain that the nominee holding the Certificates for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Prepayment notices will be sent to DTC. If less than all of the Certificates with a particular stated Principal Payment Date are being prepaid, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Certificates to be prepaid.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Certificates unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Certificates are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Payments of principal, premium, if any, interest and other payments evidenced by the Certificates will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payments of principal, premium, if any, interest and other payments evidenced by the Certificates to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, and disbursement of such

payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Certificates at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

THE DISTRICT, THE CORPORATION AND THE TRUSTEE CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC WILL DISTRIBUTE TO PARTICIPANTS, OR THAT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL, INTEREST OR ANY PREMIUM EVIDENCED BY THE CERTIFICATES PAID TO DTC OR ITS NOMINEE AS THE REGISTERED OWNER, OR ANY PREPAYMENT OR OTHER NOTICES, TO THE BENEFICIAL OWNERS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE DISTRICT, THE CORPORATION AND THE TRUSTEE ARE NOT RESPONSIBLE OR LIABLE FOR THE FAILURE OF DTC OR ANY PARTICIPANTS TO MAKE ANY PAYMENT OR GIVE ANY NOTICE TO A BENEFICIAL OWNER WITH RESPECT TO THE CERTIFICATES OR ANY ERROR OR DELAY RELATING THERETO.

THE FOREGOING DESCRIPTION OF THE PROCEDURES AND RECORD KEEPING WITH RESPECT TO BENEFICIAL OWNERSHIP INTERESTS IN THE CERTIFICATES, PAYMENT OF PRINCIPAL, INTEREST AND OTHER PAYMENTS EVIDENCED BY THE CERTIFICATES TO PARTICIPANTS OR BENEFICIAL OWNERS, CONFIRMATION AND TRANSFER OF BENEFICIAL OWNERSHIP INTERESTS IN SUCH CERTIFICATES AND OTHER RELATED TRANSACTIONS BY AND BETWEEN DTC, THE PARTICIPANTS AND THE BENEFICIAL OWNERS IS BASED ON INFORMATION PROVIDED BY DTC. ACCORDINGLY, THE DISTRICT TAKES NO RESPONSIBILITY FOR THE ACCURACY THEREOF.

ASSURED GUARANTY MUNICIPAL CORP. ("AGM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of AGM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which AGM shall have received Notice of Nonpayment, AGM will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by AGM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in AGM. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by AGM is incomplete, it shall be deemed not to have been received by AGM for purposes of the preceding sentence and AGM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, AGM shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by AGM hereunder. Payment by AGM to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of AGM under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless AGM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the

United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to AGM which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

AGM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to AGM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to AGM and shall not be deemed received until received by both and (b) all payments required to be made by AGM under this Policy may be made directly by AGM or by the Insurer's Fiscal Agent on behalf of AGM. The Insurer's Fiscal Agent is the agent of AGM only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of AGM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, AGM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to AGM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of AGM, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, ASSURED GUARANTY MUNICIPAL CORP. has caused this Policy to be executed on its behalf by its Authorized Officer.

Ladies and Gentlemen:

The Purchaser designated below and executing this instrument (the “Purchaser”) hereby agrees to purchase when, as, and if executed and delivered by the San Jacinto Unified School District (the “District”) to Stifel, Nicolaus & Company, Incorporated, as underwriter (the “Underwriter”) and the Underwriter agrees to sell to the undersigned,

Maturity Date	Par Amount	Coupon	CUSIP Number	Yield	Price
------------------	------------	--------	-----------------	-------	-------

of the above-referenced San Jacinto Unified School District Certificates of Participation (2020 Refunding) (the “Refunding Certificates” as to the aggregate amount of the San Jacinto Unified School District Certificates of Participation (2020 Refunding) and the “Purchased Refunding Certificates” as to the portion of such Refunding Certificates identified in the above captioned table which the Purchaser is purchasing from the Underwriter) offered by the District’s Preliminary Official Statement dated July 17, 2019, and the Official Statement dated July ___, 2019 (the “Official Statement”), receipt of copies of which is hereby acknowledged, at a purchase price (plus accrued interest, if any, from the date of the initial delivery of the Purchased Refunding Certificates), at the interest rates, in the principal amounts and with maturity dates shown above, and on the further terms and conditions set forth in this Forward Delivery Contract.

The Purchaser hereby confirms that it has reviewed the Official Statement (including without limitation the information under the heading “PLAN OF REFUNDING – Forward Delivery of the Certificates” therein), has considered the risks associated with purchasing the Purchased Refunding Certificates and is duly authorized to purchase the Purchased Refunding Certificates. The Purchaser further acknowledges and agrees that the Purchased Refunding Certificates are being sold on a “forward” basis, and the Purchaser hereby purchases and agrees to accept delivery of such Purchased Refunding Certificates from the Underwriter on or about June 4, 2020 (the “Settlement Date”) as they may be executed and delivered pursuant to the Forward Delivery Certificate Purchase Agreement between the District and the Underwriter (the “Purchase Agreement”). A copy of the Purchase Agreement is available from the Underwriter upon request.

Payment for the Purchased Refunding Certificates that the Purchaser has agreed to purchase on the Settlement Date shall be made to the Underwriter by wire transfer to a bank account specified by the Underwriter, on the Settlement Date upon delivery to the Purchaser of the Purchased Refunding Certificates then to be purchased by the Purchaser through the book-entry system of The Depository Trust Company.

Upon the execution and delivery of the Refunding Certificates and purchase thereof by the Underwriter, the obligation of the Purchaser to take delivery of the Purchased Refunding Certificates hereunder *shall be unconditional* unless:

- The District fails to deliver the Refunding Certificates as set forth in the Purchase Agreement or fails or is unable to comply with all of the conditions to Settlement set forth in the Purchase Agreement by 10:00 a.m. California Time on the Settlement Date, or
- The Underwriter terminates its agreement to purchase the Refunding Certificates on the Settlement Date for re-sale to the Purchaser upon the occurrence of an event described in the Official Statement under “PLAN OF REFUNDING – Forward Delivery of the Certificates.”

The Purchaser acknowledges that the market value of the Refunding Certificates as of the Settlement Date may be affected by a variety of factors between the date of this Forward Delivery Contract and the Settlement Date, including, without limitation, changes in general market conditions or the financial condition of the District or modifications to laws that may diminish the value of, as opposed to eliminating the exclusion from gross income for federal income tax purposes, interest payable on “state or local bonds,” that will not prevent the District from satisfying all material conditions precedent for the delivery of the Purchased Refunding Certificates. The Purchaser acknowledges and agrees that it will not be able to withdraw its order as described and, except as described in the fourth paragraph of this Forward Delivery Contract, will not otherwise be excused from performance of its obligations to take up and pay for the Purchased Refunding Certificates on the Settlement Date. To effect a termination by the Purchaser, the Purchaser acknowledges and agrees that it must give written notice of termination of this Forward Delivery Contract to the Underwriter before Settlement (i.e., delivery of the Refunding Certificates to, and payment for the Refunding Certificates by, the Underwriter) on the Settlement Date. The Purchaser understands and agrees that no termination of the obligation of the Purchaser may occur after Settlement. The Purchaser also acknowledges and agrees that it will remain obligated to purchase the Purchased Refunding Certificates in accordance with the terms hereof even if the Purchaser decides to sell such Purchased Refunding Certificates following the date hereof.

The Purchaser represents and warrants that, as of the date of this Forward Delivery Contract, the Purchaser is not prohibited from purchasing the Purchased Refunding Certificates hereby agreed to be purchased by it under the laws of the jurisdiction to which the undersigned is subject.

This Forward Delivery Contract will inure to the benefit of and be binding upon the parties hereto and their respective successors, but will not be assignable by either party hereto without the prior written consent of the other.

This Forward Delivery Contract may be executed by either of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall constitute one and the same instrument.

It is understood that the acceptance by the Underwriter of any Forward Delivery Contract (including this one) is in the Underwriter’s sole discretion and that, without limiting the foregoing, acceptances of such contracts need not be on a first-come, first-served basis. If this Forward Delivery

Contract is acceptable to the Underwriter, it is requested that the Underwriter sign the form of acceptance below and mail or deliver one of the counterparts hereof to the Purchaser at its address set forth below. This will become a binding contract between the Underwriter and the Purchaser when such counterpart is mailed or delivered to the Purchaser.
